Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He

exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still benefit from the truths in God's Word about finances. He believes that by fixing your heart that you deal with the root cause of financial situations and then money will take care of itself. Once your heart is right, using wisdom in how you spend your money comes naturally.

Financial Deliverance
Poverty has been the cause of untold hardship in the lives of

many people. This is not supposed to be the case for those who are born-again Christians because the benefit of Christ's crucifixion is freedom in all ramifications, including financial freedom but also many Christians are poor. God does not want the situation to be so, meaning there is a way out, which is still hidden to many.

Zondervan Academic Bible-Based Prayer Power features a new technique for talking to God that's as old as the Bible. Ken Anderson teaches readers the unique STEPS approach to prayer and gives them a topically arranged resource for incorporating the approach into their prayer lives. STEPS is an acronym for "Scripture Teaches

Effective Prayer Strategy," a principle based on John 15:7 ("If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you.") Bible-Based Prayer Power moves readers into a more vibrant prayer life by making Bible promises practical and personal.

Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real

question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your "daily life" as you enter the sanctuary of God's presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures

you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

Devotion to the Sorrowful Mother

Have you ever felt so desperate that all you can is “Lord Help me?” That was my state of mind in June 2019. I felt nothing was working, yet there was so much I could do. I decided to embark on a 3-Day prayer and fast, not even knowing how to direct my prayers. As in my custom, I emailed everyone on The Watchers email list inviting them to join

me if they felt that they were in a similar situation. To my surprise, over 600 members joined the prayer and fast. This book is a compilation of all the prayers and more. In this book, you will discover • God wants to help you • The result of fasting when you pray • Different types of help are available to the believer – daily help, sudden help, marvelous help, foreign help, family help, financial help, spiritual help, angelic help and much more. All you need to do is ask, and you shall receive. I invite you to experience what hundreds have experienced and are still experiencing by praying the prayers in this book.

God doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more intimately, says top-selling author D. A. Carson. The apostle Paul found that spiritual closeness in his own fellowship with the Father. By following Paul's example, we can do the same. This book calls believers to reject superficiality and revolutionize their lives by embracing a God-guided approach to prayer. Previously

published as *A Call to Spiritual Reformation*, this book has now been updated to connect more effectively with contemporary readers. A study guide, DVD, and leader's kit for the book are available through Lifeway and The Gospel Coalition. *Religion and the COVID-19 Pandemic in Southern Africa* Tyndale House Publishers, Inc. After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about

asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray. Money Prayers that Works Instantly The New York Times bestselling author of Radical challenges Christians to break free from an American gospel that prostitutes Jesus for comfort, power, prosperity, and politics—and fully pursue the true gospel that exalts Jesus above all. Pastor David Platt believes we've gotten really good at following a really bad gospel—one that

worships American ideas over biblical truth. It's time for disillusioned, discouraged, and divided Christians, and the next generation, to follow Jesus into a different future. But we have to make a choice: an American gospel or the biblical gospel. Worldly division or otherworldly unity. Compromise with the idols of our country or commitment to God's call in our lives. In Don't Hold Back, Platt encourages followers of Jesus to take necessary risks and find unimaginable reward as we: • Work for—not against—each other, especially when we disagree • Turn the tide on centuries of racial division in the church • Trust all of God's Word with conviction while loving

everyone around us with compassion • Do justice with kindness, and experience the good life according to God • Play our part in spreading the gospel to all the nations of the world We can experience the full wonder of Jesus and transcendent beauty of his church here and now. But in order to do so, some things need to be different. Starting not in “those people,” but in each one of us. With the gospel in our hearts and God as our prize, let’s press on and don’t hold back.
