Star War Episode IV Trivia Book Del Rey Award-winning author Kristine Kathryn Rusch brings her remarkable talents to the Star Wars(r) universe, where the New Republic faces sudden and total annihilation.... Somewhere in the galaxy, millions suddenly perish--a disruption of the Force so shocking it is felt by Luke at his Jedi

academy and by Leia on Coruscant. While Leia must deal with an assassination attempt, a rumored plot against the New Republic, and allegations that Han Solo is involved, Luke seeks out a former Jedi student who may hold the key to the mass destruction. But Brakiss is only the bait in a deadly trap set by a master of the dark side who is determined to rule as emperor. He's targeted Luke, Leia, and Leia's Jedi children to die. Then billions will follow, in a holocaust unequalled in galactic history. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars

books of the last thirty years!
