*World of Warcraft: Arthas* Dark Horse Comics  
 An epic action-adventure series set in Blizzard's popular World of Warcraft game franchise. Features a young cast of characters discovering the mysteries and majesty of the world around them. It's been years since twelve-year-old Aramar Thorne, a clever boy who is never without his precious sketch book, has seen his father. So when Captain Greydon Thorne comes ashore and asks his son to join him at sea, it feels as if someone has redrawn Aram's entire world. At sea, Aram struggles to get along with the Wavestider's crew -- especially second mate Makasa, a tough teenaged girl who

has been reluctantly placed in charge of him. Just as Aram starts to get his head above water, a band of vicious pirates attack the Wavestriker, turning his world upside down once again. As Aram and Makasa try to find their way home, they encounter creatures both terrible and wondrous, and Aram will seek to understand Azeroth's denizens as he draws them in his sketchbook, forming unlikely friendships along the way. But the journey is hindered by Greydon's compass, which never points north. If the compass isn't leading Aram and Makasa home -- to safety -- to what destiny is it leading?

 When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... WORLD

OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate

quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name **STORMRAGE**

In the mist-shrouded haze of the past, the world of Azeroth teemed with wondrous creatures of every kind. Mysterious Elves and hardy Dwarves walked among tribes
