In *Scarpetta*, Patricia Cornwell has a character as strong as any in popular fiction" —Wall Street Journal New York Times bestselling author Patricia Cornwell delivers the newest engrossing thriller in her high-stakes series starring medical examiner Dr. Kay Scarpetta. *Depraved Heart*: "Void of social duty and fatally bent on mischief." —Mayes v. People, 806 Ill. 306 (1883) Dr. Kay Scarpetta is working a suspicious death scene in Cambridge, Massachusetts when an emergency alert sounds on her phone. A video link lands in her text messages and seems to be from her computer genius niece Lucy. But how can it be? It's clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn't know whom she can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul's daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta's entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that's the message they send when they raid Lucy's estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why

she's the world's #1 bestselling crime writer.

THE NEW YORK TIMES BESTSELLER NOW A MAJOR TV SERIES starring Pierce Brosnan and co-written by Philipp Meyer The critically acclaimed, New York Times-bestselling epic, a saga of land, blood and power, follows the rise of one unforgettable Texas family from the Comanche raids of the 1800s to the oil booms of the 20th century. Eli McCullough is just twelve years old when a marauding band of Comanche storm his Texas homestead, brutally murder his mother and sister and take him captive. Despite their torture and cruelty, Eli - against all odds - adapts to life with the Comanche, learning their ways and language, taking on a new name, finding a place as the adopted son of the band's chief and fighting their wars against not only other Indians but

white men too, which complicates his sense of loyalty, his promised vengeance and his very understanding of self. But when disease, starvation and westward expansion finally decimate the Comanche, Eli is left alone in a world in which he belongs nowhere, neither white nor Indian, civilized nor fully wild. Deftly interweaving Eli's story with those of his son Peter and his great-granddaughter JA, *The Son* maps the legacy of Eli's ruthlessness, his drive to power and his lifelong status as an outsider, even as the McCullough family rises to become one of the richest in Texas, a ranching and oil dynasty that is as resilient and dangerous as the land they claim. Yet, like all empires, the McCulloughs must eventually face the consequences of their choices. Panoramic, deeply evocative and utterly transporting, *The Son* is a masterpiece American novel - part epic of Texas, part classic coming-of-age story - that combines the narrative prowess of Larry McMurtry with the knife-edge sharpness of Cormac McCarthy. 'Stunning ... a book that for once really does deserve to be called a masterpiece' Kate Atkinson 'Magnificent ... McCarthy's Border Trilogy is a point of reference, as is *There Will Be Blood*, but it is not fanciful to be reminded of certain passages from *Moby-Dick* - it's that good'The Times 'Brilliant ... a wonderful novel' Lionel Shriver
