Clever Tom and the Leprechaun Random House Books for Young Readers

An Irish family stays together with the help of Fiona's talent for making one-of-a-kind lace in this heartwarming immigration story from the New York Times bestselling creator of The Keeping Quilt. Many years ago, times were hard in all of Ireland, so when passage to America becomes available, Fiona and her family travel to Chicago. They find work in domestic service to pay back their passage, and at night Fiona turns tangles of thread into a fine, glorious lace. Then when the family is

separated, it is the lace that Fiona's parents follow to find her and her sister and bring the family back together. And it is the lace that will always provide Fiona with memories of Ireland and of her mother's words: "In your heart your true home resides, and it will always be with you as long as you remember those you love." This generational story from the family of Patricia Polacco's Irish father brims with the same warmth and heart as the classic *The Keeping Quilt* and *The Blessing Cup*, which Kirkus Reviews called "deeply affecting" in a starred review, and embraces the comfort of family commitment and togetherness that Patricia Polacco's books are known for. On St. Parick's Day, come dance a jig with the students in the classroom ALA Booklist calls "a lively place." Today in Mrs. Madoff's class we all wore something green to school. Kate played the fiddle and we danced to Irish music. Then we learned about St. Patrick and many Irish tales and traditions. Now we know why there are no

snakes in Ireland. Not every-one in school is all Irish like me, but we all can celebrate St. Patrick's Day together!

WELCOME TO THE rival towns of Tralee and Tralah, where the annual St. Patrick's Day decorating contest is under way. Every year, Tralah defeats Tralee. This year, though, little Fiona Riley has a wonderful idea that will help Tralee win the contest for sure. But neither town has counted on a stranger arriving—a funny little man with pointed ears and boots trimmed with bells—who will turn the contest upside down!  
*Owl St. Patrick's Day* HarperCollins Legend has it that if you catch a leprechaun, he'll grant you a wish. But, be careful! Leprechauns are full of trickery. To catch one, you'll need to be clever in crafting your trap. Grab some glitter and glue and get prepared for your wily holiday visitors! On the night before St. Patrick's Day, leprechauns show up to steal your treasures and then disappear as quickly as they came. However, if you're careful you might be able to catch one and then he'll grant you a wish. You'll have to be sneaky and set just the right trap to trap a leprechaun. Sue Fliess's read-aloud text and Emma Randall's whimsical illustrations will provide much fun for young readers eager to catch their very own leprechaun! But beware: leprechauns may leave you with nothing but a cardboard box and a shoe or two.
