**A Case for the
American People** Sunny
Palms Press

What happens when a
desperate man tries to
pick a Dominant's pocket?
Jake Cohen is lonely; he
wants a submissive of his
own now that his friends
all have someone to take
care of. He's so desperate
he's going to ask the Sub

Club for help. Until the
worst pickpocket ever
bumps into him one night.
Davey just doesn't have it
in him to be a good
pickpocket but he's
desperate. Luckily, he
tries his skills on Jake.
When Jake hears Davey's
story, he's inclined to help
him. Jake also thinks
Davey is just what he
needs both in his
professional and personal
life. Can two desperate
men looking for the same
thing overcome their

pride and fears, and give
in to their wants?
Earth Day Raintree
The Democrats' special
impeachment counsel on
the House Judiciary
Committee lays out
President Trump's
shocking pattern of
betrayals, lies, and high
crimes, arguing articles of
impeachment to the
ultimate judges: the
American people. In his
behind-the-scenes
account of the attempts
to bring the president to

justice—from filing the very first legal actions against him, through the Mueller report, to the turbulent impeachment and trial, to the president’s ongoing wrongdoing today—Norman Eisen, at the forefront of the battle since the day of Trump’s inauguration, pulls back the curtain on the process. He reveals ten proposed articles of impeachment, not just the two that were publicly tried, all of which he had a hand in drafting. He then guides us through

Trump’s lifelong instincts that have dictated his presidency: a cycle of abuse, corruption, and relentless obstruction of the truth. Since taking the oath of office, Donald Trump has been on a spree of high crimes and misdemeanors, using the awesome power of the presidency for his own personal gain, at the expense of the American people. He has inflamed our divisions for his electoral benefit, with flagrant disregard for the Constitution that makes us America. Each step of

the way, he has lied incessantly, including to cover up his crimes. And yet he remains in the country’s highest office. Congress, federal and state prosecutors, and courts have worked to hold the president accountable for his myriad offenses—with some surprising successes and devastating failures. Eisen, who served as special counsel to the House Judiciary Committee for Trump’s impeachment and trial, presents the case against Trump anew. Eisen’s

gripping narrative and rousing closing argument—at turns revelatory, insightful, and enraging—will inspire our nation of judges. History has proven that this president’s nefarious behavior will continue, no matter the crisis. But, as Eisen’s candid retelling affirms, there is an ultimate constitutional power that transcends the president’s, a power that can and must defeat him if our nation is to survive. The verdict of the American people remains in the balance. It is time

for us to act.

Damn Delicious Penguin Frames the contemporary post-cinematic situation of audiovisual media by focusing on the category of compactness in order to analyze a number of less explored aspects of contemporary mediascape.

Children of Chicago
Penguin

The worldwide bestseller - 1/3 million copies sold
'With his expert guidance we travel around the globe, from Burundi to Honduras via Vietnam, sipping and spitting as we

go. This is high geekery made palatable by the evident love pulsing through every sentence.' - The Guardian 'The subject of coffee has never been more, er, hot, and The World Atlas of Coffee takes a close look at its history and evolution, the international range of beans and all the best ways to enjoy coffee. Great pics too.' - Susy Atkins, The Telegraph For everyone who wants to understand more about coffee and its wonderful nuances and possibilities, this is the book to have.

Coffee has never been better, or more interesting, than it is today. Coffee producers have access to more varieties and techniques than ever before and we, as consumers, can share in that expertise to make sure the coffee we drink is the best we can find. Where coffee comes from, how it was harvested, the roasting process and the water used to make the brew are just a few of the factors that influence the taste of what we drink. Champion barista and coffee expert James

Hoffmann examines these key factors, looking at varieties of coffee, the influence of terroir, how it is harvested and processed, the roasting methods used, through to the way in which the beans are brewed. Country by country - from Bolivia to Zambia - he then identifies key characteristics and the methods that determine the quality of that country's output. Along the way we learn about everything from the development of the espresso machine, to why

strength guides on supermarket coffee are really not good news. This is the first book to chart the coffee production of over 35 countries, encompassing knowledge never previously published outside the coffee industry. [The Official Raspberry Pi Handbook 2021](#) John Wiley & Sons Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights

errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In *God in a Cup*, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee

connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee business hotshots: Counter Culture's Peter Giuliano, Intelligentsia's Geoff Watts, and Stumptown's Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a

way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. "Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty coffee scene, [she] travels from the exotic to the expected to

artfully deconstruct the connoisseur’s cup of coffee.” —Publishers Weekly

Includes information on different types of beans and teas, available brewing equipment, and little-known secrets to making fabulous coffee- and tea-based drinks. Written by food and beverage writers

who are experts in the field. Contains the finest recipes from worldwide barista champions.

The Complete Idiot's Guide to Coffee and Tea JMS Books LLC

“Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.” —Elizabeth Royte, author, *Garbage Land and Bottlemania*
Like many people, Beth Terry didn’t think an individual could have

much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry

includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—Plastic-Free Heroes—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a

practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

Coffee College Prowler With a foreword by Ree Drummond, this beautiful book has 100 easier, faster, lightened-up Southern recipes, from the blogger behind the popular Add a Pinch website. A generation ago, home cooks may

have had all day to prepare dinner, but most folks now want convenient, fast recipes that don't rely on canned soups or other processed products. Here, fresh ingredients take center stage in slow cooker meals, casseroles and one-dish suppers, salads, soups, and desserts that have deep, satisfying flavors but are a cinch to make. Smart swaps like Greek yogurt for mayo in pimento cheese and cauliflower "rice" put a modern spin on these dishes. With 75 color

photographs and lots of sidebars, this is the new Southern cooking handbook.

Candy Experiments U of Nebraska Press

When curvy Destiny tells Carter she is accidentally pregnant, she doesn't expect him to be thrilled. After all, they haven't discussed any kind of future, and children have never come up. She could handle his shock and dismay, but is unprepared for his accusation that she cheated on him. Leaving New York City and Carter behind, she returns to her

hometown to figure out what to do next.

Meanwhile, Carter has discovered he made a huge mistake and goes after her, but she refuses to return with him to the city. He's determined to wait her out and settles into life in small-town Kansas as he works on wearing her down and earning her forgiveness. Can he ever make up for the things he said and win her back, or will he futilely chase Destiny forever?
Search Terms: alpha male, wealthy, sisters series, baby, pregnant,

Minimalist Baker's Everyday Cooking Gallery Books

Having spent over 150 days on his first tour of the International Space Station, it's safe to say that Clayton C. Anderson knows a thing or two about space travel. Now retired and affectionately known as "Astro Clay" by his many admirers on social media and the Internet, Anderson has

fielded thousands of questions over the years about spaceflight, living in space, and what it's like to be an astronaut.

Written with honesty and razor-sharp wit, It's a Question of Space gathers Anderson's often humorous answers to these questions and more in a book that will beguile young adults and space buffs alike. Covering topics as intriguing as walking in space, what astronauts are supposed to do when they see UFOs, and what role astronauts play in

espionage, Anderson's book is written in an accessible question-and-answer format that covers nearly all aspects of life in space imaginable. From living in zero gravity to going to the bathroom up there, It's a Question of Space leaves no stone unturned in this witty firsthand account of life as an astronaut.

Riot A gripping, modern-
day spin on the Pied Piper
fairy tale, as well as a
gritty love letter to the
underworld of Chicago
from acclaimed Bram
Stoker nominee Cynthia
Pelayo. Reminiscent of
the Bloody Mary urban
legend, the Pied Piper's
story can be tracked back
to the deaths of children
for centuries and across
the world—call to him for
help with your problems,
but beware when he
comes back asking for
payment. Chicago
detective Lauren Medina's

latest call brings her to
investigate a brutally
murdered teenager in
Humboldt Park—a crime
eerily similar to the
murder of her sister
decades before. Unlike
her straight-laced partner,
she recognizes the crime,
and the new graffiti
popping up all over the
city, for what it really
means: the Pied Piper has
returned. When more
children are found dead,
Lauren is certain her
suspicion is correct. Still
reeling from the recent
death of her father, she
knows she must find out

who has summoned him again, and why, before more people die. Lauren's torn between protecting the city she has sworn to keep safe, and keeping a promise she made long ago with her sister's murderer. She may have to ruin her life by exposing her secrets and lies to stop the Pied Piper before he collects.

Jake's Thief Williams Press
 In the decades that Kevin Sinnott has spent meeting with and interviewing hundreds of coffee professionals, rather than crossing over

to the dark side and becoming one himself, he has taken what he has learned and translated it from coffee geek-speak into English. Why? For the sole purpose of allowing you to better enjoy your coffee. In short, if you like coffee, you will love this book. "Oren Bloostein, proprietor of Oren's Daily Roast There is no other beverage that gives you a better way to travel the world than coffee. You can literally taste the volcanic lava from Sumatra, smell the spice fields of India,

and lift your spirits to the Colombian mountaintops in your morning cup of joe. The Art and Craft of Coffee shows you how to get the most out of your coffee, from fresh-roasted bean to hand-crafted brew. In *The Art and Craft of Coffee*, Kevin Sinnott, the coffee world's most ardent consumer advocate, educates, inspires, and caffeinates you. Inside you will find: Delicious recipes for dozens of coffee and espresso beverages
Plastic-Free Maker Media, Inc.

NEW YORK TIMES BESTSELLER “Wise and funny. . . . The Lorrie Moore short story, or the Tina Fey memoir, of cleaning tutorials.”—Dwight Garner, *The New York Times* “Thrillingly titled. . . . For a generation overwhelmed not just by dust bunnies, but by bong water on the carpet, pee stains on the ceiling and vomit seemingly everywhere, Jolie Kerr dispenses cleaning advice free of judgment. . . . A Mrs. Beeton for the postcollege set.”

—Penelope Green, *The New York Times* “Jolie Kerr really cuts through the grease and grime with her new book. I do what she tells me to do.” —Amy Sedaris The author of the hit column “Ask a Clean Person” offers a hilarious and practical guide to cleaning up life’s little emergencies Life is filled with spills, odors, and those oh-so embarrassing stains you just can’t tell your parents about. And let’s be honest: no one is going to ask Martha Stewart what to do when your boyfriend barfs in

your handbag. Thankfully, Jolie Kerr has both staggering cleaning knowledge and a sense of humor. With signature sass and straight talk, Jolie takes on questions ranging from the basic—how do I use a mop? —to the esoteric—what should I do when bottles of homebrewed ginger beer explode in my kitchen? *My Boyfriend Barfed in My Handbag* proves that even the most nightmarish cleaning conundrums can be solved with a smile, the right supplies, and a

little music.
