You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives - Genesis 50:20 (NIV). And we know that in all things God works for the good of those who love him, who have been called according to his purpose - Romans 8:28 (NIV). Bible Study On Joseph (For Older

Children and Youth) is an exciting Bible-based curriculum for older children and youth to examine in depth the biblical character: Joseph with emphasis on God turning evil into good in his life and the relevance in their own lives. It has 16 lessons based on different aspects of the life of Joseph and corresponding life applications. Topics covered on Joseph include his relationships with his family - father, brothers and sons; his gifts of dreams and interpretation of dreams; his reaction to temptation; his life of service; and the timing of events in his life. The related life application themes include

God's love, showing forgiveness, submitting to God's will, attitude to suffering, giving glory to God, temptation and sin, service, taking responsibility, and faith in God. Bible Study On Joseph (For Older Children & Youth) has both the Leader's Guide and Student Workbook designed for use in different group settings such as youth and children's ministries, Sunday schools, home schools and home cells, and for personal study.

For today's youth, life is filled with new choices, new decisions, new feelings, new

perspectives, and new freedoms. During this time, teens are forming the belief systems that will influence their adult faith, and their ideas about the nature of God, the Bible, and the church. Will teen involvement in church youth programs provide them with a framework for making important choices? Will this time nurture values and encourage their emerging identities to be deeply Christian? Something wonderful can happen when you mix teenagers, the Bible, and an enthusiastic teacher together. Many teenagers are hungry to learn about the Bible, what it means, and how it can be applied to their lives. Traditionally, this type of education happens in Sunday School. Unfortunately, too many Youth Sunday School teachers are not prepared or feel inadequate when it comes to teaching teens. They do their best, but all they are doing is surviving the Sunday school hour. *Help! I Teach Youth Sunday School* offers the Sunday school teacher specific tips and hints to prepare for and care for teens. Real-life stories are mingled with information on Youth and their culture, common myths about Sunday school, a new way of preparing the

Sunday school lesson, creative teaching ideas, ways to think about growing a class, and how to reach out for new members while reaching in to old members. *God of Freedom - Bible Study Book* Barbour Publishing

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or

the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

Let Jesus Be Your Reset Do you want to make a difference with your life, but you're having trouble moving on from your past? "Follow me," Jesus told his early followers, "and I'll show you life as it was meant to be lived." Nick Hall reminds us that Jesus says the same thing to us today: "Come to me dirty, and I'll clean you up. Come broken, and I'll reassemble

the parts. Come desperate, and I'll replace pain with joy. Come to me with all your questions, all your confusion, all your fear. I can reset your purity, your self-image, your faith. Come." Reset is an invitation to a second chance—a do-over—to get beyond past missteps and failures and present confusion and discontent. Whether your struggle has been with such things as faith, hope, purity, habits, plans, self-image, or relationships, Nick Hall looks to God's Word to address the traps we fall into and clarify the practical ways we can get out. Whatever has been holding you back, a reset is available to you by the grace of God. Say yes to the life you were meant to live.

Key Verse Taken from the passage printed in the student book, this verse can be used to emphasize Scripture memorization in your class. Take-Away This is the basic point of the lesson and is summed up in a short sentence. It's the big idea you want your teens to grasp from each week's session. Bible Lesson For easy access, the Scripture passage your class or group will explore is taken from the Common English Bible, and are coordinated with the Uniform Lesson Series. Contains options for younger and older youth. Spring Theme: HOLY *Hope for the Hurting* Zondervan Because: A Youth Study You've all heard it... "Because I said so!" It's a phrase uttered by mothers (and others with authority) around the globe. It is technically an answer, of course, but falls short of being a satisfactory one. When it comes to matters of doctrine and faith, a "because I said so" answer will not do. We

must understand why we speak, act, and live righteously. There is a right way, and we can know it is best, just because He said so. Help your youth understand "Why" This book is a great conversation starter for use in Sunday School classes or as a youth Bible Study series. It will get them thinking about , and perhaps more importantly, talking about why Christians are called to live differently than the broader surrounding culture. And it doesn't mince words. Study Questions in each chapter At the end of each chapter, we've included study questions to help you capture, on a single page, some of the key ideas brought out in the chapter. This will help their retention and make it easier to go back and refresh their memory at a glance. About The Author Melinda was born in Alabama, raised in Ghana, and currently lives in St. Louis, Missouri. She has been many places and is grateful that God is the same in all of them. She lives to promote His name and fame in any and every possibly way. Writing is her favorite way. Someone wise once told her that if she would write, it would enable others to run. That's what she wants to do more than anything: enable others to run. So,

she writes what she can from her own heart, ever praying that the Lord take them and turn them to fuel for someone else's. "And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it." Habakkuk 2:2 Scroll back up and grab your copy.
