JASLYN WILCOX

The Decline and Fall of Sacred Scripture: How the Bible Became a Secular Book eBook Partnership In Feed My Sheep, an outstanding team of pastors and scholars says to the modern church: "Turn back!" This book reveals the biblical basis for preaching, sketches the way it ought to be practiced, and shows the many practical benefits that flow from strong pulpits.

A Shepherd Looks at Psalm 23 Moody Publishers

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Shepherd Warrior Harper Collins

Early in the 1800's-as the second wave of the Great Awakening reached its zenith-a tiny religious sect in Britain began to publicly teach a new end-of-the-world doctrine. Later in the 1800's, a

second British sect-afraid the millions of ordinary Christians would learn of the bizarre origin of this new view-plotted to cover up its origins. And now it has grown to be the popular and sensational fundamentalist and evangelical any-moment, pretribulation rapture theory. MacPherson carefully documents, step by step, its origin in the 1820's, and follows its subsequent development and popularization in America by Darby and Scofield. This book is the never-before-told true story of how visions, subtle document changes, plagiarism, and what MacPherson called the mother of all revisionisms, has obscured the true origin of what has now become the sensationalist end-of-the-world doctrine pervading evangelicalism today.

Sacred Scripture Moody Publishers

With over 2 million copies sold, Phillip Keller's beloved contemporary classic spans the decades with its uplifting insights on Psalm 23. Pairing Keller's sublime reflections with the New International Version, this edition sheds light for a new generation of readers on the nature and ways of sheep--and of the Good Shepherd who cares for them.

On Being a Pastor Multnomah

Druids in Vermont? Phoenicians in Iowa? These are just a few of the interesting bits of information

contained in this volume of American pre-history. This groundbreaking work shatters many of the myths of America centuries ago.

Feed My Sheep Millennium III Publishers

Before you even knew his name, God's gentle voice was calling out to you; his gentle strength was drawing you close to him. This same enabling mercy now invites you into the deep places of discipleship. Spiritual formation is not about tools or formulas but submitting to God's grace, guiding you on an unpredictable journey into the heart of God. In *Awakening Grace*, authors Matt LeRoy and Jeremy Summers invite you to learn nine spiritual practices--such as covenant friendship, worship, and generosity--that will awaken your soul to God's grace. *Awakening Grace* offers Christian disciples a fresh, creative approach to ancient and innovative spiritual practices. Place yourself in God's hands, and he will form your life into Christ's image.

Charles Simeon of Cambridge Review and Herald Pub Assoc

"There is a Father Who is waiting for you; Who will not condemn you; Who will not criticize you; Who will not point out all of your faults and failings. He is just waiting. I believe if we could get that message across to the fatherless generations around us, many of them would run into their

Father's arms. That is what they are longing for.'" - Derek Prince, Father God

[Devotedly Artisan Pub](#)

What is wrong with Scripture scholarship today? Why is it that the last place one should go to study the Bible is a biblical studies program at virtually any university? Why are so many faithful priests and pastors, and the people in their pews, unaware of the centuries-long effort to turn the sacred Word of God into just another secular text? In *The Decline and Fall of Sacred Scripture: How the Bible Became a Secular Book*, authors Scott Hahn and Benjamin Wiker trace the various malformations of Scripture scholarship that have led to a devastating loss of trust in the inspired Word of God. From the Reformation to the Enlightenment and beyond, Hahn and Wiker sketch the revolutions and radical figures that led to the emergence of the historical-critical method and the pervasive ill effects that are still being felt today.

Dogmatic Constitution on Divine Revelation Presbyterian Publishing Corp

The Shepherd Leader is a book that strives to bring the importance of shepherding to the forefront of our thinking about what church leaders should do and, therefore, what they should be. Too many church leaders perceive of themselves as a "board of directors" when the Bible is clear that they are to know, feed, lead, and protect the flock entrusted to their care.

Christianity Today Book Award—Church and Pastoral Leadership The Gospel Coalition Book Awards Honorable Mention Pastoral leadership is in crisis. It's not just that many pastors feel overwhelmed and stressed out; many have lost their way. With the risk of burnout at an all-time high, what pastors need is not just a new leadership strategy, but a new framework for ministry—one that will help them move from survival to flourishing. In these pages, Tom Nelson looks to the biblical image of the shepherd leader in response to the contemporary context. If pastors are to lead congregations, then they must first learn what it means to be led by the Good Shepherd. Pulling from his years of experience as a lead pastor and president of a nonprofit, Nelson offers pastors and ministry leaders a timely vision for leadership that incorporates in-depth biblical teaching and whole-life discipleship. His wisdom and insight provide a roadmap for ministry resilience and longevity.

The Care of Souls Simon and Schuster

Their paths to God's purpose led them together. Many know the heroic story of Jim Elliot's violent death in 1956, killed along with four other missionaries by a primitive Ecuadorian tribe they were seeking to reach. Many also know the prolific legacy of Elisabeth Elliot, whose inspiring influence on generations of believers through print, broadcast, and personal testimony continues to resonate, even after her own death in 2015. What many don't know is the remarkable story of how these two stalwart personalities—single-mindedly devoted to pursuing God's will for their young lives, certain their future callings would require them to sacrifice forever the blessings of marriage—found their hearts intertwined. Their paths to God's purpose led them together. Now, for the first time, their only child—daughter Valerie Elliot Shepard—unseals never-before-published letters and private journals that capture in first-person intimacy the attraction, struggle, drama, and devotion that became a most unlikely love story. Riveting for old and young alike, this moving account of their personal lives shines as a gold mine of lived-out truth, hard-fought purity, and an insider's view on two beloved Christian figures.

[The Traditions of Glastonbury](#) Crossway

A literary history of our most influential book of all time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church. The idea of the Bible as "Holy

Scripture," a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In *A History of the Bible*, John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context—from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world—and, importantly, to what effect. Ultimately, *A History of the Bible* argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording—which is impossible to determine—and focus instead on the broader meanings of scripture.

A History of the Bible Lewis & Roth Publishers

This document's purpose is to spell out the Church's understanding of the nature of revelation—the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Every pastor struggles with demands for his time, and how to determine priorities in ministry. Some choose to respond to the most urgent needs, while others seek a more balanced and intentional approach. But what determines these priorities? Where should a busy pastor look for wisdom in making decisions? In *The Pastor's Ministry*, pastor and author Brian Croft looks to the Scriptures to determine the top ten priorities for a faithful pastoral ministry. These biblically rooted responsibilities help pastors determine how to spend their time and with greater discernment respond to the demands of the church. Each of these priorities is rooted in a direct command of God's Word, including: Guarding the Truth Preaching and Teaching the Word Praying for the Flock Setting an Example Visiting the Sick Comforting the Grieving Caring for Widows Confronting Sin Encouraging the Faint-Hearted Identifying and Training Other Leaders To be successful and faithful in pastoral ministry, every pastor needs to understand these core callings and make them part of his regular practice. These ten responsibilities guide how a pastor schedules his time, helping him to lay the foundation for a biblically faithful ministry in his church.

Fundamentals of the Faith Teacher's Guide Dpm-UK

(©2013) The Subcommittee on the Catechism, United States Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Elective Course A of the Doctrinal Elements of a Curriculum Framework for the Development of the Catechetical Materials for Young People of High School Age. Sacred Scripture: A Catholic Study of God's Word presents the Bible to students as a living source of God's Revelation to us. It gathers the two covenants of Scripture and the seventy-two books of the Bible under the umbrella of Church teaching, which holds that in Sacred Scripture, "God speaks only one single Word, his one Utterance in whom he expresses himself completely" (CCC, 102). This introduction to the biblical texts is both a companion for prayerful study and a survey of the context, message,

and authorship of each book. It also provides students with a plan for reading and studying the Bible in concert with the Holy Spirit and Church teaching. The text provides historical context for biblical literature and its analysis is mindful that Scripture must be read within the living Tradition of the Church; in so doing, the text examines the relationship between Scripture and the doctrines of the Catholic faith. While modern historical-critical scholarship is not ignored, the text is balanced by emphasis on the multiple senses of Scripture: literal, spiritual, allegorical, moral, and anagogical.

Why Do We Have Creeds? Moody Publishers

Father GodDpm-UK

James B&H Publishing Group

While many of us struggle to understand it, the Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us. And while it can be a difficult concept to get our heads around, it is crucial for believers to understand how God explains his triune nature in his Word. In this book, James R. White offers a concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, *The Forgotten Trinity* is a balanced look at all three persons of the Trinity. May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself.

Penguin

This beautiful leather-bound Collector's Edition will allow you to dig deeper and find the answers you've been looking for! Hank Hanegraaff has heard it all. He knows what questions plague believers and nonbelievers. And he's done something about it—he's spelled out the answers. *The Complete Bible Answer Book* is a simple guide covering over 170 of the top questions that the Bible Answer Man has dealt with in his ministry. Topics include parents and kids, religions, difficulty, faith, fear, sin, salvation, and many more issues vital to understanding the path to better understanding God. Each question is approached in Hanegraaff's scholarly, easy-to-understand style, and he even suggests additional sources for readers who want to explore the topics further.

Holy Bible (NIV) Baker Books

The pluralist society is wrong! Everyone's beliefs are not equally valid - truth is not down to who is the biggest bully! Creeds give direction, unity, and fellowship - and show the world what we believe.

The Wisdom of Listening Harvest House Publishers

Biblical, evangelical, and orthodox, *The Concise Guide to Today's Religions and Spirituality* supplies readers with a comprehensive, A-to-Z information source. Supported by the trustworthy research of Watchman Fellowship and its president, James Walker, its thousands of entries give the basics needed to evaluate spiritual belief systems, movements, and phenomena—Christian, quasi-Christian, and non-Christian—and the people connected with them. Definitions, descriptions, and cross references pack the maximum useful information into concise form, as in these examples: Adler, Margo: A witch affiliated with the Covenant of the Goddess, the second-largest coven in the United States. Adler wrote the highly influential book *Drawing Down the Moon*. See GODDESS, WICCA. Bioenergy: NEW AGE practice of healing, in which life-energy is balanced by opening blocked meridians. See HOLISTIC HEALING. A great resource for individuals—parents, church leaders, counselors, friends who want to give sound advice—as well as for study groups and church libraries.
