Applying Buffett's principles to technology and international investing From the bestselling author of *The Warren Buffett Way* and *The Warren Buffett Portfolio* comes *The Essential Buffett: Timeless Principles for the New Economy*. In this fresh take on Buffett's irrefutable investment methods, Robert Hagstrom shows readers how to apply Buffett's principles to technology and international investing using real-life case studies of successful fund managers like Legg Mason's Bill Miller. Following the Buffett model, Hagstrom explains Buffett's four timeless principles: 1) analyze a stock as a business; 2) demand a margin of safety for each purchase; 3) manage a focus portfolio; 4) protect yourself from the speculative and emotional forces of the market. Then Hagstrom shows how Buffett's thinking can be applied in the new economy, addressing technology investing, international investing, small cap stocks, and socially responsible investing. Perhaps most valuable are Hagstrom's insights into the psychology behind Buffett's focus investing. For the first time, we are given sure-fire guidelines on how to become a winning Buffett disciple. *The Essential Buffett* will include convenient sidebars featuring key Buffett ideas, enabling readers to quickly compare Buffett's fundamental tenets.

Praise for THE GREAT FORMULA "This book reminds me of Isaac Newton's discovery of gravity—a stunningly simple idea that changed the course of history. I've seen *The Great Formula* create millionaires with surprising speed. It's an exact recipe to turn a marginal business into a successful one." —David Garfinkel, author, *Customers on Demand* "Mark Joyner has once again succeeded at coming up with an entertaining and educational marketing masterpiece." —Dr. Mani Sivasubramanian, infopreneur and heart surgeon "With all the fancy buzzwords used to describe how to achieve success, here is a commonsense formula that cuts through the chatter and goes

straight to the heart of what really works. This is truly a new perspective." —Joseph Sugarman, Chairman, BluBlocker Corporation "Save yourself a couple hundred thousand dollars on that degree. Clear out your bookcase. The MBA curriculum for this generation is *The Irresistible Offer* and *The Great Formula*." —Lou D'Alo, PowerUp! Coaching and Consulting

The second instalment in the *Magic Crystals* series, immediately following the events of 'The Seventh Sorcerer'. The original villain is back, only this time he is on a different mission, taking orders from the evil and cunning Hammerson Sorcerers, and his path will intersect those of John Playman and his friends on *Rock Haulter*. A desperate race must ensue, Moran and the powers of the Hammersons against the Chopville teens. The prize will be the most powerful of all the Magic Crystals and a control over the balance of life, but such extraordinary power is heavily protected. There is no guarantee that all will live to see the end. The danger faced this week will be greater than anything faced in 'The Seventh Sorcerer', but that won't stop the teens from having a good time, as only teenagers can. But beneath all that, a far more serious situation is simmering. It is only those closest to the Sorcerers who understand how delicate the peace between the Woodwards and Hammersons is, and how quickly that could change.

One of *Essence's* "10 Books We're Dying To Toss Into Our Summer Totes" From sneakers to leather jackets, a bold, witty, and deeply personal dive into Black America's closet In this highly engaging book, fashionista and pop culture expert Tanisha C. Ford investigates Afros and dashikis, go-go boots and hotpants of the sixties, hip hop's baggy jeans and bamboo earrings, and the #BlackLivesMatter-inspired hoodies of today. The history of these garments is deeply intertwined with Ford's story as a black girl coming of age in a Midwestern rust belt city. She experimented with the Jheri curl; discovered how wearing the wrong color tennis shoes at the roller rink during the drug and gang wars of the 1980s could get you beaten; and rocked oversized, brightly colored jeans and Timberlands at an elite boarding school where the white upper crust wore conservative wool shift dresses. *Dressed in Dreams* is a story of desire, access, conformity, and black innovation that explains things like the importance of knockoff culture; the role of "ghetto fabulous" full-length furs and colorful leather in the 1990s; how black girls make magic out of a dollar store t-shirt, rhinestones, and airbrushed paint; and black parents' emphasis on dressing nice. Ford talks about the pain of seeing black style appropriated by the mainstream fashion industry and fashion's power, especially in middle America. In this richly evocative narrative, she shares her lifelong fashion revolution—from figuring out her own personal style to discovering what makes Midwestern fashion a real thing too.

Four girls have made their dream come true: Be in a renowned band. However, it doesn't take them long to realize that being in the starlight isn't all that it seems. Meet the band, *Blonde Ivory:Shiloh*

Levitsky struggles with the fact that her manager is in full control over who she dates, and that includes the bad boy drummer of Firelight Moon. Will she find a way out of their fake relationship, or will she stick out the relationship and see the light at the end of the tunnel? Macha Levay-Fitzgilbert has always struggled with never being good enough for anyone. She's tried countless times to make people stay yet they never do. She thought that being the bassist of Blonde Ivory would make her more desirable, and one person has realized just how amazing she truly is: her best friend's brother. Will she finally realize her worth or will she always fall victim to the false pretense that she is unlovable? Hayden Sterling has struggled long and hard with her depression for years yet she still can't shake it. Being in a band praised by many, she thought the starlight would help her mentality. She was dead wrong. Now with her depression coming back in full swing and her love for a new person igniting, she seeks a therapist who can help. Will Hayden ever find help or will she succumb to her toxic thoughts? Kasey Afolabi has found her sexuality annoying, especially because it's being argued and broadcasted daily. She's tired of the questions, she's tired of the denial, all she desires now is her band to be successful and anyone who wants a sexless committed relationship to step forward. Is this too much to ask for?

*** 'Are you aging fabulously? Here's how.' Anna Murphy, The Times 'A lovely book celebrating female beauty over 40.' Top Sante 'You become what you see. What you see determines what you believe - and the most powerful way of inspiring people is with images. My goal with AndBloom is to motivate women to embrace life without fear. To provide examples of women between the age of 40 and, currently, 100, so that any woman can open this book and see themselves recognized.' Denise Boomkens launched the AndBloom project on Instagram in 2018, to create a 'happy place for women over 40' - a community where women can be themselves and where aging is celebrated instead of feared. In this, her first book, she shares her own experiences of aging and brings together portraits and interviews with more than 100 extraordinary 'ordinary' women to create both a gloriously illustrated celebration of female beauty over 40 and an empowering handbook to aging happily.

Some curses can't be outrun. The secret to Redd's past is locked away in a 400-year-old box that mysteriously appears every year on her birthday. For her entire life, her mother has kept them running from whatever lurks inside it. But Redd's had enough of not knowing who she is. So when the box shows up where only she can find it, she opens it...and awakens a link to the evil her mother fought to keep dormant. John lives in an old-fashioned village, a place of exquisite beauty and abundance. But such splendor demands that the villagers commit unspeakable acts. When the link with Redd is unlocked, the village council believes they have a solution to simplify their darkest task. John is sent to find the one girl who could possibly save them...if she makes the ultimate sacrifice. Eleanor sets off from England to America in 1587, pregnant and desperate to leave her ties with the devil behind. But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island, what should be the beginning of a better life turns into a horrendous struggle to survive. Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come... Redd, John, and Eleanor's stories meld together in a mashup of dark, urban, and historical fantasy, delving into the nuances of good and evil, the price of loyalty, and the extremes we will go to for those we love.
