ALLIE CARLA

An Extraordinary Union William D. Richards, LLC

Many authors write, then market. Successful authors write TO market. Have you written a book that just isn't selling? Would you like to write a book that readers eagerly devour? Many authors write, then market. Successful authors write TO market. They start by figuring out how to give readers what they want, and that process begins before writing word one of your novel. This book will teach you to analyze your favorite genre to discover what readers are buying, to mine reviews for reader expectations, and to nail the tropes your readers subconsciously crave. Don't leave the success of your novel up to chance. Deliver the kind of book that will have your fans hounding you for the next one.

The Smell of War BookCountry

A sinner's only hope is true love in this passionate new novel in J.R. Ward's #1 New York Times bestselling Black Dagger Brotherhood series. Syn has kept his side hustle as a mercenary a secret from the Black Dagger Brotherhood. When he takes another hit job, he not only crosses the path of the vampire race's new enemy, but also that of a half-breed in danger of dying during her transition. Jo Early has no idea what her true nature is, and when a mysterious man appears out of the darkness, she is torn between their erotic connection and the sense that something is very wrong. Fate anointed Butch O'Neal as the Dhestroyer, the fulfiller of the prophecy that foresees the end of the Omega. As the war with the Lessening Society comes to a head, Butch gets an unexpected ally in Syn. But can he trust the male—or is the warrior with the bad past a deadly complication? With time running out, Jo gets swept up in the fighting and must join with Syn and the Brotherhood against true evil. In the end, will love true prevail...or was the prophecy wrong all along?

Lean In Anchor

Help your little one build communication skills with the ultimate writing workbook for kids ages 3 to 5. Set kids up to succeed in school with a learn to write for kids guide that teaches them letters, shapes, and numbers—and makes it fun. My First Learn-to-Write Workbook introduces early writers to proper pen control, line tracing, and more with dozens of handwriting exercises that engage their minds and boost their reading and writing comprehension. This handwriting activity book includes: **COMPREHENSIVE SKILL-BUILDING:** As they explore these exercises, kids will build a strong foundation of reading comprehension, the alphabet, penmanship, and fine motor skills. **75+ PRACTICE PAGES:** Tons of engaging pencil-on-paper activities like connect-the-dots and fill-in-the-blanks offer enough repetition for real learning but enough variety to keep kids interested. **COLORFUL FUN:** This workbook is full of helpful (and silly) pictures and illustrations that will spark kids' imaginations and get them excited to keep practicing. Get your child on the path to success with an interactive book that helps them master early learning skills.

"My books spent 5 years on the New York Times Best Seller List. They got there through endless

hours of hard work. If only Brent had been my marketer, I could have done it in 5 minutes with a simple picture. I'M SO STUPID!"- Tucker Max, 3x #1 NY Times Best Selling Author "Like all good art, this book--and it is definitely a book--exposes a little bit about how society works."- Ryan Holiday, author of the Wall Street Journal bestseller Trust Me, I'm Lying: Confessions of a Media Manipulator "Brent Underwood's book shows the inner workings of the publishing industry and its desire to be the "best". Brent helps create a path toward ending the madness."- Matthew Kepnes, author of the New York Times bestseller How To Travel The World on \$50 a Day "Unputdownable! Hop don't walk, to your nearest Kindle and download it now! The footnotes alone are worth the cover price!"- Brooke Unger, Americas Editor, The Economist "Putting My Foot Down will keep you on your toes at all time."- Young & Sick, musician/artist "Brent Underwood's foot, a more accomplished author than you or I."- The Paris Review "...status is meaningless, and can be bought for just a few dollars."- BoingBoing "Amen, Brent. Amen."- The Daily Dot "A man put a photo of his foot on Amazon."- Gothamist "The game's definitely afoot!"- Neil Gaiman "Amazing how much perception creates reality today."- Nick Bilton, Columnist, New York Times "...had me from the moment this guy takes a photo of his foot."- Laura Bennett, Senior Editor, Slate "Brilliant."- Martin Robbins, Columnist, VICE "...nails the 'biggest lie in publishing!'."- Richard Lea, Books Reporter, The Guardian

The Exit Strategy Ulverscroft Special Collection

In 2012 Sarah sorts through her late mother's effects and uncovers happy memories and a shocking family secret that has lain hidden for decades. As a child in the sixties Sarah loved visiting her Grandparent's Nelly and Clifford, in their crumbling Victorian house in Alma Road. Seen through a child's eye's Sarah only saw fun and freedoms away from her strict middle class home life in Cardiff. In Alma road the refreshing lack of rules opened up a whole new world for the young girl. Her Gran loved her unconditionally and in Sarah's eyes her Gran was perfect... But was she? Her grumpy disabled grandfather Clifford, who dominates the Smith household is the only cloud on Sarah's horizon during her visits. Sarah soon learns she can escape with Gran and get away from his beady eye. What the eye doesn't see the heart can't grieve over is Gran's motto. Fibs can help hide a multitude of sins. But unbeknown to Sarah beneath this tranquil childhood idyll dark currents are running. Why did her Gran tolerate her grand father's dictatorial behaviour. Why did Gran's sister, the dour plain Aunty Molly visit so often and as her Gran was dying why did she beg Sarah not to judge her too harshly. Sweeping through the harsh times in Cardiff during the 1930's this is a story of love and loss that sends ripples through time. Now Sarah has discovered her mother's secret, it casts everything she thought that she knew into doubt. That's the thing about secrets once you know them what do you choose to do with them?

The Pragmatic Programmer Selective Entertainment LLC

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -

How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Add your book to the major book industry databases. Prevent your advance reading copies from being re-sold. Avoid legal headaches and missed filing deadlines.

"Straightforward and easy to digest, this is one how-to that every new author or publisher should have in their arsenal!" —Brooke Warner, Publisher of She Writes Press and author of Green-Light Your Book: How Writers Can Succeed in the New Era of Publishing "An essential guide to publishing identifiers, their benefits and uses, and (most importantly) what NOT to do. Required reading for every new entrant into book publishing - and for those who have been here a while, it's never too late to go back to the sound fundamentals that David Wogahn provides here." —Laura Dawson, Numerical Gurus "...proceed with confidence in spending your time and dollars to get it done right, the first time." —Carla King, Self-Pub Boot Camp "...a thorough and deceptively simple guide for independent authors and publishers..."

You Are a Badass® Sphere

The #1 international best seller In Lean In, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of Option B with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women

unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. Lean In continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, Lean In is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

One Hundred Years of Solitude TCKPublishing.com

PULITZER PRIZE FINALIST • NATIONAL BESTSELLER • A wondrous and shattering award-winning novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. A contemporary classic, this "astonishing literary debut" (Margaret Atwood, bestselling author of The Handmaid's Tale) "places Native American voices front and center" (NPR/Fresh Air). Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. They converge and collide on one fateful day at the Big Oakland Powwow and together this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism A book with "so much jangling energy and brings so much news from a distinct corner of American life that it's a revelation" (The New York Times). It is fierce, funny, suspenseful, and impossible to put down—full of poetry and rage, exploding onto the page with urgency and force. There There is at once poignant and unflinching, utterly contemporary and truly unforgettable.

Germania Addison-Wesley Professional

15-year-old Nikka is invited to attend Wildwood Academy, a prestigious but secret boarding school for talented youth located deep in the Californian mountains. Once there, Nikka quickly falls in love with her bizarre classes, the jaw-dropping scenery and... two very different boys. However, Wildwood Academy has a dark and twisted secret, one that could cost Nikka the one thing she had never imagined she could lose, the one thing that money can't buy. It is this very thing that Wildwood Academy was created to steal. Nikka can stay and lose everything, or she can risk death and run. ***About the Author*** Jacqueline has had a colourful and dual life thus far; she's lived in a refugee camp in Sweden, a castle in France, a village in Germany, and spent her formative years in between Los Angeles, London and New York. As a result, she speaks four languages. Jacqueline has a Bachelors in English Literature from the University Of Massachusetts, and a Masters in Screenwriting from Royal Holloway, University Of London. After graduating she wrote her first novel and began writing cartoon screenplays. The two years she spent in an arts boarding school in the woods have inspired the particular world described in her debut novel Wunderkids. She lives in London with her husband, her excessive YA collection and a hyper husky named Laika. Wunderkids

has been translated into a number of languages and featured in Vogue magazine!

Secrets of the Six-Figure Author Knopf

From the host of NPR's Planet Money, the deeply-investigated story of how one visionary, dogged investor changed American finance forever. Before Bill Gross was known among investors as the Bond King, he was a gambler. In 1966, a fresh college grad, he went to Vegas armed with his net worth (\$200) and a knack for counting cards. \$10,000 and countless casino bans later, he was hooked: so he enrolled in business school. The Bond King is the story of how that whiz kid made American finance his casino. Over the course of decades, Bill Gross turned the sleepy bond market into a destabilized game of high risk, high reward; founded Pimco, one of today's most powerful, secretive, and cutthroat investment firms; helped to reshape our financial system in the aftermath of the Great Recession—to his own advantage; and gained legions of admirers, and enemies, along the way. Like every American antihero, his ambition would also be his undoing. To understand the winners and losers of today's money game, journalist Mary Childs argues, is to understand the bond market—and to understand the bond market is to understand the Bond King.

There There Thought Catalog Books

I Am Not the King is an intense spiritual memoir told in crisp, fresh language, a story full of dark moments that lead to a greater Light. Through family dysfunction, a verbally abusive father, and religious legalism, the author enters adulthood angry, bitter, and confused. He oscillates between his self-imposed literary hermitage and bisexual escapades until an atheist college professor challenges him to think more deeply about the meaning of life. After a life-changing "upper room" experience, he spends the next twenty-eight years wrestling with God. I Am Not the King takes the reader on a wild journey involving broken relationships, workplace challenges, disappointments with other Christians, struggles with sin and temptation, and fear and doubt. Allen Taylor shares with transparency and uncanny openness how he discovers he is not the king of his life. His story shows how anger and resentment turn to joy and peace in the arms of the real King. More than a memoir, I Am Not the King includes discussion questions for group leaders after each chapter.

My First Learn-to-Write Workbook Createspace Independent Publishing Platform

Discover the Life-Changing Strategy of This Worldwide Bestseller in 17 Languages! Lasting Change For Early Quitters, Burnouts, The Unmotivated, And Everyone Else Too When I decided to start exercising consistently 10 years ago, this is what actually happened: I tried "getting motivated." It worked sometimes. I tried setting audacious big goals. I almost always failed them. I tried to make changes last. They didn't. Like most people who try to change and fail, I assumed that I was the problem. Then one afternoon--after another failed attempt to get motivated to exercise--I (accidentally) started my first mini habit. I initially committed to do one push-up, and it turned into a full workout. I was shocked. This "stupid idea" wasn't supposed to work. I was shocked again when my success with this strategy continued for months (and to this day). I had to consider that maybe I wasn't the problem in those 10 years of mediocre results. Maybe it was my prior strategies that were ineffective, despite being oft-repeated as "the way to change" in countless books and blogs. My suspicions were correct. Is There A Scientific Explanation For This? As I sought understanding, I found a plethora of scientific studies that had answers, with nobody to interpret them correctly. Based on the science--which you'll find peppered throughout Mini Habits--we've been doing it all

wrong. You can succeed without the guilt, intimidation, and repeated failure associated with such strategies as "getting motivated," New Year's Resolutions, or even "just doing it." In fact, you need to stop using those strategies if they aren't giving you great results. Most popular strategies don't work well because they require you to fight against your subconscious brain (a fight not easily won). It's only when you start playing by your brain's rules and taking your human limitations seriously--as mini habits show you how to do--that you can achieve lasting change. What's A Mini Habit? A mini habit is a very small positive behavior that you force yourself to do every day; its "too small to fail" nature makes it weightless, deceptively powerful, and a superior habit-building strategy. You will have no choice but to believe in yourself when you're always moving forward. The barrier to the first step is so low that even depressed or "stuck" people can find early success and begin to reverse their lives right away. And if you think one push-up a day is too small to matter, I've got one heck of a story for you! Aim For The First Step They say when you aim for the moon, you'll land among the stars. Well, that doesn't make sense, as the moon is closer than the stars. I digress. The message is that you should aim very high and even if you fall short, you'll still get somewhere. I've found the opposite to be true in regards to productivity and healthy behaviors. When you aim for the moon, you won't do anything because it's too far away. But when you aim for the step in front of you, you might keep going and reach the moon. I've used the Mini Habits strategy to get into the best shape of my life, read 10x more books, and write 4x as many words. It started from requiring one push-up from myself every day. How ridiculous is that? Not so ridiculous when you consider the science of the brain, habits, and willpower. The Mini Habits system works because it's how our brains are designed to change. Note: This book isn't for eliminating bad habits (some principles could be useful for breaking habits). Mini Habits is a strategy to create permanent healthy habits in: exercise, writing, reading, thinking positively, meditating, drinking water, eating healthy foods, etc. Lasting change won't happen until you take that first step into a strategy that works. Give Mini Habits a try. You won't look back.

Finding Gold in Colorado - Prospector's Edition Grand Central Publishing

Dante Galand is young. Penniless. Alone. But devoted to learning the dark magic of his world. His quest will take him from the city gutters to a foreign land of sorcerers. To a war for independence. And finally, to another war—this time, for his people's very survival. A USA Today bestselling series, THE CYCLE OF ARAWN is a complete trilogy of 1600 pages—more than half a million words of strife, civil war, friendships made and broken, and one man's obsession to become the greatest sorcerer

since the days of the gods.

The Cycle of Arawn: The Complete Trilogy PartnerPress.org

"As the Civil War rages between the states, a courageous pair of spies plunge fearlessly into a maelstrom of ignorance and danger, combining their unique skills to alter the course of history and break the chains of the past.... 1861. Elle Burns is a former slave with a passion for justice. She also possesses a photographic memory. She has the rare fortune - a human right - to live a free life. But to spy for the Union Army, she is rilling to risk the brutal indignity of the slave system deeply entrenched in the South. Malcolm McCall is a seasoned detective for Pinkerton's Secret Service. His latest mission is his riskiest yet: to infiltrate and embed himself within a Rebel Virginia enclave. Toher with Elle, these two brave spies stumble across a plot that could turn the tide of the war in the Confederacy's favor. Caught in a tightening web of wartime intrigue, Malcolm and Elle must make their boldest move to preserve the Union at any cost - even if it means losing each other." --

Mini Habits The Wild Rose Press Inc

A fascinating guide to the best literary landmarks in London that takes the reader into publishing houses and along paths of inspiration, revealing the stories behind the stories. * One of the world's greatest literary cities, London has streets full of stories and buildings steeped in history. * The biggest and most beloved names in English literature have all been here, and you can still see or visit their stomping grounds and favourite places. * Follow Oscar Wilde from the salons to Clapham Junction; roam with Julian McClaren Ross through Fitzrovia, dropping in for a pint of three with Dylan Thomas at the Bricklayers' Arms; muse darkly over the Thames with Spencer, Eliot and Conrad; and watch aghast as Lorn Byron terrorizes his publisher on Albermarle Street... Moving through time and genre, from Spencer and Shakespeare to Amis and Barnes, from tragedy and romance to chick-lit and science fiction, *Literary London* is a snappy and informative guide, showing just why - as another famous local writer put it - he who is tired of tired of London is tired of life.
