**History of Senate and House Bills** CreateSpace

Will Israel and the U.S. be destroyed in or on March 6-7-8,20- 21, 2014-2017 or September 7-8, 19,23, 27, October 15, 31, November 1-2,11, December 6-7, 24-25, Hanukah, March 1, 20-21, 24-25, new or full moon in March-April (April 23-24 of 2014) or Passover, May 10, 19-20, 29, June 5-11, 9-12, 20, 24- 25, 27- 29, and August 1, 10, 28-29 in the years 2013-2019 or 2024- 2026, 2060-2061-3005 and beyond and Muslims, Catholics and Communism and devils in UFO's take over most of the world? Will a great tidal wave hit the U.S. East Coast in 2013-2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2024-2026 and utterly destroy the entire United States if it still around after the war of 2013- 2019? Will the Muslims, communism and Catholics persecute Christians, Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam or Catholicism? Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U.S. are destroyed and no Rapture or end or Second Coming of Christ happened? Several of the Bible prophecies predict God will not make a full end of the U.S., Israel and the world at this time and pockets of people and nations may or may not survive. God may save the U.S., Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers. But if they don't then these events may start to happen. This book was written by December 24, 2013.

of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "The Oxford English Dictionary of holidays." NPR's Planet Money.

*Dreamer Who's Been Extremely Blessed* Bernan Press

Jimi Hendrix, according to The Penguin Encyclopedia of Popular Music, was "without a doubt the most prodigiously original, inventive and influential guitarist of the rock era". He died on 18 September 1970. Monika Dannemann had been his fiancée for nearly two years; she was with him when he died. The Inner World of Jimi Hendrix is Monika's tribute to her lost love: a beautifully designed, exquisitely executed gallery of her original oil paintings, inspired by Jimi's songs, and reflecting his spirit. All are reproduced in full colour, and each is accompanied by an explanatory commentary expressing some of Jimi's innermost thoughts about his music, life, death, love and spirituality as revealed by him to Monika. In separate sections the author writes candidly, and very movingly, about her time with Jimi, their relationship, his last days, and his tragically premature death at the age of only twenty-seven. For the first time ever she discloses the full truth about the circumstances surrounding his death, and recounts in detail the distressing months that followed as the facts were continually manipulated and distorted, especially by the media. Published to coincide with the twenty-fifth anniversary of his death, The Inner World of Jimi Hendrix also includes a sequence of previously unpublished colour photographs of Jimi, taken by Monika the day before he died.

[Eugene Lesser's Sports Birthdays](#) Rowman & Littlefield

George Brown (1818-1880) was the influential editor of the Toronto Globe, the most powerful newspaper in British North America. He was also leader of the Liberal Party, arch-rival of John A. Macdonald, and the statesman who held the key to Confederation at its most critical stage. This second volume traces the sectional conflict that brought political deadlock by 1864 and makes clear Brown's vital function in finding a way out. It also sets out in meticulous detail his career after leaving party membership in 1867. This comprehensive two-volume biography of George Brown was first published in 1959 (volume 1) and 1963 (volume 2). In 1963, Professor Careless received the Governor General's Award for the full biography.

**Friends Disappear** Rowman & Littlefield

Edgar Frances Poree Jr., a lifelong resident of Louisiana, looks back at his struggles, disappointments, and successes in this memoir that examines the African American experience in the South. As a Black male, he dealt with deeply rooted prejudices, religious discrimination, and conflict with older members of the Black community. He constantly faced inner turmoil, but he remained steadfast in his focus to achieve his goals and navigate the transition from segregation to integration. Poree learned to be resourceful early, convincing the owner of a nearby grocery store to give him a job cleaning the store and organizing the shelves. He went on to start his own business polishing hardwood floors while in the seventh grade. His love for music eventually helped him earn a scholarship at Xavier University in New Orleans, and from there he was on his way. From his teaching career to his successes as a business executive and civic leader, Poree shares his memories of real people, real places, and real divisions. His hope is that you'll be emboldened, encouraged and inspired to achieve your own dreams.

Saint cards, statues, and medals. Saint posters, tee shirts, and costumes. Even saint apps and Facebook pages. Who are these saints and why do they matter to me? Who decided they were "saint-worthy" in the first place? Why aren't there more present day saints? Now, everything you always wanted to know about saints - and some things you didn't know you wanted to know - all in this fun and handy book that is perfect for families, teachers, catechists and everyone hoping to grow in their faith with the help of these holy hall of famers! You'll be fascinated and delighted by topics such as: Just Four Easy (Sort of) Steps: The Canonization Process "Doesn't He Just Glow? Saints' Symbols "There's a Man Buried under the Altar!" Relics of Saints "Holy Haloes, God-Made Man!" Saints and Martyrs as Superheroes "Yo-ho-ho!" The Treasure Chest of the Church And much more! Let Patricia Kasten help clear up canonization, demystify monastics and unriddle relics in Making Sense of Saints!

**The Complete Guide to Crystal Astrology** Rowman & Littlefield

Many visitors flock to Plymouth, Massachusetts, each year to view the historic landing spot of the Pilgrims. Three blocks from Plymouth Rock is Congregation Beth Jacob's synagogue. For more than a century, the Jewish community of this coastal New England town has flourished. Even before the establishment of the synagogue, built in 1912-13, Plymouth's history was shaped by the Jewish culture. Many colonial New England laws were derived from the Old Testament. The grave marker of famed Governor William Bradford bears an inscription in Hebrew that reads, "The Lord is the help of

my life." Historian Karin J. Goldstein reveals the lasting impact of the Jewish community on Plymouth's history and the ways in which it still informs the town's unique identity today.

**Congressional Record** AuthorHouse

A sociologist returns to her suburban Illinois hometown to compare the paths of black and white childhood friends in a "fascinating" mix of study and memoir (Chicago Tribune). Mary Barr thinks a lot about the old photograph on her refrigerator door. In it, she and a dozen or so friends from the Chicago suburb of Evanston sit on a porch. It's 1974, the summer after they graduated from Nichols Middle School, and what strikes her immediately—aside from the Soul Train-era clothes—is the diversity of the group: boys and girls, black and white, in the variety of poses you'd expect from a bunch of friends on the verge of high school. But the photo also speaks to the history of Evanston, to integration, and to the ways that those in the picture experienced and remembered growing up in a place that many at that time considered to be a racial utopia. In *Friends Disappear*, Barr goes back to her old neighborhood and pieces together a history of Evanston with a particular emphasis on its neighborhoods, its schools, and its work life. She finds that there is a detrimental myth of integration surrounding Evanston despite bountiful evidence of actual segregation, both in the archives and from the life stories of her subjects. Curiously, the city's own desegregation plan is partly to blame. The initiative called for the redistribution of students from an all-black elementary school to institutions situated in white neighborhoods. That, however, required busing, and between the tensions it generated and obvious markers of class difference, the racial divide, far from being closed, was widened. *Friends Disappear* highlights how racial divides limited the life chances of blacks while providing opportunities for whites, and offers an insider's perspective on the social practices that doled out benefits and penalties based on race—despite attempts to integrate. "Barr's gripping exploration of the divergent paths friends took away from a childhood snapshot combines the rigor of scholarship with the personal touch of memoir. I have rarely read a book that so effectively illustrates the persistence of racial disparities in the United States with unforgettable, wrenching life stories." —Amanda Seligman, University of Wisconsin-Milwaukee Honorable Mention, Midwest Sociological Society Distinguished Book Award

**The Seven Thunders** iUniverse

This collector's edition of *Birthdays of the Rich and Famous* helps us look at the men and women in history who have spent a lifetime to achieve excellence in whatever field or carriers chosen, as we acknowledge them and honor their participation towards service.
