Three Days a Slave Miranda Birch

The complete trilogy by Marcus Darkley - 3 stories in one collection. Hot, explosive adult reading material. A Blast from the Past: Abigail had it all. The slim, attractive thirty-year-old teacher had a career on the up and a well-heeled husband who adored her. But she also had a past! That past was personified in Richard who, after ten years had found her again. He wanted to reintroduce her to the world of sex parties and orgies she used to be at the centre of. She needed desperately to stop him. Or at least her head did. Her body remembered the good times and the intense sex was like a drug, that she had become addicted to long ago - and was in danger of becoming hooked on once more. In Hock to the Mafia: A pretty, young wife and teacher being blackmailed for sex by a callous ex-lover. She thought she had nowhere to go until an Italian colleague introduced her to a man who could fix anything! Pretty soon, Abigail had exchanged one man who wanted her for sex for a whole family of equally depraved, but far more powerful people. She owed the Mafia, and they were going to make her pay for every penny... with her nubile body! Property of the Daughter-in-Law. Having found myself in debt to a perverted Mafia family, lately I had effectively been the property of the Don's daughter-in-law, Isabella. Or Domina, as she liked me to call her. She used me hard and taught me lots. When I wasn't busy as a devoted wife and professional teacher, I was living a double life as a submissive sex slave in Domina Isabella's domestic BDSM dungeon! Adult reading material. Sexually explicit.

Sub Mistress Sage Reamen

She once had a normal life. Then the man she knows only as Master took her away, and forced her into a dark world of pleasure, pain, and discovery as she slowly bends to his will. Now Master has demanded she record her trials, and so she writes, reliving the ecstasy of her days as a slave in training, where, captive in his dungeon, she began to break at his expert hands. Excerpt: I was taken seven days ago. I had been jogging through the park when his car pulled up, a Rolls Royce, long and sleek. I didn't even have time to scream before he dragged me away. He was stronger than me, and he wanted it more than I had power to resist. I'd struggled inside the silence as his driver guided us away from my old life, but no one could hear. No one could see past the tinted windows to the man holding down his reluctant prey, caught in the snare his passion had wrought. I call him Master now. I never learned what his birth name is. I don't care, because he doesn't want me to know. He has brought me fresh fruit and waffles every morning since my capture. It's such a quaint reminder of mornings with coffee and a newspaper, of a world that doesn't exist anymore. I live in the world he has made for me now, a world of satin and candlelight, of leather, sweat, pleasure, and flesh, a

world that reeks of bodies and sex.

NATIONAL BOOK AWARD WINNER • NEW YORK TIMES BESTSELLER • A renowned historian traces the life of a single object handed down through three generations of Black women to craft a “deeply layered and insightful” (The Washington Post) testament to people who are left out of the archives. Levine Award, Darlene Clark Hine Award, Cundill History Prize, Joan Kelly Memorial Prize, Massachusetts Book Award ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post, Slate, Vulture, Publishers Weekly “A history told with brilliance and tenderness and fearlessness.”—Jill Lepore, author of *These Truths: A History of the United States In 1850s South Carolina*, an enslaved woman named Rose faced a crisis: the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag for her with a few items, and, soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley's granddaughter Ruth embroidered this family history on the sack in spare, haunting language. Historian Tiya Miles carefully traces these women's faint presence in archival records, and, where archives fall short, she turns to objects, art, and the environment to write a singular history of the experience of slavery, and the uncertain freedom afterward, in the United States. All That She Carried is a poignant story of resilience and love passed down against steep odds. It honors the creativity and resourcefulness of people who preserved family ties when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today FINALIST: MAAH Stone Book Award, Kirkus Prize, Mark Lynton History Prize, Chataqua Prize ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, Time, The Boston Globe, The Atlantic, The Atlanta Journal-Constitution, Smithsonian Magazine, St. Louis Post-Dispatch, Ms. magazine, Book Riot, Library Journal, Kirkus Reviews, Booklist

Training Krista Taste of Lust

"Show me a man who won't eat his wife, and I'll show you a wife that I can steal" - Street Proverb Frank Richardson knew that street proverb quite well from his years on the police force in Southern California: he and his wife Tami enjoy living the alternative lifestyle of bondage and domination - where he is the dominant and she the submissive. Attending a convention, Frank gets into a testy conversation with Steve LaFluer and his assistant Wayne Adamson. Realizing just how uptight and straight-laced they are sexually, he's ready to put them in their proper place. After stealing the wives, Frank becomes their master - demanding much of them as her pursues his plan to humiliate and to bring their arrogant husbands to their knees. Scared Selfless Totally Entwined Group (USA+CAD)

In a utopian world, sex slaves are as common as kitchen staff and freely traded on the market. Men are sold as toys for the rich and powerful. One person's utopia is another person's prison. But some of the slave find fine jobs in their service and love the life that they are given. EXCERPT: "This slave looks like he was born to be fucked," Joshua commented without taking his eyes off the boy who now knelt before Joshua with his head lowered as far as his thick slave collar would allow and offered the cup and saucer to Joshua with both hands. "You must have a big one stuffed up him from the way he's walking," Joshua laughed. "Pretty gingerly." "Big enough to remind him of what he is and keep him open and ready for whenever he might be needed," Tyler laughed. "He is a good fuck. I'm almost addicted to him, I'm afraid, to the point where it's beginning to interfere with getting things done around here." "Ah, you'll satiate soon enough if I know you, Tyler," Joshua laughed. "Remember that last slave boy you had. You fucked him silly for the first two or three weeks, then you were down to about twice a day, and within six months you were so bored with him you sold him to that dealer down on Isaac Road - you know, the one that specializes in fuck boys." "You're probably right, Joshua," Tyler chuckled. "The boy is just one of a long line of good looking slave fresh that has

warmed my bed over the past decade and hopefully, for the next decade or two," his eyes twinkled in jest. "You've obviously got him shaved in his genital areas and in his armpits, but what about the rest of him? Was he naturally hairless?" Joshua asked. "He's got about the smoothest skin I've seen on a boy his age. How old is he anyway? About 18?" "One question at a time, and let's look him over proper. No use him lulling around on his knees that way. Position, slave " he barked at the brown boy. The slave instantly leaped to his feet, spread his legs wide apart so his ringed genitals hung free, placed his hands in back of his head to best display his body, and tensed his muscles as he thrust his pelvis forward. Tyler reached over and rubbed the ringed nipples on the massive chest until they too were erect. "The slave just turned 19, and yes, he's body shaved but it's not needed on his chest, stomach, or butt. He's smooth as a baby in those places naturally. He's been a slave for over three years now - his parents had mortgaged him as collateral for a business investment which went sour. The bank called in the loan, so they had no choice but to turn him over to the bank, who put him up for auction. Turner & Morrison, Inc., seeing a good profit ahead of them, bought him up and spent the next 18 months training him for his new life. I hear they paid a pretty good price to get him considering he was totally raw and untrained, but, of course, nothing like what they charged me for him when I bought him fully mature and fully trained. He's worked out well, though, if I don't fuck him to an early grave," his master laughed as he reached down and squeezed the slave's balls. "May I?" Joshua asked as he reached to stroke the slave's body. "Of course, Joshua," Tyler laughed but continued to churn the slave's massive balls in his hand.
