Reviews of the two-volume New
Partridge Dictionary of Slang and
Unconventional English, 2005: The king
is dead. Long live the king! The old
Partridge is not really dead; it remains
the best record of British slang
antedating 1945 Now, however, the
preferred source for information about
English slang of the past 60 years is the
New Partridge. James Rettig, Booklist,
American Library Association Most slang

dictionaries are no better than
momgrams or a rub of the brush, put
together by shmegegges looking to
make some moola. The New Partridge
Dictionary of Slang and Unconventional
English, on the other hand, is the wee
babes. Ian Sansom, The Guardian The
Concise New Partridge presents, for the
first time, all the slang terms from the
New Partridge Dictionary of Slang and
Unconventional English in a single
volume. With over 60,000 entries from
around the English-speaking world, the
Concise gives you the language of beats,
hipsters, Teddy Boys, mods and rockers,
hippies, pimps, druggies, whores, punks,
skinheads, ravers, surfers, Valley girls,

dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful, and its a prize for anyone with a love of language.

From a hospital admittance to discharge to outpatient rehabilitation, Spinal Cord Injuries addresses the wide spectrum of rehabilitation interventions and administrative and clinical issues specific to patients with spinal cord injuries. Comprehensive coverage includes costs, life expectancies, acute care, respiratory care, documentation, goal setting, clinical treatment, complications, and activities of daily living associated with spinal cord patients. In addition to

physical therapy interventions and family education components, this resource includes content on incidence, etiology, diagnosis, and clinical features of spinal cord injury. Case Studies with clinical application thinking exercises help you apply knowledge from the book to real life situations. Thoroughly referenced, evidence-based content provides the best evidence for treatment based on the most current research. Tables and boxes throughout each chapter organize and summarize important information for quick reference. Clinical Note boxes provide at-a-glance access to helpful tips. Over 500 clinical photos, line drawings, radiographs, and more bring important concepts to life. Highly respected experts in spinal cord injury

rehabilitation, editors Sue Ann Sisto, Erica Druin, and Martha Sliwinski, provide authoritative guidance on the foundations and principles of practice for spinal cord injury. Companion DVD includes video clips of the techniques described throughout the book that demonstrate how to apply key concepts to practice.

Patients with perianal diseases such as dermatitis do not just visit the dermatologist; they are seen by family doctors, internists, pediatricians, general surgeons, gynecologists, and urologists. This book is truly multi-disciplinary,

introducing the surgical specialties to medical proctology and related fields. The procedures described allow effective management of both common and less common diseases, including all the secondary problems that may arise. With increasing travel and increasing immunosuppression, parasitic intestinal diseases are now seen in every type of practice. The standard diagnostic procedures described herein reduce costs in therapy. This new reference in proctology and perianal skin disease gives detailed descriptions of clinical features, laboratory diagnosis, and treatment strategies. It will empower a wide variety of physicians to manage these disorders more effectively.

'There is no one on earth quite so wonderful' STEPHEN FRY 'As outrageously entertaining as you'd expect' Daily Express BAFTA-winning actor, voice of everything from Monkey to the Cadbury's Caramel Rabbit, creator of a myriad of unforgettable characters from Lady Whiteadder to Professor Sprout, MIRIAM MARGOLYES, OBE, is the nation's favourite (and naughtiest) treasure. Now, at the age of 80, she has finally decided to tell her extraordinary life story - and it's well worth the wait. Find out how being conceived in an air-raid gave her curly hair; what pranks led to her being known as the naughtiest girl Oxford High School ever had; how she ended up posing nude for Augustus John

as a teenager; why Bob Monkhouse was the best (male) kiss she's ever had; and what happened next after Warren Beatty asked 'Do you fuck?' From declaring her love to Vanessa Redgrave to being told to be quiet by the Queen, this book is packed with brilliant, hilarious stories. With a cast list stretching from Scorsese to Streisand, a cross-dressing Leonardo di Caprio to Isaiah Berlin, This Much Is True is as warm and honest, as full of life and surprises, as its inimitable author.
