Kindergarten Math Workbook MATH KINDERGARTEN WORKBOOK Looking for kinder

educational workbooks? We've got you covered! Kindergarten Math Workbook Give your child a head start with our latest kinder learning book that teaches the basics of math to kids. Kindergarten Math Workbook complete series is Fully packed with 300 or more bright, kid amicable representations that fortify the exercises and make learning fun. It covers the kindergarten educational program including learning basic mathematical skills such as number recognition, reading readiness, addition and subtraction, decomposing numbers, telling time, money and more. We've put together a variety of different activities that are both fun and educational! We've got little ones ourselves and know how important (and difficult!) it is to keep their attention! Why You'll Love this

Book Preparation. Let us help you prepare your young children for the next grade level with our workbooks activities such as "Color and Trace the Numbers" and "Adding up shapes and pictures " are a few of the fun activities that inspire learning! Colorful and inspiring themes. Using our kids workbooks is a great way to improve learning. Writing by hand, as opposed to typing on a computer, fires up specific areas of a child's brain, improving their ability to not only remember what he or she learns but to think of new ideas. All of the activities involve a variety of magical creatures and animals to keep your child engaged. About Ford Press Ford Press is an Educational publishing company! We are passionate about creating cute and practical books for kids! and always treat

our kids educational development as a priority
