How to Get Money for College 2013

This bulletin reports information about scholarships, loans, and opportunities for

employment available to undergraduate students at colleges and universities throughout the country for the year 1955-56. It is the third in a series of reports based on a current study which the Office of Education is making in response to continuing demand for information about financial aids available to students in institutions of higher education. The data for the individual institutions in the present bulletin were obtained by means of a questionnaire, a copy which was sent to 1,848 institutions listed in the 1955-56 Directory. An index

is included. Individual sections contain footnotes. [Best copy available has been provided.].
