WARD KORBIN

Fight Club: A Novel Holloway House

NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

The Prisoner of Zenda Illustrated Delta

Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent

And The Band Played on W. W. Norton & Company

"Siblings Bob and Tom get a dog with spots. This A-level story uses decodable text to raise confidence in early readers. The book uses a combination of sight words and short-vowel words in repetition to build recognition. Original illustrations help guide readers through the text."--

Includes excerpt from the author's *Dopefiend* (pages 178-202).

Pius Xi on Christian Marriage World Scientific

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's

pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became - both personally and professionally - intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But *Chasing Hillary* is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, *Chasing Hillary* is a campaign book like never before that reads like a fast-moving political novel.

Electric Edwardians Dramatists Play Service Inc

"A twisted road movie in which Alabama, a hooker, and Clarence, a young comic-book store clerk, fall in love, get married, and hit the road in a purple Cadillac. They are going to L.A. to start a new life - with a suitcase full of cocaine accidentally stolen from Alabama's defunct ex-pimp. Guided by the spirit of Elvis, Clarence attempts to sell the coke to a top Hollywood director, putting himself and Alabama in the middle of a standoff between the narcs and the Sicilian gangsters who rightfully own the cocaine."--Back cover.

Blood Done Sign My Name Simon and Schuster

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. Montessori Madness! explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

Bad Motherfucker Cherry Blossom Press

The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. *Fight Club*'s estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.

The Black Cliffs Madison : University of Wisconsin Press

#1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the

source of so much that still defines the United States. The New York Times Magazine's award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. The Saint and His Saviour Crown
The "riveting"* true story of the fiery summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* *Chicago Tribune On May 11, 1970, Henry Marrow, a twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows and black Vietnam veterans torched the town's tobacco warehouses. Tyson's father, the pastor of Oxford's all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD "If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it."—Milwaukee Journal Sentinel "Blood Done Sign My Name is a most important book and one of the most powerful meditations on race in America that I have ever read."—Cleveland Plain Dealer "Pulses with vital paradox . . . It's a detached dissertation, a damning dark-night-of-the-white-soul, and a ripping yarn, all united by Tyson's powerful voice, a brainy, booming Bubba profundo."—Entertainment Weekly "Engaging and frequently stunning."—San Diego Union-Tribune

Toward Sustainable And Economic Smart Mobility: Shaping The Future Of Smart Cities One World

This book offers a guide for young Christians seeking to grow in their faith, especially in the face of adversity.

Get Smart InterVarsity Press

"This novel, written in 1928, based on a true crime which took place in 1802 in Iceland, deals with two couples who lived on an isolated farm. One of the husbands disappears, and when the wife of the other dies, the survivors are arrested and tried for murder. It is an oddly powerful book, since Gunnarsson infuses the stark circumstances of the crime with the sense of harsh existence there and man's trials before God as well as other men. The narrator is a young and inexperienced curate, who is forced to confront the rumors and then the actuality of the two murders. The story is deepened as seen through the curate's fear and compassion, and the untenable situation at the farm is revealed only slowly through the slight testimony of the trial witnesses. And spiritual overtones strengthen the story, so that one remembers not only the uncertainties of those involved but the way in which their actions and emotions create almost elemental conflicts."--Kirkus

Little Lord Fauntleroy MDPI

When Peter Moran picks up a man on the roadside while driving through a bitter rainy night on the South Downs, he embarks upon an adventure that will lead him into treasonous international plots, flying adventures and tests of both his bravery and his loyalty. Nevil Shute Norway was a British novelist and aeronautical engineer. His novels are written in a simple, highly readable style, with clearly delineated plot lines. Where there is a romantic element, sex is referred to only obliquely. Many of the stories are introduced by a narrator who is not a character in the story. The most common theme in his novels is the dignity of work, spanning all classes, whether an Eastern European bar "hostess" (Ruined City) or brilliant boffin (No Highway).

The Motherfucker with the Hat Macmillan

High in the Clouds

Bob and Tom Get a Dog Hachette Books

A fascinating exploration and celebration of the life and work of the coolest man in Hollywood, Samuel L. Jackson—from his star-making turns in the films of Spike Lee and Quentin Tarantino to his ubiquitous roles in the Star Wars and Marvel franchises, not to mention the cult favorite *Snakes on a Plane*--by the bestselling author of *The Tao of Bill Murray*. *Bad Motherfucker* explains why Jackson's embodiment of cool is not just inspirational, it's important. It lays out how that attitude interacts with his identity as an African-American man, why being cool matters in the modern world, and how it applies to the current social and cultural moment in which everyone is losing their cool. Edwards details Jackson's fascinating personal history, from stuttering bookworm to Black revolutionary to crack addict to A-list star. The book features original reporting and explores not only the major events of Jackson's life but his obsessions: golf, kung fu movies, profanity. *Bad Motherfucker* also includes a detailed filmography of Jackson's movies--133 of them and counting! The book provides a must-read road map through the vast territory of his filmography and more: a vivid portrait of Samuel L. Jackson's essential self.
