I Will Survive is the story
of Gloria Gaynor,
America's "Queen of
Disco." It is the story of
riches and fame, despair,
and finally salvation. Her
meteoric rise to stardom
in the mid-1970s was
nothing short of
phenomenal, and hits
poured forth that pushed
her to the top of the
charts, including "Honey

Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and

problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and

revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Matching Books to Readers Where I'm from" In the Fall of 2010 I gave an assignment in my Appalachian Literature class at Berea College, telling my students to write their own version of "Where I'm From" poem based on the writing prompt and poem by George Ella Lyon, one of the preeminent Appalachian poets. I was

so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life" -- Silas HouseParents Need to Eat Too

 If you turn on the evening news or listen to NPR you'll be bombarded with a non-stop parade of commentators

pontificating on the ever expanding gap between the rich and the poor. But is the chasm really that wide? In Rich Man Poor Man, comedian and bestselling author Adam Carolla exposes the phenomena that are embraced by the really rich and the really poor--but never the middle class--like having an outdoor shower, wearing your pajamas all day, or always having your dog with you. Combining Adam's inimitable comedic voice and four-color illustrations by his

friend Michael Narren, Rich Man Poor Man is a hilariously accurate look at what the people born with silver spoons in their mouths have in common with the people whose only utensils are plastic sporks stolen from a Shakey's.

Shop and dream Paris style. If you love French interior design and bargain hunting, Paris is the place where your shopping daydreams come true. Claudia Strasser takes us on a winding tour through the Parisian flea markets finding decorative pieces all along the way. Strasser discusses ways to bring the look to your home by

building collections and looking for furniture and accessories to reflect your individual style whether it's Napoleon III, Louis XV, Art Deco, Art Nouveau, Moderne or Belle Epoque. Whatever it is, you're sure to find rare pieces that will be treasured in your home. Shop and dream your way around the Paris flea markets with this deliciously colorful stroll through the city's best markets and take home special pieces that are destined to become heirlooms. A stylized map gives readers the lay of

the land and Claudia shares her tips on where to find what, trade secrets, her favorite dealers and advice on shipping items home. So, now take a seat and take a trip to Paris! Claudia Strasser began her career in 1993 when she opened a boutique in New York City's East Village and filled it with French boudoir furniture and accessories. She painted and repaired flea market finds, reincarnating them into the sparkling treasures. Now she travels to Paris

throughout the year, taking small groups shopping and sharing resources. She works on books and articles while designing a furniture line and doing some decorating projects. Claudia's style and business have been featured in scores of magazines. She is the author of *The Paris Apartment: Romantic Décor on a Flea Market Budget* (1997). Claudia splits her time between New York, Paris, and Miami.

 Splitting things in half may seem like an easy thing to do, but when two siblings and a pizza are involved, things can get messy. Children learn about fractions at school but fractions are also an important part of everyday life outside the classroom. In this riotous book, Stuart J. Murphy and G. Brian Karas introduce the simplest of fractions, $\frac{1}{2}$.

In her second childrens book project,

internationally acclaimed singer and songwriter Mary Chapin Carpenter captures the momentous night in 1910 when a father held his baby in his arms as Halleys Comet streaked across the Jackson skyline. Inspired by renowned author, Eudora Welty, and her stories of growing up in Mississippi, Ms. Carpenters words celebrate the special love shared between a father and a daughter and how lifes magical moments remain with us throughout our lives. Like an old

tattered scrapbook overflowing with remembrances of days past, this touching story and Dan Andreasens stunning illustrations stand as a timeless tribute to the beauty of lifes memories and that night so long ago when Halleys comet soared through the sky.

Diane France loves bones. Why? Because they talk to her. Every skeleton she meets whispers secrets about the life-and death-of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how

did he or she die? Bones tell Diane about the life and times of famous people in history, from a Russian royal family to American outlaws and war heroes. They speak to her about murders, mass disasters, and fatal accidents. One day she's collecting skeletal evidence at a crime scene. A phone call later she's jetting to the site of a plane crash or other unexpected tragedy to identify victims. Young readers will be captivated by the thrilling real-life story of this small-town

girl full of curiosity and mischief who became a world-famous bone detective.
