The Rough Guide to France (Travel Guide eBook) Crown

Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca In his essay "On Anger" (De Ira), the Roman Stoic thinker Seneca (c. 4 BC–65 AD) argues that anger is the most destructive passion: "No plague has cost the human race more dear." This was proved by his own life, which he barely preserved under one wrathful emperor, Caligula, and lost under a second, Nero. This splendid new translation of essential selections from "On Anger," presented with an enlightening introduction and the original Latin on facing pages, offers readers a timeless guide to avoiding and managing anger. It vividly illustrates why the emotion is so dangerous and why controlling it would bring vast benefits to individuals and society. Drawing on his great arsenal of rhetoric, including historical examples (especially from Caligula's horrific reign), anecdotes, quips, and soaring flights of eloquence, Seneca builds his case against anger with mounting intensity. Like a fire-and-brimstone preacher, he paints a grim picture of the moral perils to which anger exposes us, tracing nearly all the world's evils to this one toxic source. But he then uplifts us with a beatific vision of the alternate path, a path of forgiveness and compassion that resonates with

Christian and Buddhist ethics. Seneca's thoughts on anger have never been more relevant than today, when uncivil discourse has increasingly infected public debate. Whether seeking personal growth or political renewal, readers will find, in Seneca's wisdom, a valuable antidote to the ills of an angry age.

A Guide to Family Devotion Morgan James Publishing

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Rough Guide to Sydney Group Publishing (Company)

As we get caught up in the quagmire of Big Data and analytics, it remains critically important to be able to reflect and apply insights, experience, and intuition to your decision-making process. In fact, a recent research study at Tel Aviv University found that executives who relied on their intuition were 90 percent accurate in their decisions. Bu

The Rough Guide to Tanzania Jessica Kingsley Publishers

"Game Feel" exposes "feel" as a hidden language in game design that no one has fully articulated yet. The language

could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks where game design is concerned. They create the meta-sensation of involvement with a game. The understanding of how game designers create feel, and affect feel are only partially understood by most in the field and tends to be overlooked as a method or course of study, yet a game's feel is central to a game's success. This book brings the subject of feel to light by consolidating existing theories into a cohesive book. The book covers topics like the role of sound, ancillary indicators, the importance of metaphor, how people perceive things, and a brief history of feel in games. The associated web site contains a playset with ready-made tools to design feel in games, six key components to creating virtual sensation. There's a play palette too, so the designer can first experience the importance of that component by altering variables and feeling the results. The playset allows the reader to experience each of the sensations described in the book, and then allows them to apply them to their own projects. Creating game feel without having to program, essentially. The final version of the playset will have enough flexibility that the reader will be able to use it as a companion to the exercises in the book, working through each one to create the feel described.

Beechmont Crest Pub

Start working on your financial independence, with help from the Money Queen! Named one of the "Top 10 Books to Make You Rich" by Daily Worth Are

you a material girl? The truth is that, as women, we all have a unique relationship with money. We strive for financial security to support our family, ensure we can retire comfortably, create independence separate from our partners, and along the way, buy some nice purses. As much as we are motivated to make money, we often do not consider the crucial relationship between what we do today and how it will impact our life tomorrow. Covering life stages from your Roaring Twenties and Thrifty Thirties all the way to your (hopefully) Smooth Sixties and beyond, The Money Queen's Guide will work to guide you through each of these financial decades and provide insight and detailed guidance into the steps you can take, and the decisions you should make to build a financially responsible future. Financial security is an exciting journey we can take together. So pack your purse and get ready for the ride . . .

Model Rules of Professional Conduct Rough Guides

Now in its fourteenth edition, The Rough Guide to France is brimming with carefully curated information and inspiration to help you squeeze every last drop out of your Gallic gallivanting. Whether it's making like a movie star in Cannes, following in Jeanne d'Arc's footsteps in medieval Rouen, cycling the Loire châteaux, brushing up on Impressionism or hitting Corsica's rugged GR20 hiking trail, Rough Guides' expert insights and gorgeous photos give you everything you need to embark on your Francophile dream. And with France being the world's gastronomic capital, we've got the lowdown on all the foodie fun, from Parisian neo-bistros and Lyon bouchons to champagne-quaffing in Épernay and Périgord's hearty country cooking. Full-colour maps throughout - at

regional and city level - ensure you won't lose your way, however dazzled you are by France's riches. There are also suggested itineraries to help with planning, plus in-depth sections of illuminating historical context and cultural background. Make the most of your holiday with *The Rough Guide to France*.

Medieval LEGO takes you through real English history in the middle ages with a unique twist, with every event illustrated by a tiny little LEGO scene. With contributions by medievalists and scholars, this book brings medieval history to life in a fun, kid-friendly way. Inside, you'll learn about events like the Battle of Hastings, the chartering of Oxford University, and the signing of the Magna Carta. You'll witness the infamous Black Death, and the Great Famine, and you'll read about famous historical figures like Robin Hood, Richard the Lionheart, Geoffrey Chaucer, and William the Conqueror. Grab your broadsword and turn the page to join the adventure.

Believe - The Little Guide to Ted Lasso CRC Press

Co-written with psychologists and a college student who has experienced anxiety herself, this is a relatable and straightforward guide to managing worry in emerging adulthood. As well as providing tried-and-tested advice and exercises that are proven to reduce feelings of anxiety, it includes recovery stories from people who have managed their symptoms successfully. It begins with what is difficult and challenging about young adulthood and how you can

deal with uncertainty in life. It goes on to examine change and challenges, giving tips about what can help in specific scenarios such as exams, relationships, leaving home and interviews. The guide also includes strategies and techniques for coping with panic attacks; self-care; and calming your mind. The guide uses a range of evidence-based approaches, including CBT, DBT, Compassion Focused Approaches and Mindfulness so you can work out the techniques that are best for you. The signposting included throughout guides young adults towards further support. This is essential reading for any young person experiencing anxiety, worry or going through a difficult transition or stressful experience.

Done Wilderness Adventures Press

Reinforce your understanding of radiation therapy and prepare for the Registry exam! *Mosby's Radiation Therapy Study Guide and Exam Review* is both a study companion for *Principles and Practice of Radiation Therapy*, by Charles Washington and Dennis Leaver, and a superior review for the certification exam offered by the American Registry for Radiologic Technology (ARRT). An easy-to-read format simplifies study by presenting information in concise bullets and tables. Over 1,000 review questions are included. Written by radiation therapy expert Leia Levy, with contributions by other radiation therapy educators and clinicians, this study tool provides everything you need to prepare for the ARRT Radiation Therapy Certification Exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Over 1000 multiple-choice questions in

Registry format are provided in the text, allowing you to both study and simulate the actual exam experience. Focus questions and key information in tables make it easy to find and remember information for the exam. Review exercises reinforce learning with a variety of question formats to fit different learning styles. Questions are organized by ARRT content categories and are available in study mode with immediate feedback after each question, or in exam mode, which simulates the test-taking experience in a timed environment with ARRT exam-style questions.

Insider's Guide to Egg Donation Rough Guides UK

The phenomenon that is Ted Lasso is not going away any time soon. This super-funny show about an American coach who comes to England to run a Premier League football team has captured the hearts of television watchers around the world – as well as caught the eye of critics and prize-givers worldwide. Perhaps it is the feel-good nature of the show and its timing that has seen it awarded Emmy awards aplenty, as well as many others. But it's more likely that such a funny, sharply scripted, brilliantly delivered comedy of manners, nationality, rationality, relationships and inspiration about someone who is so fundamentally decent and willing to help others, has mass appeal and critical acclaim. The third series is much anticipated, with Apple TV+ declaring that it will be out in 2022. Believe contains amusing quotes from the show, including many classic one-liners from Ted and the rest of the brilliant cast, as well as fun facts and stats about the actors, characters, writers and producers. Not to mention tea, scones and soccer. So let's quit goofing around and get on with it... Whistle! Whistle!

SAMPLE QUOTE: 'I think I literally have a better understanding of who killed

Kennedy than what is offside.' - Ted Lasso

SAMPLE FACT: Ted Lasso first appeared in a series of short NBC Sports promos featuring Jason Sudeikis in 2013.
