Unit 8 of 10 Welcome to Starline Press Students in the eleventh grade learn to verify and clarify facts presented in expository texts by using a variety of consumer, workplace, and public documents. They study the elements of an investigative research paper, finding sources for a general topic, gathering evidence to support a thesis, and use a rubric to evaluate the thesis. Students study early American literature, Puritan literature, literature of the Southern Colonies, and literature of the Middle Colonies. Eleventh grade students learn public speaking and elements of multimedia presentation. They study narrative and persuasive essays. Students learn business communication, writing cover letters and resumes, and understanding workplace documents. Starline Press is a character-based, state standards aligned, individualized and independent learning curriculum. Perfect for any independent learning environment, from Homeschool to Adult High School completion and Home and Hospital instruction, it is designed to allow each student to progress at his or her own pace, which may vary from subject to subject. Students find the instruction embedded in the material, so that the teachers' voice is heard within the text. Both objective and subjective assessment methods are used to ensure mastery of the material. Challenging activities are included in each unit to help students to acquire critical thinking skillsets. Each complete Starline Press Curriculum Course contains from 5-12 individual units, from one semester to one years' instruction. The Starline Press core curriculum course list includes Math, English, Social Studies and Science for 3rd through 12th grades. The Starline Press High School Elective curriculum course list includes; Physical Education, Personal Finance, Spanish, and Automotive Technology, Home Economics, Art, Music and many others. Each Unit (24 to 60 pages) is about 3 weeks work for a student and comes with a test inserted into the back for easy removal. The separately purchased Score Key comes with the Test Key inserted into the back of it. All units of a particular course must be completed to meet all of the objectives of that course. Starline's 3rd - 8th grade curriculum offers 12 units per year. The

9th - 12th grade curriculum offers 5 units per semester and 10 units per year. Designed with independent learning and Homeschool in mind, Starline is self contained and includes lists of any additional resources needed to complete the units. Starline is a system of learning that is designed to be used independently, but can also be used as remediation or enrichment, special education individual ability and paced material or homework. Our contact numbers and more information about Starline can be found on our website at [www.starlinepress.com](http://www.starlinepress.com). From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
