 PMBOK®
 Guide, 6th

edition The PMP Project Management Professional Exam Review Guide, Fourth Edition, offers complete, concise review of essential project management concepts and practices. Covering 100% of the PMP exam objectives, this book helps you ensure your full preparation in advance of the big day. This new 4th Edition has been updated to align with the newest version of the exam,

featuring changes to PMP best practices, greater emphasis on Agile and other iterative processes, as well as the evolution of the project manager's role. Organized by domain area, this handy review guide covers project initiation, planning, execution, monitoring, and closing as detailed in the new A Guide to the Project Management Body of Knowledge (PMBOK® Guide), 6th

Edition, giving you clear guidance on what you need to know for the exam. You also get a year of free access to the Sybex online interactive learning environment and study tools, which features flashcards, chapter tests, two bonus practice exams, and more. PMP candidates must have extensive project management experience before taking the exam, but you cannot rely on

experience alone; the PMP exam tests your understanding of critical PMP concepts and practices as laid out in the PMBOK® Guide 6th Edition; this practical review condenses the PMBOK's essential details into quickly-digestible chapters that help you prepare more efficiently. Review 100% of the exam objectives Apply PMP concepts to real-world scenarios Identify areas

in need of additional review Access practice exams, flashcards, and more The PMP certification puts you in demand, and can be a major boost to your career. Regardless of your current level of experience, exam success lies in complete and thorough preparation; the PMP Project Management Professional Exam Review Guide, Fourth Edition, is your ultimate key to

confidence and success. To register for access to the online test banks included with the purchase of this book, please visit: www.wiley.com/go/sybextestprep. Updated for the new PMP Exam based on the PMBOK 6th Edition. Are you preparing for the PMP Certification Exam? This is

for you! The PMP certification, awarded by the PMI, is the gold-standard in project management certifications for project managers globally. If you are a project manager who wants to ace the PMP certification exam on your first attempt, you need to prepare with the right resources! '300 Practice Questions for the PMP Exam', from the author of 'Be a PMP Ace in 30 Days', is unlike the average

question bank you may come across for the PMP exam. This question bank contains a set of carefully researched and framed questions meant to optimise your study experience and the content here will stimulate your thinking in the way as it would be required on the actual PMP Exam. Key features of this PMP question bank: 300 questions sorted on individual knowledge areas of the

PMBOK - an excellent accompaniment for after-chapter revisions during your PMP Exam preparation. Detailed solutions provided at the end of each chapter so that you understand precisely why a particular answer choice is the right one. Also includes questions on the Project Management Framework and questions on Professional Ethics. Questions are similar in

structure, style and difficulty-level with the actual questions that appear in the PMP Exam - therefore, you get wider exposure in fewer questions. '300 Practice Questions for the PMP Exam' is an excellent accompaniment to your PMP preparation arsenal that you should not miss! Details of changes made in the revised edition of '300 Practice Questions for the PMP Exam': Questions and

solutions related to processes and ITTOs from the previous PMBOK 5th Edition that are no longer applicable in the PMBOK 6th Edition have been permanently removed. Approximately 10% of all questions and solutions are either newly introduced or altered from their original form in the previous edition of this book, to comply with the changes introduced in the PMBOK 6th Edition. Questions/Con

tent from the previous edition of this book that are still relevant for the PMBOK 6th Edition have been retained in this edition too.
