In 2017 34% of the workforce was considered part of the gig economy. This growing workforce of freelancers and side-giggers is also estimated to grow to 43% by 2020. That's 4 million freelancers, soon to be 7 million by 2020. Whether it's people looking to earn extra money, those tired of their 9-to-5, to entrepreneurs looking to grow their side hustle, Entrepreneur is uniquely qualified to guide a new generation of bold individuals looking to live their best lives and make it happen on their own terms. Whatever industry or jobs this new workforce takes, Start Your Own Business will guide them through the first three years of business. They'll gain the know-how of more than 30 years of collective advice from those who've come before them to: How to avoid analysis paralysis when launching a business Tips for testing ideas in the real-world before going to market with insights from Gary Vaynerchuk Decide between building, buying, or becoming a distributor What to consider when looking for funding from venture capitalists, loans, cash advances, etc. Whether or not a co-

In *Wantrepreneur to Entrepreneur*, Brian Lofrumento reveals the most valuable lessons, insights, strategies, and tips picked up over nearly a decade of being an entrepreneur. Brian launched his first business at the age of 18, and in 2008 (at the age of 19) he founded Premiership Talk, which grew into one of the most read soccer websites in the world, with millions of readers from over 200 countries around the world. In 2012 Brian became CEO of NewGen Consultants, a marketing agency located just outside of Boston, and grew the business to six-figures in revenue in just 13 months.

Now, Brian creates online programs and courses teaching entrepreneurs how to scale their businesses to six-figures and beyond, and has over 3,000 students from around the world. In this book, Brian reveals the #1 thing that new entrepreneurs must focus on to maximize their chances of success, how "starting every day" can help you achieve your goals, and the single biggest threat to your success as an entrepreneur. (It's not what you think!) No matter what type of business you're starting, this book will help you avoid the many mistakes that new entrepreneurs make. Rather than teaching decades-old business knowledge found in textbooks, this book contains the advice that you really need to know to succeed in today's marketplace - online and offline. If you're serious about going from wantrepreneur to entrepreneur and building the business and life of your dreams, this book is for you.
