About the Book In November 2017, while I received a treatment from Christoph, my osteopath, we were also talking about Angels. In addition, the room was filled with Angels and they were very present. I could feel and sometimes see them. Suddenly he smiled at me and asked "Is it actually cool to be an Angel?" I looked at him surprised about that question and had no idea how to answer. But his Guardian Angel was all smiles. So I thought instead of answering that question myself, I am going to interview a few angels and see what they have to say. The first Angels I interviewed were one of Christoph's Guardian Angels and one of my Guardian Angels. They volunteered. And then the interviews took on a life of their own. For about 40 days Archangels, Angels and Guardian Angels stepped forward to be interviewed. I didn't decide who came at what day. I received the names and interview dates a few days before each interview. And then I would just prepare myself, open up and be the interviewer and the channel. Part one of this book contains 33 interviews with Angels, Archangels and two Guardian Angels. The initial question for each interview is always the same: "Is it cool to be an Angel?" While each Angel shares their own reasons why they find it cool to be an Angel, they also share much more about themselves. Each Angel explains who they are, what their tasks are, what they are doing on Earth, how they can help you and when and how you can call on them. Some interviews are also quite funny. Angels do have humor. Part two of the book contains a message from all Guardian Angels addressed to all humans on planet Earth. I received this channeling just before Christmas 2017. During the time of the interviews I also received a lot of questions from people about Angels and Guardian Angels. Again, I didn't answer those questions myself. I asked two Guardian Angels to do a Q&A with me. Because of the large number of questions I did three Q&A's with them. These Q&A's are part three of the book. About the Author I'm Antje Roggemann. I'm a Medium and a Channel. I am clairvoyant, clairaudient, claircognizant and clairsentient. I connect with Angels, Archangels, Ascended Masters and other light beings on a daily basis. I also connect with deceased loved ones. And I am a mother of 6 children in Heaven which have been a big part of my journey to being a medium. Today I work as a Medium and a Channel. I offer Angel Card Readings, Guardian Angel Channelings and two online courses: Energy & Clutter Clearing Course and Working With Archangels Course. Energy Clearing, trauma and trauma release as well as Angels, Archangels and Ascended Masters are a huge part of my journey. It is my passion today to share and teach what I have learned and

am still learning every day. It is my passion to channel messages for you and share them.

The purpose of this book is to experience and gain revelation concerning the faithfulness of God and the power of his Holy Spirit once we get into the word of God and set time aside with prayer, fasting, with praise and worship. We must understand that God has a purpose and a plan for our lives, but in order to know what that is, we must get to know him and allow the worries of our lives to be turned over to God and allow the Holy Spirit to come in and comfort us, and the blood of Jesus to cleanse us from our sins. . This book allows us to know that we are in a time where we are crying out to God concerning our health, wealth and relationships these areas of our life is being attacked by the enemy, and sometimes it may seem as if God is not responding to our cries. The Holy Spirit is a part of our lives and he is there to intercede for us when we do not know what to say concerning our live issues. Praying in our heavenly language daily and meditating on the word of God is a way that God can and will answer us when we call upon him. When we are feeling left alone with sickness and disease plaguing our body, and there seems to be no relief in sight for us. God is our relief and the answer to the sickness and disease, health, wealth, and relationship issues that we face, through the blood of Jesus. "[An] excellent overview of the child welfare system . . . Most importantly, [the author] provides a discussion of how to create true change." —Tina Lee, author of *Catching a Case: Inequality and Fear in New York City's Child Welfare System* A groundbreaking look at the history and politics of the American child welfare system, "When the Welfare People Come" exposes the system in its totality, from child protective investigation to foster care and mandated services, arguing that it constitutes a mechanism of control exerted over poor and working class parents and children. Applying the Marxist framework of social reproduction theory to the child welfare system, the author, an attorney who has practiced in the area of child welfare for more than twenty years, reveals the system's role in the regulation of

family life under capitalism. "This book's description and analysis of child welfare is terrific. Though I've worked in the field of child welfare for four decades, I learned not only new information but also found new, resonant analyses." —David Tobis, PhD, Author of *From Pariahs to Partners: How Parents and Their Allies Changed New York City's Child Welfare System*

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Brooklyn Tabernacle, a church I had pastored, was a shabby two-story building in the middle of a downtown block on Atlantic Avenue. The sanctuary could hold fewer than two hundred people, but we didn't have the money to improve it. #2 I was not qualified to be a minister, but my wife, Carol, was a gifted organist and pianist, so I got through it by relying on her talent. We moved to New Jersey, and somehow we made it through that first year. #3 I was asked to preach at the multiracial Brooklyn Tabernacle, another church my father-in-law supervised. The atmosphere was tense, and the worship style was chaotic. I sensed that the church had big problems. #4 The church's first mortgage payment was due at the end of the month. The checking account showed that they would default right off the bat. I prayed to God, and he answered my prayers by sending two \$50 bills through the mail.

Poetry. Memoir. We Didn't Come Here For This is a triumph. Patrick's best and strongest work yet. I couldn't put it down -- the narrative is riveting. The form and technique are masterful, and the poems very moving. I congratulate Bill Patrickz on a wonderful achievement (Richard Selzer). This memoir in verse chronicles the author's life from his birth through his childhood and youth.

William Patrick has taught creative writing at numerous schools, and is currently teaching for The Writers Voice in Silver Bay, New York, and for Alternative Literary Programs.

John Tamberlain is The Tomahawk, the universe's most feared food critic - though he himself prefers the term 'forensic gastronomer'. He's on a quest, in search of the much-storied Hotel Grand Skies, a secretive and exclusive haven where the rich and famous retreat to bask in perfect seclusion. A place where the waiters know their fish knife from their butter knife, their carotid from their subclavian artery, and are trained to enforce the house rules with brutal efficiency. Blurring the lines between detective story, horror and sci-fi, *Hunters & Collectors* is a mesmerizing trip into the singular imagination of M. Suddain - a freewheeling talent whose poise, invention and sensational sentences have already earned him comparisons to Vonnegut, Pynchon and Douglas Adams.

Troubles and difficulties are inevitable. No one is exempt from pain. Answers are not only sought to relieve pain but to provide a reason for the existence of the problem. The answer to any given trouble is often not quickly found no matter how hard one looks. This book is written from the perspective of God's loving desire to answer our many questions. Personal experiences, scriptural directives, and the testimonies of those who have lived and received God's answers are presented for the seeker. The Book of Easy Answers will promote hope and will bring welcome encouragement because the answers come from a loving God. Endorsement: In an age of the internet "clickbait" and fake news, what we need is not more self-help or sensationalized supernaturalism, but practical truth presented clearly and engagingly. "The Book of Easy Answers" clearly lays out for every Christian the basis of the hope that we have in Christ, and how He is indeed all that we need in every situation. Through authentic anecdotes, sound exegesis, and an examination of historical and cultural contexts, John and Kerry show us how and why we should turn our head knowledge into true, simple, heart-converted faith. It is my honor to endorse "The Book of Easy Answers," and my pleasure to wholeheartedly recommend it as a resource for every believer who needs easy answers to life's difficult questions. - Elvin Foong, Founder / Director, The Treasure Box Singapore. For the past two decades, I have met with and interviewed hundreds of followers of Jesus around the world who have suffered greatly

because they were determined to serve God and spread the Gospel. What has impressed me is how many of them respond to persecution and how they are comforted by what God has to say to them through the Bible. They not only find answers to their questions concerning God's Word, but they apply the answers. I appreciate John's and Kerry's approach and insight in this book "The Book of Easy Answers." It is solid and practical. You will discover that we often find it hard to accept and put into practice

the answers God has for us in our journey with him. My prayer is that this book will help you understand that God has given us all we need to navigate our lives and be content with his answers. - Greg Musselman, Minister at Large for The Voice of the Martyrs Canada.
