For half a century, the Denver Broncos have provided countless thrills, and a few spills, for their devoted fans. The full story of the Broncos' wild ride— from a decade of losing seasons to mighty dynastic heights—unfolds in all its guts-and-glory drama in this illustrated history. The first complete, illustrated account of this storied team, the book tells how this charter member of the American Football League struggled through its first seasons before emerging as an elite team in the 1970s. Led by the imposing "Orange Crush" defense and quarterback Craig Morton, the Broncos reached their first Super Bowl in January 1978. The arrival of John Elway in 1983 put the Broncos on the road to dynasty, bringing five Super Bowl appearances and back-to-back championships in the late 1990s. To this day, the team's winning ways draw raucous sellout crowds to Invesco Field at Mile High. Denver Broncos: The Complete Illustrated History offers a fascinating look at one of football's most beloved teams, from its early years as Denver's only major sports franchise, through legendary on-field moments like "The Drive," to the stars of today. Profiles of star players, season recaps, details of crucial games and plays, and the stories behind the great teams are complemented by hundreds of color and black-and-white images documenting the team's history.

This book is about Pro Football's best ever players and forgotten heroes from a bygone era. They were the superstars of the NFL and the AFL during the fabulous 50's, the glorious 60's, and the fun-loving 70's. However, none of these legends are in the Pro Football Hall of Fame in Canton, Ohio with the exception of Bob Brown- who was finally selected in 2004 and Gene Hickerson- who was selected in 2007. These exciting players revolutionized the game of Pro Football with their outstanding performances and were the NFL's and AFL's biggest gate attractions. This book is a sequel to my first book, *Distant Memories: The NFL's Best Ever Players of the 60's and 70's*. I have chronicled the careers of 30 great football players and have provided you a glimpse back at the best seasons, longest touchdowns, and the big plays of their illustrious careers. Most of these men should be in the Hall of Fame. J.D. Hill and Golden Richards will never be selected because they don't have the statistics, but they were 2 of the NFL's most sensational players. All of these players had Hall of Fame talent and most of them also had Hall of Fame like statistics. More *Distant Memories* is more than a book about great football players. It's about the men who played the game and the humanity behind the facemasks. These legendary heroes and mavericks provided excitement and happiness to millions of football fans across America. These players are lost treasures and have simply been forgotten as time goes by. They were brilliant players and dedicated professionals. Their place in Pro Football history is secure regardless of any Hall of Fame status. It was these trailblazers, legends, and other stars from the glorious past that made Pro Football our national pastime and America's game. Enjoy your trip down memory lane. <http://www.starsofthenfl.com/index.html>

Montanans' football obsession goes far beyond storied college programs. From Baker to Zurich, even the tiniest towns in Montana have sent players to the NFL. Elected to the Pro Football Hall of Fame in 1991, MSU alum Jan Stenerud was the league's first soccer-style kicker. Pat Donovan, who earned a Super Bowl ring with the Dallas Cowboys in the 1970s, was named by *Sports Illustrated* as the fourth-greatest Montana athlete of the twentieth century. Griz Doug Betters was a member of the Miami Dolphins' famed Killer Bees and the 1983 NFL defensive player of the year. From the obscure to the prominent, author Brian

Michigan State University's football history is overflowing with famous, interesting, and colorful figures. From Gideon "Charlie" Smith, who in 1913 became one of the nation's first black collegiate players, to George Webster, the "Greatest Spartan of All Time," to Morton Andersen, who still holds the Big Ten record for longest field goal--they are all Spartans. Earl Morrall, Bubba Smith, Lorenzo White... the list goes on. Added to this list of tremendous players are legendary coaches like the "Biggie" Munn and Duffy Dougherty. And who could forget the famous 10-10 tie with Notre Dame in 1966 or the Rose Bowl victory over Southern Cal in 1987? Spartan tradition is more than the coaches and players on the field, however, and *Michigan State Football: They Are Spartans* offers many rare images and long-forgotten anecdotes about how the program became a player on the national stage. The early days as a farm college team, the development into a football power as an independent, the successful struggle to join the Big Ten conference, and of course, the historic rivalry with a certain team from Ann Arbor are all recounted in the pages of this book.
