It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood—in part because his own "fathers" failed him so badly. His biological dad was an alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd—and reminiscent of the hand of God—that the director of the leading organization on family turned out to be a guy whose own background as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book. Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun—and helping them grow into the men and women they're meant to be.

The Gettysburg Address Simon and Schuster

New York Times bestselling author of The Wordy Shipmates and contributor to NPR's This American

Life Sarah Vowell embarks on a road trip to sites of political violence, from Washington DC to Alaska, to better understand our nation's ever-evolving political system and history. Sarah Vowell exposes the glorious conundrums of American history and culture with wit, probity, and an irreverent sense of humor. With *Assassination Vacation*, she takes us on a road trip like no other—a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit, for political and cultural advantage. From Buffalo to Alaska, Washington to the Dry Tortugas, Vowell visits locations immortalized and influenced by the spilling of politically important blood, reporting as she goes with her trademark blend of wisecracking humor, remarkable honesty, and thought-provoking criticism. We learn about the jinx that was Robert Todd Lincoln (present at the assassinations of Presidents Lincoln, Garfield, and McKinley) and witness the politicking that went into the making of the Lincoln Memorial. The resulting narrative is much more than an entertaining and informative travelogue—it is the disturbing and fascinating story of how American death has been manipulated by popular culture, including literature, architecture, sculpture, and—the author's favorite—historical tourism. Though the themes of loss and violence are explored and we make detours to see how the Republican Party became the Republican Party, there are all kinds of lighter diversions along the way into the lives of the three presidents and their assassins, including mummies, show tunes, mean-spirited totem poles, and a nineteenth-century biblical sex cult.

Famous last words: "'Tis well." "I wish you to understand the true principles of the government. I wish them carried out. I ask nothing more." "The nourishment is palatable." Which three famous people uttered one of these phrases on their deathbeds? (Hint: they all served as president of the United States). The answers to these and many other questions about the last days of U.S.

presidents appear in *Who's Buried in Grant's Tomb?* To mark its twentieth year of broadcasting, C-SPAN presented a special television series, *American Presidents: Life Portraits*, which focused on one president each week and visited sites related to each president--their homes, libraries, gravesites, or other significant places. The project resulted in the most comprehensive video record of the lives of the 41 men who served as president of the United States. As a complement to this project, *Who's Buried in Grant's Tomb?* provides a guide to all 41 presidential gravesites, including sites selected for living presidents. Each chapter focuses on one president and includes birth and death dates; the time, place, and cause of death; final words; location of the gravesite and price of admission. Photos of each gravesite and original oil portraits of each president supplement the narrative, which tells about the circumstances of each man's death, funeral services, and last wishes. Starting at the end of each president's life, *Who's Buried in Grant's Tomb?* offers a fascinatingly different approach to these famous men. The book supplies some interesting trivia, such as the last words of George Washington, William Henry Harrison, and Millard Fillmore quoted above, and highlights some neglected historical moments, including the massive crowd of 60,000 people who marched in

Ulysses S. Grant's funeral procession, as well as early medical advice to presidents who suffered from heart disease or cancer. Who's Buried in Grant's Tomb? can also be used as a tourbook to visit the sites and learn more about the 41 U.S. presidents. This 256-page book includes a foreword by Richard Norton Smith and an afterword by Douglas Brinkley. "A wintry mix of snow, sleet, and rain covered Mount Vernon on December 12, 1799. George Washington, retired less than three years, made his usual inspection tour of the estate that morning. The following afternoon, the former president began to develop a sore throat. In the early morning hours of December 14th he awoke, feverish and having difficulty breathing. As the day wore on, Washington's lungs and throat continued to shut down. Doctors were summoned, who opened and bled the patient's veins several times in a futile effort to free his body of infection. The physicians considered performing a tracheotomy or a transfusion of lamb's blood, but Washington's condition was too weak. Nonetheless, he remained in control to the end: he gave specific orders to his secretary not to allow his body to be interred less than three days after his death. As he was taking his own pulse, George Washington died. He was 67 years old."--from the entry on George Washington Proceeds from the sale of this book will go to the C-SPAN Education Foundation
