Simple Cross Number is constructed on a crossword grid just like a standard crossword, but the digits 1 to 9 are used instead of the letters of the alphabet. In a Cross Number Puzzle, the Across and Down clues are sums, subtraction, multiplication, or division of the digits in the across and down words. The rules are simple: 1.The empty cells should contain numbers from 1 through 9 2.The clues in the rightmost cell and the lowest cell tells the sums, subtraction, multiplication, or division of the numbers before that clue. (on the right or down) 3.The numbers in empty cells must be unique. No number should be used more than once. 4. Use regular math order of operations (x ÷ precedes + -

More is expected of middle schoolers—more reading, more writing, more independent learning. Achieving success in this more challenging world requires knowing many more words. 100 Words Every Middle Schooler Should Know helps students in grades 6 to 8 (ages 11-14) to express themselves with distinction and get the most out of school. The 100 words are varied and interesting, ranging from verbs like muster and replenish to nouns like havoc and restitution to adjectives like apprehensive and imperious. Knowing these words enables students to express themselves with greater clarity and subtlety. Each word has a definition and a pronunciation and appears with at least one quotation—a moving or dramatic passage—taken from a book that middle schoolers are assigned in the classroom or enjoy reading on their own. Both classic and contemporary works of fiction and nonfiction are represented. Among the authors are young adult favorites and award-winners such as Kate Di Camillo, Russell Freedman, Neil Gaiman, E.L. Konigsberg, Lois Lowry, Walter Dean Myers, Katherine Paterson, J. K. Rowling, and Gary Soto. Readers can see for themselves that the words are used by the very best writers in the very best books. It stands to reason that they will see them again and again in higher grades and throughout their lives. 100 Words Every Middle Schooler Should Know helps students to gain useful knowledge
