From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm

way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Frequently Asked Questions What is the Fundamentals of Forensic Accounting Certificate Program? Developed by the AICPA, this certificate program is specially designed to help accountants and others 1) build the knowledge needed to gain a basic understanding of the field of forensic accounting, 2) earn CPE credits needed to meet the 75-hour education requirement for the Certified in Financial Forensics (CFF) credential, or 3) earn CPE credits needed to maintain the CFF credential. Why should I participate? Certificate holders will learn or be refreshed on the core material in professional standards that applies to forensic engagements. The program provides participants with a solid understanding of how to work within the court system when engaged as a forensic accountant. With information provided by subject matter experts from each of the specialization areas, participants are provided first-hand knowledge that guides them through solid investigation, documentation, reporting and other required skills. A series of 20 courses takes you through the "best practices" styles for performing an engagement. These knowledge and skills are necessary for an accountant and others who are considering entering or are already in the field of forensic

accounting. Is the certificate program available to both CPAs and other accounting professionals who are not CPAs? Yes. The courses that comprise the Fundamentals of Forensic Accounting Certificate Program curriculum are available for CPAs, CAs and other accounting professionals who do not have one of these credentials or their equivalent. What level of knowledge should I possess prior to starting the certificate program? All individuals pursuing the Forensic Accounting Certificate of Achievement should possess a base knowledge of AICPA Auditing Standards. What course topics are included in the curriculum? The certificate program includes 19 required modules, including: 3 Fundamental modules, 6 Forensic Engagement modules, and 10 Specialized Knowledge modules. In total, the program provides 21.5 CPE hours at a basic level. Visit [AICPAStore.com/forensic](http://AICPAStore.com/forensic) for a list of modules included in the program. All modules will be approximately 50-minutes long and provide individual CPE credit upon successful completion of the end-of-module exam. Some modules may be longer than 50 minutes, as required by the depth or complexity of the content, with a maximum length of 2 hours. How long will it take me to complete all of courses of the Fundamentals of Forensic Accounting Certificate Program? This varies from individual to individual and is completely dependent upon the time the participant allocates to completing the coursework. There is a commitment of 21.5 required hours to successfully complete the program. What period of time do I have to complete the entire curriculum? Once you enter the program you have twenty-four (24) months from the date of purchase. You are encouraged to complete the program within a twelve (12) month period or less. Once I complete the curriculum and obtain my Forensic Accounting Certificate of Achievement, is there a time period for which it is "active?" No. The Forensic Accounting Certificate is not a professional credential or license. It is evidence of successful completion of a required course curriculum as of a point in time. As a result, it has no period for which it is deemed "active" or in-force. Am I required to obtain a certain number of CPE credits annually for the certificate to remain current and active? No. The Forensic Accounting Certificate of Achievement is not a professional credential or license. It is evidence of successful completion of a required course curriculum as of a point in time. As a result, it has no period for which it is deemed "active" or in-force. If I am a CPA, will I receive CPE credit toward

my CPA license if I take this program? Yes, all of the courses in the Fundamentals of Forensic Accounting Certificate Program will qualify for CPE credit. The AICPA is a NASBA-approved provider of CPE. How many credits of CPE will I receive if I earn the certificate? Completing the curriculum will result in earning 21.5 credits. All of these credit hours will qualify for CPE credit and can count toward meeting your state's CPE requirements. Will the CPE credit satisfy my requirements for CMA, CIA or other certifications? The courses in the Fundamentals of Forensic Accounting Certificate Program will be classified as Accounting for purposes of granting CPE credits. As with other AICPA courses that are approved for other certifications, we fully expect the Forensic Accounting Certificate courses will satisfy those requirements. To be certain, please check with the organization that issues your CMA, CIA or other certifications. If I am unable to complete the entire Fundamentals of Forensic Accounting Certificate Program, will I receive CPE credit for the courses I do complete? Yes. The courses are offered individually, so you will earn NASBA QAS CPE credit for each course you take and successfully complete the exam. You are not required to complete the entire program to earn CPE credit. However, you must successfully complete the exam for all required courses in the entire program in order to receive the Forensic Accounting Certificate of Achievement. I have prior experience in working with forensic accounting. Will I be allowed to test out of certain courses while still earning the certificate? Actual completion of the courses is required to earn the Forensic Accounting Certificate. CPE credit will be awarded for the courses, and the CPE standards do not allow for "testing out of" a course as a way to earn credit. Is the entire program fixed, or are their elective courses I can select from in earning the certificate? The curriculum for the Forensic Accounting Certificate is fixed. It is designed to provide participants with a solid understanding of knowledge required to perform forensic accounting engagements. In order to receive the Forensic Accountant Certificate of Achievement all required modules must be completed. What are the systems requirements for the e-learning portion of the program? Please review the information on the System Requirements tab for this product for complete information on minimum operating system and browser requirements. I am already proficient in forensic accounting but would like to learn

more about a few select topics that are specific to my job. Can I purchase individual titles in the Fundamentals of Forensic Accounting Certificate Program separately? Yes. Courses in the Certificate Program may be purchased individually. If you decide that you would like to enroll in the full Certificate Program after purchasing one or more individual courses, credit for those courses may be applied to the purchase amount of the full program as long as they have been purchased within one year of enrolling in the full program. Please call the AICPA service center at 888.777.7077 for more information. Can credits earned in the Fundamentals of Forensic Accounting Certificate Program be applied towards the 75-hour minimum CPE requirement to apply for the Certified in Financial Forensics (CFF) Credential? Yes. Courses in the Certificate Program can be applied toward the requirement to apply for the credential as well as the ongoing education requirement. When will I receive a hard copy of my certificate? You will receive your certificate in the mail 6-8 weeks after completing the program.

The Intermediate Employee Benefit Plans Audit Certificate exam tests your knowledge related to auditing employee benefit plans, including defined contribution, defined benefit, and health and welfare plans, in accordance with AICPA standards and DOL rules and regulations. This exam is offered in a timed online format and consists of 100 multiple choice questions. In order to successfully pass the examination, you must understand and apply the core concepts related to client acceptance, engagement planning, engagement analysis, concluding an engagement and guiding principles for employee benefit plan audits. Some of the topics that will be tested on the exam include: Planning and general

procedures Internal control Investments and investment issues Types of plans Key compliance elements Limited scope issues Financial statement presentation, disclosure, and regulatory reporting Online Access Instructions A personal pin code is enclosed in the physical packaging that may be activated online upon receipt. Once activated, you will gain immediate online access to the product. Your Certificate and Digital Badge After passing the exam, you will be awarded with a certificate in the form of a digital badge. Digital badges allow you to distinguish yourself in the marketplace and show your commitment to quality. The badge can be posted to your social media profiles and linked to your resume or email signature, providing maximum visibility to your achievement. You will receive your official score and certificate or retake information 5 business days after completing the exam. Important note: Your exam purchase entitles you to one exam and one re-take if you do not pass the exam. Prior to using your re-take, the AICPA recommends you study any topics identified in your initial exam results. If you do not pass either the initial exam or the re-take, you must purchase the exam again, in order to take it again. Exams passed outside of these purchase and re-take rules will not result in the issuing of a digital badge. If you have any questions regarding the completion of your exam or re-take, please contact [digitalbadge@aicpa.org](mailto:digitalbadge@aicpa.org) to verify your results. By making this purchase, you must understand and agree that the AICPA has the absolute and unrestricted right to revoke or suspend any rights to use the digital badge image, or any representation thereof, if you are (a) convicted of any crime punishable by more than one year in prison or for any crime related to dishonesty, or (b) disciplined by any governmental or non-governmental authority that regulates, or enforces a code of conduct related to, your professional activities, including but not limited to, a state board of accountancy, AICPA, IRS, SEC, or PCAOB, or (c) a peer reviewer restricted from performing peer reviews by the Peer Review Program.
