2017 James Beard Foundation Book Awards Winner: Vegetable Cooking A collection of vegetarian dishes influenced by Middle Eastern flavors from Salma Hage, author of the bestselling classic, The Lebanese Kitchen, also published by Phaidon. A definitive, fresh and approachable collection of 150 traditional recipes from an authoritative voice on Middle Eastern home cooking, Salma Hage's new book is in line with the current Western trends of consciously reducing meat, and the ancient Middle Eastern culture of largely vegetarian, mezze style dining. Traditionally, the Middle Eastern

diet consisted largely of vegetables, fruits, herbs, spices, pulses, grains and legumes. Salma simplifies this fast becoming popular cuisine with easily achievable recipes, many with vegan and gluten-free options. Drawing inspiration from ancient and prized Phoenician ingredients, from grassy olive oil to fresh figs and rich dates, this book offers an array of delicious breakfasts and drinks, mezze and salads, vegetables and pulses, grains and desserts. Salma shows how to easily make the most of familiar everyday fruits and legumes, as well as more exotic ingredients now widely available outside of the Middle East, with nourishing recipes so flavourful and satisfying they are suitable for vegetarians and meat-eaters alike.

“There’s no shortage of vegetarian cookbooks out there, but it’s rare that I find one that inspires me page after page as much as Amy Chaplin’s *Whole Food Cooking Every Day*.” —Bon Appétit

Eating whole foods can transform a diet, and mastering the art of cooking these foods can be easy

with the proper techniques and strategies. In 20 chapters, Chaplin shares ingenious recipes incorporating the foods that are key to a healthy diet: seeds and nuts, fruits and vegetables, whole grains, and other plant-based foods. Chaplin offers her secrets for eating healthy every day: mastering some key recipes and reliable techniques and then varying the ingredients based on the occasion, the season, and what you’re craving. Once the reader learns one of Chaplin’s base recipes, whether for gluten-free muffins, millet porridge, or baked marinated tempeh, the ways to adapt and customize it are endless: change the fruit depending on the season, include nuts or seeds for extra protein, or even change the dressing or flavoring to keep a diet varied. Chaplin encourages readers to seek out local and organic ingredients, stock their pantries with nutrient-rich whole food ingredients, prep ahead of time, and, most important, cook at home.
