DANIELA MILLS

Apple Countdown Nbrp Press

Named a Best Book of 2020 by NPR and Lit Hub. A Los Angeles Times Bestseller. A New York Times Book Review Editors' Choice "In *The Cactus League* [Emily Nemens] provides her readers with what amounts to a miniature, self-enclosed world that is funny and poignant and lovingly observed." --Charles McGrath, *The New York Times Book Review* An explosive, character-driven odyssey through the world of baseball Jason Goodyear is the star outfielder for the Los Angeles Lions, stationed with the rest of his team in the punishingly hot Arizona desert for their annual spring training. Handsome, famous, and talented, Goodyear is nonetheless coming apart at the seams. And the coaches, writers, wives, girlfriends, petty criminals, and diehard fans following his every move are eager to find out why—as they hide secrets of their own. Humming with the energy of a ballpark before the first pitch, Emily Nemens's *The Cactus League* unravels the tightly connected web of people behind a seemingly linear game. Narrated by a sportscaster, Goodyear's story is

interspersed with tales of Michael Taylor, a batting coach trying to stay relevant; Tamara Rowland, a resourceful spring-training paramour, looking for one last catch; Herb Allison, a legendary sports agent grappling with his decline; and a plethora of other richly drawn characters, all striving to be seen as the season approaches. It's a journey that, like the Arizona desert, brims with both possibility and destruction. Anchored by an expert knowledge of baseball's inner workings, Emily Nemens's *The Cactus League* is a propulsive and deeply human debut that captures a strange desert world that is both exciting and unforgiving, where the most crucial games are the ones played off the field.

Stoicism Today Random House

This book was previously published as *The Palmyra Impact*. A minor seismic disturbance in a remote section of the Pacific causes barely a ripple of concern for Kai Tanaka, acting director of the Pacific Tsunami Warning Center in Honolulu. But when an airliner en route from L.A. to Sydney vanishes in the same location, Kai is the first to realize that a mysterious explosion has unleashed a series of massive waves destined to obliterate Hawaii. In just one hour, Kai will lose all he has ever known—including his wife and daughter— unless he can save

them from nature's most destructive force.

Boulevardiers HarperCollins

Field trip today—to the apple farm! Count 20 name tags, 19 kids on the bus, and 18 miles to the farm. There are 14 cows and 13 ducks (10 white and 3 black) and 12 rows of apple trees. Count the apples in your sack, count 3 pies to eat (divided into 20 pieces), and all too soon it's 2 p.m., time to go! But wait—Lee has a number 1 surprise. Joan Holub's creative countdown, from 20 to 1, includes grouping and simple addition. Her multicultural students enjoy all that the apple farm has to offer, from counting the cows and ducks to picking different varieties of apples. The inside cover of this cheerful book is filled with apple facts.

Gentle Black Giants Triumph Books

#1 NATIONAL BESTSELLER * INSTANT NEW YORK TIMES BESTSELLER Following Chris Wallace's "riveting" (The New York Times) and "propulsive" (Time) first book *Countdown 1945* comes a deeply reported, revelatory, and thrillingly told account of the final months of the hunt for Osama bin Laden. On August 27, 2010, three CIA officers ask for a private meeting with CIA Director Leon Panetta. During that secret session, they tell Panetta that agents have tracked a courier with deep Al Qaeda ties to a three-story house at the end of a dead-end street in Abbottabad, Pakistan. But they say it's more than a house—it's a heavily protected fortress. No one in the meeting says the name bin Laden. They don't have to. Everyone understands that finally, after nearly a decade, maybe, just maybe, they've found the world's most wanted man. In *Countdown bin Laden*, celebrated journalist and anchor of Fox News Sunday Chris Wallace delivers a vivid account of the final eight months of intelligence gathering, national security strategizing, and meticulous military planning that leads to the climactic mission when SEAL Team Six closes in on its target. The book delivers new information collected from Wallace's in-depth interviews with more than a dozen central figures, including Admiral William H. McRaven—leader of the operation in Pakistan—as well as CIA Director Panetta, Secretary of State Hillary Rodham Clinton, Defense Secretary Robert Gates, National Security Advisor Tom Donilon, and the SEAL Team Six special operator who kills Osama bin Laden. Wallace also brings to life the human elements of this story, talking to families who lost loved ones on 9/11, sharing what relatives of SEAL Team Six went through, and bringing us inside the tense Situation Room during the raid. *Countdown bin Laden* is a historical thriller filled with intrigue, cinematic action, and fresh reporting about the race to apprehend and bring to justice the mastermind of the most consequential terrorist attack in American history.

Space Age Adventures Createspace Independent Publishing Platform

Lost in Space: Countdown to Danger Vol. 1 is an official graphic novel expansion of the hit Netflix series featuring all-new, original adventures not seen on television. -Hardcover, 4 volume series LOST IN SPACE: COUNTDOWN TO DANGER THE OFFICIAL COMIC BOOK EXPANSION OF THE HIT NETFLIX SERIES The smash-hit rebirth of the beloved sci-fi classic *Lost In Space* continues in this thrilling graphic novel expansion to the series which will take the *Jupiter 2* where it has never been before. 30 years in the future, en route to a distant colony, the Robinson family finds itself thrown off-course when their ship crash-lands on a mysterious and dangerous planet. On this strange new world, they encounter a hostile environment and an enigmatic alien robot. In order to survive, the Robinson family must rely on their training, and they'll discover that no matter how lost they are, their family is their home. Big Data Baseball Flatiron Books

Tony Gwynn spent his entire professional baseball career with the San Diego Padres. He stands second only to Ty Cobb in batting titles and consecutive .300-plus seasons. As a coach, he preached the Gwynn gospel to his players: do it right, do it with class, and respect others and the game. An extrovert with an unforgettable laugh and wry sense of humor, he was often the center of attention. Yet during off-seasons he retreated to Indianapolis to avoid the glare of publicity. He overcame disparities in his personality with an intense focus on preparation and commitment to professionalism, and frequently contributed to community projects. This first full-length biography traces the remarkable career of a first-ballot Hall of Famer.

The Secret of the Santa Box Christmas Coloring Book

Cambridge University Press

A minor league pitcher deals with both the lighter and darker sides of a life at the edge of the pro ranks where he refuses to quit and eventually finds himself playing for the league championship.

Foreign Language - How to Use Modern Technology to Effectively Learn Foreign Languages McFarland

Children love Christmas and children love coloring books. But at a certain age, they also begin to question the truth of Santa Claus, his flying reindeer, and his overnight, world-wide, toy-delivering abilities. Not quite ready to give up the magic of Christmas and not quite able to still believe, parents are faced with the task of revealing the truth of Santa and the real meaning of Christmas. And that's where THE SECRET OF THE SANTA BOX COLORING BOOK comes in. Whether used as a supplement for THE SECRET OF THE SANTA BOX picture book or on its own, the coloring book is a delightful tool for parents to use to explain that the magic of Christmas is in each one of us--a gift from our Savior that is "a love that's more precious than silver or gold." The poem that weaves its way through the coloring book and picture book is by Christopher Fenoglio and illustrated by Elena Makansi. A delightful story written in the same lyrical style as 'Twas the Night Before Christmas, the poem will help parents navigate this difficult time in a fun and loving way, and is a natural transition for children who have outgrown the "Elf on a Shelf" and are ready to move forward to the real meaning of Christmas.

The War for England's Shores Simon and Schuster

During his four years as the tenth Chancellor of Berkeley (2013-17), Nicholas B. Dirks was confronted by crises arguably more challenging than those faced by any other college administrator in the contemporary period. This thoughtfully candid book, emerging from deep reflection on his turbulent time in office, offers not just a gripping insider's account of the febrile politics of his time as Berkeley's leader, but also decades of nuanced reflection on the university's true meaning (at its best, to be an aspirational 'city of intellect'). Dirks wrestles with some of the most urgent questions with which educational leaders are presently having to engage: including topics such as free speech and campus safe spaces, the humanities' contested future, and the real cost and value of liberal arts learning. His visionary intervention - part autobiography, part practical manifesto - is a passionate cri de cœur for structural changes in higher education that are both significant and profound.

The Infinite Tides T&p Books

This book is a compilation of information about modern resources

available to foreign language students. The purpose of this book is to help the reader to correctly select instructional materials and organize independent study of a foreign language. This edition contains recommendations for the use of both traditional methods as well as the latest multimedia technologies. The book gives great attention to vocabulary development - how to correctly study, review, and systematize foreign words. This book will help you determine the main goals and exercises associated with mastering a foreign language. These goals are always there. They simply need to be stated, analyzed, and ordered. In general, systemization and order are two of the main factors in mastering anything new, including foreign languages. When you understand what you want to achieve you will find it much easier to choose a path that will lead to success. Topical dictionary section. This book contains an English-Azerbaijani theme-based dictionary with 1,500 frequently used words that will help you develop basic vocabulary. The dictionary's content is organized by topic. The material is presented in three columns: source word, translation, and transcription. Each topic consists of 50 words grouped into small blocks. You can treat this dictionary as a model for creating your own unified word database. We're confident that this book will help you develop your own effective learning system and give you another boost in this useful and fascinating exercise - learning a foreign language

The Cactus League DC Comics

The only authorized full-color book commemorating Derek Jeter's iconic baseball career with the New York Yankees, featuring archival images and original photos of his final 2014 season from renowned photographer Christopher Anderson. Derek Jeter's twentieth and final season in Major League Baseball truly marks the end of a sports era. The New York Yankees' shortstop—a five-time World Series victor, team captain since 2003, and one of the greatest ballplayers of all time—is a beloved and inspiring role model who displays the indefinable qualities of a champion, on and off the field. Jeter Unfiltered is a powerful collection of never-before-published images taken over the course of Derek's final season. Fans will have unprecedented access to "The Captain," as the famously private baseball legend takes us behind the scenes—inside his home, the stadium, the gym, at his Turn 2 Foundation events, fortieth birthday party, and more—as he looks back with candor and gratitude on his baseball career. The result is an intimate portrait bursting with personality, professionalism, and pride. Jeter Unfiltered is Jeter as you have never seen him before: unguarded, unapologetic...unfiltered.

The Countdown Conspiracy Simon and Schuster
Baseball "by The Book."

Tony Gwynn Simon and Schuster

Between 1927 and 1934, the Philadelphia Royal Giants embarked on several goodwill tours across the Pacific-to Japan, Korea, the Philippines and the Hawaiian Territories. As African-Americans, they were relegated to second-class citizenship in the U.S., but abroad they were treated like kings. Unlike the previous tours of major league stars who ridiculed their opponents through embarrassing defeats, the Royal Giants made the games competitive, dignified and enjoyable for opposing players. In *Gentle Black Giants: A History of Negro Leaguers in Japan*, Kazuo Sayama and Bill Staples, Jr. chronicle the tours of the Royal Giants and demonstrate that without the skill and humanity displayed by the Negro Leaguers, Japanese ballplayers might have become discouraged and lost their love for the game. Instead, the experience of sharing the field with these "gentle, black giants" kept their spirits high and nurtured the seeds for professional baseball to flourish in Japan.

2023 Minor League Baseball AnalystTriumph Books
Legendary Comics

The best resource for projecting future performance of minor league athletes— essential for fantasy league baseball players
The first book of its kind to fully integrate sabermetrics and scouting, the 2023 Minor League Baseball Analyst provides a distinctive brand of analysis for more than 1,000 minor league baseball players. Features include scouting reports for all players, batter skills ratings, pitch repertoires, performance trends, major league equivalents, and expected major league debuts. A complete sabermetric glossary is also included. This one-of-a-kind reference is ideally suited for baseball analysts and those who play in fantasy leagues with farm systems.

The Bleeding Tree Seaforth Publishing

"Space Age Adventures is a guidebook which combines short entertaining stories from spaceflight history with more than 100 adventurous activities/sites across the U.S., including outdoor astronaut training locations, air & space museums, and historic sites for space enthusiasts to visit"--

Lost in Space: Countdown to Danger Rodale Books

What happens when three financial industry whiz kids and certified baseball nuts take over an ailing major league franchise and implement the same strategies that fueled their success on Wall Street? In the case of the 2008 Tampa Bay Rays, an American League championship happens—the culmination of one of the greatest turnarounds in baseball history. In *The Extra 2%*, financial journalist and sportswriter Jonah Keri chronicles the remarkable story of one team's Cinderella journey from divisional doormat to World Series contender. When former Goldman Sachs colleagues Stuart Sternberg and Matthew Silverman assumed control of the Tampa Bay Devil Rays in 2005, it looked as if they were buying the baseball equivalent of a penny stock. But the incoming regime came armed with a master plan: to leverage their skill at trading, valuation, and management to build a model twenty-first-century franchise that could compete with their bigger, stronger, richer rivals—and prevail. Together with "boy genius" general manager Andrew Friedman, the new Rays owners jettisoned the old ways of doing things, substituting their own innovative ideas about employee development, marketing and public relations, and personnel management. They exorcized the "devil" from the team's nickname, developed metrics that let them take advantage of undervalued aspects of the game, like defense, and hired a forward-thinking field manager as dedicated to unconventional strategy as they were. By quantifying the game's intangibles—that extra 2% that separates a winning organization from a losing one—they were able to deliver to Tampa Bay something that Billy Beane's "Moneyball" had never brought to Oakland: an American League pennant. A book about what happens when you apply your business skills to your life's passion, *The Extra 2%* is an informative and entertaining case study for any organization that wants to go from worst to first.

Tokyo Junkie Albert Whitman & Company

Series finale! All good things must come to an end, as we wrap up this run of Batgirl with one final oversized celebratory issue! In the aftermath of "The Joker War," Gotham is left in pieces that need to be picked up by Barbara and Alejo's team-but is Gotham a city worth saving anymore, and how much longer does our girl have it in her to keeping fighting for it as Batgirl? Then, if Barbara is to ever give her relationship with Jason a chance, she knows she has to face him and finally make amends with the act that crippled him.

Countdown 1945 U of Nebraska Press

The clock is relentlessly ticking! Our world teeters on a knife-

edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age. Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastrophic consequences. In the face of both doomsaying and denial over the state of our world, Colin Mason cuts through the rhetoric and reams of conflicting

data to muster the evidence to illustrate a broad picture of the world as it is, and our possible futures. Ultimately his message is clear; we must act decisively, collectively and immediately to alter the trajectory of humanity away from catastrophe. Offering over 100 priorities for immediate action, *The 2030 Spike* serves as a guidebook for humanity through the treacherous minefields and wastelands ahead to a bright, peaceful and prosperous future in which all humans have the opportunity to thrive and build a better civilization. This book is powerful and essential reading for all people concerned with the future of humanity and planet earth.
