Rex Feral kills for hire. Some consider him a criminal. Others think him a hero. In truth, he is a lethal weapon aimed at those he hunts. He is a last recourse in these times when laws are so twisted that justice goes unserved. He is a man who feels no twinge of guilt at doing his job. He is a professional killer. Learn how a pro gets assignments, creates a false identity, maizes a disposable silencer, leaves the scene without a trace, watches his mark unobserved and more. Feral reveals how to get in, do the job and get out without getting caught.

Grab your friends and get cooking in the land of Ooo with *Adventure Time: The Official Cookbook*, featuring recipes from all your favorite characters and kingdoms. In the Founders' Island Library, Finn discovered the remains of an old cookbook filled with dishes such as "lasagna" and "boiled eggs." And he was pretty sure that the cookbook had belonged to his mom at some point. Weird. But a lot of the pages had been lost to the cruel sands of time. So Finn took it upon himself to fill up the book with as many crazy delicious food ideas as he could. And since that only filled around six pages, he recruited Jake, Marceline, Princess Bubblegum, and the other citizens of Ooo to help complete the cookbook. There was pouring! There was mixing! There was a pasta-related Wizard Battle! Are you ready to feast your eyes and prepare your stomach for the most awesome, most delicious meals this side of the Candy Kingdom? Grab your friends and start cooking, Ooo-style, with *Adventure Time: The Official Cookbook*.

Getting Started with the micro:bit ABRAMS

The micro:bit, a tiny computer being distributed by the BBC to students all over the UK, is now available for anyone to purchase and play with. Its small size and low power requirements make it an ideal project platform for hobbyists and makers. You don't have to be limited by the web-based programming solutions, however: the hardware on the board is deceptively powerful, and this book will teach you how to really harness the power of the micro:bit. You'll learn about sensors, Bluetooth communications,

and embedded operating systems, and along the way you'll develop an understanding of the next big thing in computers: the Internet of Things.

It had seemed so simple. Get in, get the information, get out. But now they were getting inside her mind and she didn't know how to stop them... When Detective Kim Stone is called to the home of Samantha Brown, she finds the young woman lying in bed with her throat cut and a knife in her hand. With no sign of forced entry or struggle, Kim rules her death a tragic suicide. But a visit to Samantha's parents ring alarm bells for Kim - there's something they're not telling her. And, when she spots a clue in a photograph, Kim realises she's made a huge mistake. Samantha didn't take her own life, she was murdered. Then a young man's body is found in a local lake with his throat cut and Kim makes a link between the victim and Samantha. They both spent time at Unity Farm, a retreat for people seeking an alternative way of life. Beneath the retreat's cosy façade, Kim and her team uncover a sinister community preying on the emotionally vulnerable. Sending one of her own undercover into Unity Farm is high risk but it's Kim's only hope if she is to catch a killer - someone Kim is

convinced the victims knew and trusted. With Bryant distracted by the emergence of a harrowing case close to his heart, and an undercover officer in way over her head, Kim's neck is on the line like never before. Can she protect those closest to her before another life is taken? An unbelievably gripping crime thriller from multi-million copy bestseller Angela Marsons that will have you hooked on the Detective Kim Stone series. Read what everyone is saying about the Detective Kim Stone series: 'Marsons for me is the QUEEN of this genre. She knows how to add the human touch to each story and I just adore her. Bloody FABULOUS.' Postcard Reviews 'The uber-sharp Kim Stone has to be one of the best detectives out there.' Bookpreneur 'D.I. Kim Stone is the most fascinating character to arrive on the scene since Val McDermid gave us Tony Hill.' Mark Edwards 'Just wow. This is police procedural at its best...It is complex, intriguing, and the writing hooked me in completely.' Rachel's Random Reads 'Her plots are slick, her writing intelligent, and her characters are like family... It's a sign of a phenomenal author to be able to create that connection between reader and character.' Emma the Little Book Worm 'The Kim Stone series is one of the best crime series ever written.' Finally we're playing a game. A game that I have chosen. I give one last push of the roundabout and stand back. 'You really should have played with me,' I tell her again although I know she can no longer hear. Late one summer evening, Detective Kim Stone arrives at Haden Hill Park to the scene of a horrific crime: a woman in her sixties tied to a swing with barbed wire and an X carved into the back of her neck. The victim, Belinda Evans, was a retired college Professor of Child Psychology. As Kim and her team search her home, they find an overnight bag packed and begin to unravel a complex relationship between Belinda and her sister Veronica. Then two more bodies are found bearing the same distinctive markings, and Kim knows she is on the hunt for a ritualistic serial killer. Linking the victims, Kim discovers they were involved in annual tournaments for gifted children and were on their way to the next event. With DS Penn immersed in the murder case of a young man, Kim and her team are already stretched and up against one of the most ruthless killers they've ever encountered. The clues lie in investigating every child who attended the tournaments, dating back decades. Faced with hundreds of potential leads and a bereaved sister who is refusing to talk, can Kim get inside the mind of a killer and stop another

murder before it's too late? The addictive new crime thriller from multi-million copy, number one bestseller Angela Marsons explores the dark side of child prodigies and will have you absolutely hooked. Read what everyone is saying about Child's Play: 'The must-read thriller for the year. Fabulous characters and well written. I can't wait to read more by this author.' Goodreads Reviewer [REDACTED] 'I have nothing but praise for this amazing series, 11 books and counting and the series keeps getting better with each instalment. I highly recommend this series to all fans of original high -quality mystery thrillers.' Bookish [REDACTED] 'Angela Marsons pushes the limits again to bring us the best of crime fiction! To me, reaching a point where you trust an author this much with your precious time, is invaluable... This is why finding your happy place, your go-to people, your - rather deadly - dreamland is the best feeling in the world and I must thank Angela Marsons for never letting me down...' Chocolate'n'Waffles [REDACTED] 'Loved loved this book, Angela has done it again, just brilliant. This story is great pulls you in from the first page and never lets go...Get it, read it, you won't be disappointed.' Goodreads Reviewer, [REDACTED] 'The quality of Angela Marsons writing has never diminished over the entire series. The release of a Kim Stone novel is an event to look forward to. Full of engaging characters and humour this series is fast becoming one of my favourites. I wish I could give it more than 5 stars because it certainly deserves it. Excellent and I happily recommend it and the series to anyone.' Goodreads Reviewer [REDACTED] 'Superb!!... one of the best openings to a book I have read...DI Kim Stone is one of my favourite all time characters in this genre... This is one of the best books in the series and as this is already book 11 in the

series that says a lot as not a lot of authors can keep producing books this strong and so well written - very, very highly recommended!!' Donnasbookblog [REDACTED] 'Wow, Wow, Wow, Wow Wow!!! How did I not see any of that coming!...I could barely put the book down...' Rachel's Random Reads [REDACTED] 'Marsons for me is the QUEEN of this genre. An American detective in Ireland becomes entangled in international intrigue: "Excellent" (Peter Eichstaedt, award winning author of *Borderland*). Hard-boiled private detective and former muckraking journalist Max Blake, along with his fearless fiancée Caeli Brown, are back in action in their newly adopted Irish homeland. A favor to a new friend who works with the Irish police brings them out of retirement to solve a series of thefts at Bunratty Castle and Folk Park, which cater to the tourist crowd. But their first encounter with the thief is merely a dangerous springboard for what's truly going on in their little patch of the Emerald Isle. Before long, they're being followed, accosted, threatened, and then shot at when a mysterious woman shakes loose from her shopping cart and produces a 9mm pistol—all to

keep a global plot under wraps while the countdown to true mayhem begins. Tick tick tick . . .

Race Tech's Motorcycle Suspension Bible SAGE Publications
Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must

understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.
