NEAL BYRON

The NIV Study Bible Moody Publishers
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers'

passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. Rose Publishing

Have you ever wondered why Jesus often spoke in parables? Are you curious about what lessons we can learn from these parables today? Pastor and bestselling author John MacArthur breaks down the parables and teaches us how we can apply these deceptively simple stories to modern Christianity. Jesus was a master storyteller, and the parables he often

told were no exception. Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them--from the faithful to the faithless--and they're still relevant today. In *Parables*, MacArthur argues that these short, memorable stories represented more than just symbolism or a clever teaching style--they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers. *Parables* will help you see Jesus' teachings in a brand new light, addressing some of the most common questions on the topic, including: When did Jesus start teaching in parables? What makes parables so accessible? How can we interpret these stories? What common threads link each of the

parables together? What do parables teach us about the kingdom of God? MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life. Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known.

"Jesus Himself." Wm. B. Eerdmans Publishing

What makes this commentary on Luke stand apart from others is that, from beginning to end, this is a literary analysis. Because it focuses solely on the gospel as it appears and not on its source or origin, this commentary richly and thoroughly explores just what Luke is saying and how he says it.

Dogmatic Constitution on Divine Revelation Wm. B. Eerdmans Publishing
This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Commentary on the Whole Bible

Multnomah

Suffering is one of the few universals in life and something with which everyone who is reading this has struggled. I have

written this book that you might believe that your suffering has a meaning and that God is good. I have written this book that you might rejoice in your suffering because all Christian suffering unites us to Jesus Christ and, therefore, leads to glory and joy. I make this audacious, and even offensive, claim because it is the good news of Jesus Christ proclaimed in a different way. It is the good news that God takes what men and devils mean for evil and transforms it into our glory and joy, through his Son. Read this book if you want to know how and where God promises his people glory and joy through their suffering. Read it, and take the cup of suffering with your Lord. If you do, he promises you, he will unite himself to you through your suffering. Calvin's Commentaries Holy Bible (NIV)

The ESV Story of Redemption Bible is a journey through the sweeping storyline of Scripture, with nearly 900 notes written by pastor Greg Gilbert interspersed throughout the full ESV text, and a foldout timeline in the back.

From Age to Age Zondervan

Just as a physically healthy person--at an ideal weight and with good blood pressure and cholesterol numbers--might not actually be fit enough to run a 5k, so churches can appear healthy--with no obvious issues, maintaining a healthy size--and yet not exhibit fitness. A fit church is one that is not satisfied with merely coasting along with no problems. A fit church is actively making disciples, maturing in faith, developing strong leaders, reaching out to the community, and more. Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness, from

beginner all the way to elite--just as an athlete, through training and practice, can become the top in his or her class. Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding "Complete the Progress Chart" so that they can see what their goals should be for the future.

Amplified Bible Canongate U.S.

NATIONAL BESTSELLER • From the acclaimed author of *Bird by Bird* comes a personal, wise, very funny, and "life-affirming" book (People) that shows us how to find meaning and hope through shining the light of faith on the darkest part of ordinary life. "Anne Lamott is

walking proof that a person can be both reverent and irreverent in the same lifetime. Sometimes even in the same breath." —San Francisco Chronicle Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite—or because of—her irreverence, faith is a natural subject for Anne Lamott. Since *Operating Instructions* and *Bird by Bird*, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two

earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers—her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And *Traveling Mercies* is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." *With Open Hands* P & R Publishing
This highly original commentary, part of

the New International Commentary, is unique for the way it combines concerns with first-century culture in the Roman world with understanding the text of Luke as a wholistic, historical narrative. **ESV Story of Redemption Bible** S.R. Briggs

"This is a complete revision of the Gold Medallion-winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint."-
-Publisher description.

Luke Anchor

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's

Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

The Gospel According to Matthew
Zondervan

David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables. Speaking Parables includes commentary on thirty-three different parables with suggestions for preaching each one.

Parables David C Cook

A simple yet profound guide to facilitate the instinctively human desire to pray. We pray because we are human, not because we are religious. Something in our nature points beyond itself; something in us searches for and desires

personal connection with God. Although communicating with our Creator through prayer is innate, the effective practice of it often feels just beyond our reach. This unique book guides you to pray in deeper and more authentic ways. The short prayers and thought-provoking imagery, interspersed with contemplative reflections and suggested practices, will stir, inform, and encourage you. The simplicity of the prayers and the aesthetic appeal of the images will inspire people in every facet of life, including those with no real religious background at all.

The Bible Exposition Commentary

Wm. B. Eerdmans Publishing

A fresh look at a famous prayer "There is inherent in this prayer all the strength and compassion of our Father in heaven.

There moves through it a beauty and a serenity which no mortal man can fully explain. It reassures our hearts, strengthens our resolve, and leads us into personal contact with God, our Father." In this moving book by "an ordinary man and a child of God," Phillip Keller takes each phrase of the Lord's Prayer one-by-one, unfolding it in wonderful detail and sharing insights he's gained and experiences he's enjoyed. Next to Psalm 23, the Lord's Prayer is perhaps the most universally beloved passage in Scripture. It has been repeated millions of times by countless individuals for nearly 20 centuries. Yet, in spite of so much use and familiarity it has never lost its luster. *A Layman's Look at the Lord's Prayer* presents that luster in a fresh way to

help you rediscover its incredible power. Winner of the ECPA's Top Shelf Cover Award 2017

A Layman Looks at the Lord's Prayer
Crossway

His Holiness Pope Benedict XVI has declared the year between Oct. 11, 2012 and Nov. 24, 2013 to be a "Year of Faith." Part of the purpose of this year is, in the words of the Pope, "to rediscover the content of the faith that is professed, celebrated, lived and prayed..." (Porta Fidei). Deepen your prayer life this year with this collection of meditations from the Holy Father's catechesis on prayer, offered since the spring of 2011 through his Wednesday audiences in St. Peter's Square. These addresses contain profound meditations on prayer as practiced by some of the great figures of

history, beginning with Old Testament patriarchs and prophets, leading up to Jesus, our great model in prayer, and continuing on to the prayer of the disciples after the resurrection. The addresses collected in this volume (May 2011 to May 2012) reveal to the Christian in the modern world how he too can live by faith in the God who is always present. "In the upcoming catechesis [...] let us learn to live our relationship with the Lord even more intensely, as if it were a school of prayer." ~ Pope Benedict XVI
My First Hands-On Bible David C Cook
Ministers David Felten and Jeff Procter-Murphy, along with an all-star cast of

Bible scholars and top church teachers, provide a primer to a church movement that encourages every Christian to "live the questions" instead of "forcing the answers." Based on the bestselling DVD course of the same name, *Living the Questions: The Wisdom of Progressive Christianity* includes commentary from such bestselling authors as Diana Butler Bass, John Shelby Spong, Marcus Borg, John Dominic Crossan, Brian McLaren, and others. Tackling issues of faith and controversial subjects such as the church's position on homosexuality, *Living the Questions* is the most comprehensive, indeed the only survey of progressive Christianity in existence today.
