From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and

kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Fun Questions with Love* Independently Published The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino's national bestselling book, *99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX*, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom,

Steve Harvey's best friend and Bodyguard, Best-selling author and the self-proclaimed "Bodyguard for Women's Heart's" says, "Armani is right on point. His generation and others need this book." Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, "Most of the time people don't really know what to ask. Many people like to avoid asking questions for fear of finding out something they don't want to know. The sad part about this is, STD's are on the rise. Even if you don't contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved." Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, "The Art of Asking Questions." This chapter teaches you how to become an interview expert . Fortune 500 companies use this to process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, "My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you." He also says, "The non-physical side of SEX is something that we need to talk more openly about. I think my book helps individuals to do this. That's why Chapter 4 of the book is probably my favorite. Chapter 4 is "Love & SEX...The Two Most Powerful Energies and How Not to Get the Two Confused." The 3-

year National Best-seller, "99 Questions," written by one of the nation's premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. "The Most USEFUL DATING BOOK on the market!" ~DFW Singles Magazine "Armani Valentino's book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, is one book that you must have in your library." - Street Pop Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino says, "Most of the time we think we know what to ask before getting involved with someone. Although we probably do, we don't have that information in-front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It's kind of like dating insurance."

The Forgiving Life offers scientifically supported guidance to help people forgive those in their lives who have acted unfairly and have inflicted emotional hurt. It does not minimize the devastation of that hurt. It does not require reconciliation with the one who inflicted the hurt. Rather, it describes a process, followed with success by people around the world, to confront the pain, rise above it to forgive, and in so doing, to loosen the grip of depression, anger, and resentment that has soured life. In this book, noted forgiveness expert Robert D. Enright invites readers to learn the benefits of forgiveness and to embark on a path of forgiveness, leaving behind a legacy of love. Guided by thought-provoking questions, journaling exercises, and Enright's kind encouragement, readers can chart their own journey through a new life of forgiveness.
