A hidden history of the South emerges when a worldly teacher leads Threestep, GA, to reinvent itself, setting in motion events that lead to triumph and tragedy for the black teenager who happens to be the smartest person in Piedmont County, Georgia, in 1938-39. As an epigraph from *The Souls of Black Folk* by W. E. B. Du Bois reminds us at the start of this novel, "Throughout history, the powers of single black men flash here and there like falling stars, and die sometimes before the world has rightly gauged their brightness." Protagonist Theo Boykin is a genius, an artist, an inventor, a Leonardo DaVinci-type, whose talents are sought after by local blacks and whites alike, but even this is not enough to save him. He falls victim to "the tragedy of ignorance and the damage caused by fear," in the words of poet Rita Dove—the first African American to serve as U.S. Poet Laureate and a member of the jury that conferred on The Cailiffs of Baghdad, Georgia the 2011 Anisfield-Wolf Award for books that "make a significant contribution to our understanding of racism and our appreciation for the diversity of human cultures." You won't forget Theo Boykin, nor will you forget his friends the Cailiffs, especially Gladys, who tells this story with love and

bewilderment, and the teacher, Miss Spivey, who changes all their lives.

A mother and daughter find what they share in their bones in this compelling novel from the bestselling author of *The Joy Luck Club* and *Where the Past Begins: A Writer's Memoir*. Ruth Young and her widowed mother have always had a difficult relationship. But when she discovers writings that vividly describe her mother's tumultuous life growing up in China, Ruth discovers a side of LuLing that she never knew existed. Transported to a backwoods village known as Immortal Heart, Ruth learns of secrets passed along by a mute nursemaid, Precious Auntie; of a cave where dragon bones are mined; of the crumbling ravine known as the End of the World; and of the curse that LuLing believes she released through betrayal. Within the calligraphied pages awaits the truth about a mother's heart, secrets she cannot tell her daughter, yet hopes she will never forget... Conjuring the pain of broken dreams and the power of myths, *The Bonesetter's Daughter* is an excavation of the human spirit: the past, its deepest wounds, its most profound hopes.
