The EBay Price Guide MacMillan Publishing Company

With little skill, surprisingly few ingredients, and even the most unsophisticated of ice-cream makers, you can make the scrumptious ice creams that have made Ben & Jerry's an American legend. Ben & Jerry's Homemade Ice Cream & Dessert Book tells fans the story behind the company and the two men who built it-from their first meeting in 7th-grade gym class (they were already the two widest kids on the field) to their "graduation" from a \$5.00 ice-cream-making correspondence course to their first ice-cream shop in a renovated gas station. But the best part comes next. Dastardly Mash, featuring nuts, raisins, and hunks of chocolate. The celebrated Heath Bar Crunch. New York Super Fudge Chunk. Oreo Mint. In addition to Ben & Jerry's 11 greatest hits, here are recipes for ice creams made with fresh fruit, with chocolate, with candies and cookies, and recipes for sorbets, sundaes, and baked goods.

Consumers Digest Crown

The vast array of new products being offered for kitchens and bathrooms are handsomely displayed in this beautiful guide. The latest appliances, cabinets, cooktops, faucets, whirlpools, and much more are conveniently organized with detailed information on sizes, product specifications, and features. Includes thousands of color pictures and design ideas from all the leading manufacturers.

Frigidaire Commercial Product Application Manual Xlibris Corporation

This comprehensive book has been developed to quickly train an average person for the vast commercial and residential refrigeration and air-conditioning market within a short period of time. It provides all the technical knowledge needed to start a successful refrigeration and air-conditioning business anywhere in the world.

Kitchen & Bath Source Book

Frigidaire Recipes

"From the popular blogger behind Simply Scratch comes a debut cookbook showing how to home-cook absolutely everything from scratch. For Laurie McNamara, growing up on a farm in the country had major perks: her mother cooked with vegetables from the family garden, they collected fresh eggs from the chicken coop, and absolutely everything--from ketchup to casseroles--was made 100 percent from scratch. When she moved away from home, though, McNamara was too busy working full-time and raising two kids to prepare from-scratch meals. Like most Americans, she relied on boxed brownie mix, canned soup, bottled dressings, and frozen dinners to make home cooking quicker and cheaper. But she soon learned that these so-called shortcuts were in fact both more expensive and light-years less healthy than simply making everything herself. Eventually, she'd had enough and vowed to remake her kitchen into a from-scratch kitchen. Now, four years later, McNamara has helped hundreds of thousands of home cooks prepare from-scratch meals with whole food ingredients through her blog, Simply Scratch. McNamara's highly anticipated debut cookbook, Simply Scratch, takes her home-cooking know-how to the nation, with 120 wholesome, mouthwatering recipes along with stunning photography, entertaining anecdotes, and personal musings. This book offers easy recipes for delectable concoctions such as Buckwheat Pancakes and Creamy Roasted Tomato Soup. Simply Scratch will be the must-have bible to cooking beyond the box and can. Featuring everyday ingredients, a down-to-earth approach, and family recipes, Simply Scratch proves cooking from scratch can be affordable, simple, fun, and--of course--absolutely delicious"--

Volume Feeding Institutions

Magazine of mass feeding, mass housing.

American Journal of Building Design

Provides lists of selling prices of items found on eBay in such categories as antiques, boats, books, cameras, coins, collectibles, dolls, DVDs, real estate, stamps, tickets, and video games.

Catalog of Copyright Entries. Third Series

The premier source for journalists, now revised and updated for 2015. Does the White House tweet? Or does the White House post on Twitter? Can "text" be a verb and also a noun? When should you link? For anyone who writes--short stories or business plans, book reports or news articles--knotty choices of spelling, grammar, punctuation and meaning lurk in every line: Lay or lie? Who or whom? That or which? Is Band-Aid still a trademark? It's enough to send you in search of a Martini. (Or is that a martini?) Now everyone can find answers to these and thousands of other questions in the handy alphabetical guide used by the writers and editors of the world's most authoritative news organization. The guidelines to hyphenation, punctuation, capitalization and spelling are crisp and compact, created for instant reference in the rush of daily deadlines. The 2015 edition is a revised and condensed version of the classic guide, updated with solutions to problems that plague writers in the Internet age: · How to cite links and blogs · How to handle tweets, hashtags and other social-media content · How to use current terms like "transgender," or to choose thoughtfully between "same-sex marriage" and "gay marriage" With wry wit, the authors have created an essential and entertaining reference tool.
