NEW YORK TIMES

BESTSELLER "Reilly pokes

more holes in Trump's

claims than there are

sand traps on all of his

courses combined. It is by

turns amusing and

alarming."-- The New

Yorker "Golf is the spine

of this shocking, wildly

humorous book, but

humanity is its flesh and

spirit." -- Chicago Sun-

Times "Every one of

Trump's most disgusting  
qualities surfaces in golf."

-- The Ringer An

outrageous indictment of

Donald Trump's appalling

behavior when it comes to

golf -- on and off the

green -- and what it

reveals about his

character. Donald Trump

loves golf. He loves to

play it, buy it, build it, and

operate it. He owns 14

courses around the world

and runs another five, all

of which he insists are the

best on the planet. He

also claims he's a 3

handicap, almost never

loses, and has won an

astonishing 18 club

championships. How

much of all that is true?

Almost none of it,

acclaimed sportswriter

Rick Reilly reveals in this

unsparing look at Trump

in the world of golf. Based

on Reilly's own

experiences with Trump

as well as interviews with

over 100 golf pros,

amateurs, developers,

and caddies, Commander

in Cheat is a startling and

at times hilarious

indictment of Trump and

his golf game. You'll learn

how Trump cheats

(sometimes with the help

of his caddies and Secret

Service agents), lies about

his scores (the "Trump

Bump"), tells whoppers

about the rank of his

courses and their worth

(declaring that every one

of them is worth \$50

million), and tramples the

etiquette of the game

(driving on greens doesn't

help). Trump doesn't brag

so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

... Currency  
Through some arrangement, she was married to a man with a crippled leg who wielded boundless influence. "I, Mason Yeich, will not accept a woman who bears the child of another man." In what was initially thought to be a loveless marriage, she ended up accidentally giving her heart away. After a series of pushing and pulling, she eventually left him.

Many years later a child who shares Mason's face will be the one to land a slap on him. "Useless father, watch who you're talking about!"

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for

it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party  
Praise for Ask a Manager  
"A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review)  
"The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review)  
"I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the

most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Railway Master Mechanic* S. Chand Publishing

Have you ever noticed that there are certain people who seem to get ahead just a bit faster than everyone else? You know, the types who always seem to be a bit ahead of the curve, to get noticed a bit more, and to achieve their goals a bit more quickly than the rest of the pack? And have you ever noticed how much this small edge can matter, and the outsized impact it can have on the trajectory of their careers? Twenty-four year old entrepreneur Brian Wong is one of these people, having graduated from college by age 18, having raised \$24 million in venture capital to start his own company before he turned 25, and having

grown that company into a global mobile advertising giant in just 4 years. His secret? The Cheat Code. Wong believes that most people -- even creative people -- have a tendency to follow a script; to do things the way others do them simply because that way works. But therein lies the secret at the heart of the Cheat Code: anyone can easily shortcut his or her way to success, simply by going slightly off script; by doing things just a little differently from everyone else. Here, Wong unlocks the power of the Cheat Code through 71 bite-sized and virtually effortless short-cuts to get a leg up on the competition, garner attention for ourselves and our ideas, and accelerate our success. For example: Cheat #7: Don't Ask - Announce Cheat #16: Know Your Superpower! Cheat #32: Make Boldness Your Genius Cheat #47: Know Who's the Boss Cheat #49: Get a Trademark Haircut Cheat #51: Use Exclamation Points Cheat #55: Focus on What Won't Change Cheat #71: Imagine, What If? No matter where you aspire to go in your life or career, THE CHEAT CODE will help get you there -

faster.
