## HUERTA JAIDYN

*Research in Landscape Architecture* Springer Science & Business Media  
The Routledge Handbook of Service Research Insights and Ideas offers authoritative coverage of current scholarship in the expanding discipline of service research. Original chapters from the world's leading specialists in the discipline explore foundations and innovations in services, highlighting important issues relating to service providers, customers, and service design. The volume goes beyond previous publications by drawing together material from different functional areas, including marketing, human resource management, and service process design and operations. These topics are important in helping readers become knowledgeable about how different functional areas interact to create a successful customer experience. This book is ideal as a first port of call for postgraduate students desiring to get up to speed quickly in the services discipline. It is

also a must-read for academics new to services who want to access cutting-edge research.

Today more than ever, businesses need fresh ideas to nurture talent and retain employees—enter 1,501 Ways to Reward Employees, thoroughly revised, updated, and even more chockablock with ideas than 1,001 Ways to Reward Employees, the groundbreaking national bestseller. Adapted to meet the needs of an evolving workplace—especially to deal creatively with virtual employees, freelancers and permalancers, international colleagues, and the rule-bending expectations of millennials—its 1,501 low-and no-cost rewards and strategies are drawn from thousands of companies across the globe. Ideas range from the informal (Wells Fargo's thank-you e-cards) and the offbeat (JS Communications two free "I Don't Want to Get Out of Bed" Days) to the formal (J. C. Penney "affirms" new managers in a moving ceremony) to the totally nutty (the legendary honor of having your office "sodded"—literally, grassed over—at Microsoft). For bosses, managers, entrepreneurs,

small-business owners, consultants—anyone who's responsible for working successfully in an ever-tougher economy—this is the rewards bible.
