In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the

experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into

the divine revelation of God's holy Word according to His New Testament economy as this one does.

Life-Study of Luke Living Stream Ministry

In John 11:25 the Lord Jesus said, "I am the resurrection and the life," and in this booklet compiled from Life-study of John, Witness Lee delves into the truth behind this statement. "By itself, life can only have existence, but resurrection can withstand any kind of attack, even the attack of death" (p. 1). In so many cases in John, the Lord Jesus changed death to life. He came into situations of death in order to be life in the principle of resurrection. And today, He is still doing this. In all our situations, He is ready to come in as resurrection and enliven us.

*The Kingdom Living Stream Ministry*  
 God's salvation is truly wonderful! God desires not only to save us from eternal perdition, but also to grow in us, transform us, and eventually glorify us that we would be His glorious expression for eternity. In order for us to fully enjoy His marvelous salvation, we must pass through many spiritual experiences and practical dealings, including purifying our heart, confessing our sins, being enlightened by God, consecrating ourselves to God, living by our conscience, and learning to serve God by His power and not our own. In *The Pure in Heart Witness* Lee presents many

practical principles which open the way for believers to progress in their Christian experience. From the first chapter to the last, *The Pure in Heart* provides both spiritual insight and experiential illustrations to aid in our enjoyment of God's rich salvation for the accomplishment of His heart's desire.

Brother Witness Lee traveled to Manila, Philippines, at the beginning of 1954. On January 24 he began a seven-day perfecting conference with five special fellowships concerning the subject of pursuing the Lord. After this, he initiated a service training that lasted for six months, with four meetings per week. On Wednesday mornings he gave a Bible study of the Old Testament, and on Wednesday evenings he gave a training on character, including matters such as being the proper person, handling affairs properly, and doing the proper work. On Friday mornings he gave a training on being a minister of God's word, and on

Friday evenings he ministered on the proper way to meet. The number who attended these meetings varied between fifty-six and one hundred sixty. The study of the Old Testament and the training on character are included in volume 1 of the 1954 set, along with other messages given in the same time period. Brother Lee left Manila in July and traveled to Hong Kong, where he conducted ten meetings on life and twelve meetings on service, plus four gospel meetings, four young people's meetings, six fellowships on service, and six meetings for the full-time serving ones. These meetings were centered on the indwelling Christ and on the knowledge of spiritual service. They are included in volumes 1 and 2 of this set. Brother Lee left Hong Kong to return to

Taiwan in the middle of August. At the end of August and the beginning of September, Brother Lee conducted a special conference in Taipei, Taiwan, that consisted of ten meetings on the subject of spiritual reality, with between one thousand six hundred and two thousand six hundred in attendance. These messages are included in the section entitled Spiritual Reality in volume 2 of this set. In the fall of 1954 Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953. During this training he conducted a detailed study on Genesis, Exodus, and Leviticus through Ezra. The messages given in this detailed study are included in volume 4 of this set. He also spoke further on the knowledge of life and the

experience of life. These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books The Knowledge of Life and The Experience of Life (see The Collected Works of Witness Lee, 1953, vol. 3). During this training he also released messages published in Gospel Outlines, which are included in volume 3 of this set. The Collected Works of Witness Lee, 1954, volume 1, contains messages given by Brother Witness Lee on January 1 through August 12, 1954. Historical information concerning Brother Lee's travels and the content of his ministry in 1954 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into seven sections, as follows: 1. Two

messages given in Manila, Philippines, on January 1 and 3. These messages are included in this volume under the title The Significance and Application of the Burnt Offering. 2. Eight messages given in Manila, Philippines, on January 24 through 31. These messages are included in this volume under the title The Living and Service of the Burnt Offering. 3. Twenty-four messages given in Manila, Philippines, in February through July. These messages are included in this volume under the title A Record of the Service Training in the Philippines. 4. Thirteen messages given in Manila, Philippines, on February 7 through July 11. These messages are included in this volume under the title Messages Given in the Lord's Day Meetings in Manila. 5. Six messages

given in Manila, Philippines, in February and March. These messages are included in this volume under the title The Building Up of the Character of the Lord's Serving Ones. 6. Twenty-two messages given in Manila, Philippines, in March through June. These messages are included in this volume under the title A Record of a Bible Study on the Old Testament. 7. Eight messages given in Hong Kong on July 16 through August 12. These messages are included in this volume under the title The Spiritual Knowledge Needed for Serving in the Church.

**To Be Saved in the Life of Christ as Revealed in Romans** Living Stream Ministry

In the Gospel of John the Lord Jesus performs a number of miracles. The apostle John calls these miracles "signs," inviting us to consider the spiritual significance behind each one. In this

booklet compiled from the Life-study of John, Witness Lee explains that the principle of all these signs is found in the first sign, the turning of water into wine. The turning of water into wine signifies the turning of death into life. The human life with its natural enjoyment runs out and fails in death, but the Lord changes death into life by regenerating the believers with the eternal, divine life of God Himself and ushering them into the full enjoyment of this life in this age and in the ages to come. This principle of life, to turn death into life, is the key to unlocking the spiritual significance of the remaining signs in the Gospel of John. All the miracles in this Gospel unveil Christ as the embodiment of the divine life coming to meet the need of every human being by overcoming death in all

its manifestations and turning death into divine life.
