#### Route 66 Postcards

Arcadia Publishing

In this captivating collection of unpublished and published essays, one of our most important scholars, Paula Gunn Allen, explores the symbiotic relationship between Native American culture and the larger Western world. Through

her own history and that of other Native peoples, she searches for a connection that will link the eco-spiritual and implicitly multicultural heritage to the demands of an increasingly global and culturally unilateral community.

The Highway One Travel Companion Sunstone Press

Arizona claims one of the longest segments of the famous Route 66. Along the nearly four hundred

miles of road are stops filled with legends, history, superstitions and spirits of travelers who experienced untimely accidents and murders. Meet Leorena Shipley, an aspiring actress whose career was cut short by tragedy. Discover how the Apache Death Cave became the haunted site of a mass grave. Visit the Monte Vista Hotel, one of the most haunted hotels in Arizona. Learn how the Grand Canyon Caverns

were discovered and became a favorite attraction. Travel to Oatman, a ghost town with a multitude of spirits. Join author and paranormal historian Debe Branning on a haunted road trip across Arizona and discover the spooky history of the Mother Road. Voyageur Press  
An encyclopedia with a twist, The Route 66 Encyclopedia presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby

Troup's anthem "Route 66" to The Grapes of Wrath to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You'll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Café in Texas) and new (including a section about the recent Cars movie), The Route

66 Encyclopedia provides a sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a

travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

*Way Down Yonder in the Indian Nation* Arcadia Publishing

Route 66 in Arizona is a ribbon tying together spectacular natural attractions such as the Grand Canyon, the Petrified Forest, the Painted Desert, and the Meteor Crater. There were plenty of man-made diversions along the way, too. Roadside businesses

used Native American and Western imagery to lure travelers to fill up their gas tank, grab a meal, or spend the night. Roadside signs featured shapely cowgirls and big black jackrabbits, or warned of killer snakes and prehistoric monsters.

Between wails of "Are we there yet?" children pleaded to stay at motels shaped like wigwams, explore the Apache Death Cave, or pick up a rubber tomahawk at a trading post.

"A look at 500 of Route 66's most significant past and present sites in seven categories, illustrated with hundreds of photographs and specially commissioned maps"--

*A Guide Book to Highway 66* University of Arizona Press

Remarkable stories from Montana's historical highway markers combine with easy-to-follow maps, historical photos and sketches, and geological information to illuminate the paths of Montana's past and present. This guidebook alerts travelers

about places that merit a stop and allows them to read about the site at their leisure. But even if time is short, travelers can refer to descriptions and historical photographs to learn about Montana's past as they journey across the state.

*Route 66* Arcadia Publishing

A deeply sympathetic, colorful evocation of life on the American prairies. In *Way Down Yonder* in the Indian Nation—a title inspired by the lyrics of Woody Guthrie—best-

selling author Michael Wallis creates a brilliant tableau of America's heartland. Featuring a new introduction by the author, this collection of sixteen essays reflects the finest examples of Wallis's writing and harkens back to a time before fast food and malls replaced family-owned diners along Route 66. From tales of the notorious Oklahoma panhandle, where "the only law was the colt and the carbine," to the fate of Woody Guthrie's mother Nora, who, burdened by depression,

set fire to her kids and spent the last years of her life in an asylum, *Way Down Yonder* in the Indian Nation brings to life some of Oklahoma's most memorable characters—the famous and infamous, the ordinary and down-home. "Enclosed within the covers of this book are some of my favorite spoonfuls of Oklahoma," says Wallis. The result is a quintessential American book—a crazy quilt of stories and a powerful portrait of Okie identity. *Finding Daniel Boone*

Voyageur Press  
The Road Awaits! Explore the historic "Main Street of America," from cosmopolitan Chicago and quirky St. Louis, through the deserts of New Mexico, to sunny Los Angeles. Excerpted from Road Trip USA Mile-by-mile highlights celebrating the best of Route 66, including The Grand Canyon, Cadillac Ranch, Tinkertown, and London Bridge, as well as the parks, diners, and kitschy favorites along the way Driving maps covering the entire historic route

Vintage snapshots, full-color photos, and beautiful illustrations of Route 66 both then and now in a slim, portable guide Local history that reveals the unique personalities of small towns and big cities along the route, plus roadside curiosities and worthwhile detours Expert advice from road-warrior Jamie Jensen, who has zoomed along nearly 400,000 miles of highway in search of the perfect stretches of pavement Road Trip USA: Route 66 celebrates the great American road trip,

and gives you the tools, resources, and inspiration to make it your own. Hit the Road! Want more road trips? Criss-cross the country on two-lane highways with the 11 routes in Road Trip USA. **Road Trip USA Route 66** Arcadia Publishing "Now in a one-volume revised edition, this encyclopedia of California historical information remains an ideally practical reference to the state."--From the dust-jacket front flap. The Trading Post Simon and Schuster

In 1880, the Atlantic & Pacific Railroad laid out the Winslow townsite along its new transcontinental line through northeastern Arizona Territory because the nearby Little Colorado River supplied a vital water source. The river had sustained the prehistoric Homol'ovi villages, and a passable ford across the river brought trails, wagon roads, and Mormon settlers to the area before the railroad arrived. This high desert boomtown blossomed into a bustling

city when the Santa Fe Railway bought the A&P and transferred division headquarters to Winslow. Along with a shipping point for area ranches, trading posts, and lumber mills, the railroad provided passenger service to the alluring Southwest. Travelers enjoyed fine dining by Fred Harvey and the Harvey Girls and lodging at architect Mary Colter's La Posada Hotel. As automobiles replaced rail travel in the 1920s, the highway running through downtown Winslow

became part of the famed US Route 66. Interstate 40 eventually bypassed downtown, but Winslow's historic attractions, Standin' on the Corner Park, and nearby Hopi and Navajo lands continue to lure visitors from around the world.

The King's Best Highway  
Rowman & Littlefield  
Follow the final days of an American frontier icon as a historian examines what happened to him after he died. Finding Daniel Boone is a unique tribute to America's frontier hero and offers closure to the

greatest of all his mysteries: where he was buried. Part biography, part historical travelogue, and eloquently narrated using fresh sources, rare forensic data, and new field interviews, this is more than just a search for a man's bones. Fully re-creating Daniel's lost world, noted historian and author Ted Franklin Belue journeys along the famous Pathfinder's last trail, from Missouri and back to Kentucky, meeting a host of colorful characters. As little has been written about Boone's western

days, where he lived the longest, this work examines the legendary woodsman's life as much as his death. "With vivid writing, and ample historic documentation, Ted Franklin Belue invites readers on an incredible journey that introduces them to a new slant on an old story about one of the greatest American frontier heroes. Belue tirelessly re-creates Boone's lost world and follows his last trail in the year of his death's bicentennial, teasing us with a provocative question:

Where does Daniel Boone rest, in Missouri or Kentucky?" —KYForward Winslow Arcadia Publishing  
It started in the heartland and originally ended in Los Angeles (not, contrary to myth, at the ocean). It carried truckers crossing the country, Okies fleeing the Dust Bowl, vacationers seeking the sun. It was America's Main Street, the Mother Road, the Will Rogers Highway, and, at its dangerous curves, Bloody 66. Get your kicks on Route 66 with this wonderfully

illustrated tribute to the best-loved highway in this car-loving nation. Michael Witzel shares his expertise and wealth of personal, archive, collector, and contributing photographer images in these pages, offering a nostalgic tour of the charms and oddities of this road through American cultural history. Starting in Chicago and running to Santa Monica, this book highlights the sights along the highway with historic and current photos in then-and-now pairings, and includes

Route 66 postcards, road signs, trinkets, maps, brochures, and advertisements. Here we see Route 66 as it was in its heyday and as it is now, the neon glamour of yesterday versus the ghost towns of today. Witzel and his wife, Gyvel Young-Witzel, recount the highways history, its role in popular culture, and its demise, as well as the individual stories of famous sights. Several profiles of those with close ties to the Mother Road, including the woman who played Ruthie

Joad in the *The Grapes of Wrath* film, are included. *Navajo Trader* Macmillan "A virtual roadtrip through the highway's legends, stories, people, and funky businesses that are the essence of the Route 66 experience"--

USA

The tiny community of Ash Fork lies on the juniper-studded hills some 15 miles west of Bill Williams Mountain. Founded in 1882 when the Atlantic and Pacific Railroad was laying tracks

for a transcontinental railroad, Ash Fork became an important rail junction by 1895 when another new line was built, this one south to Phoenix. The storied Route 66 opened in 1926 and U.S. Highway 89 not long after, making Ash Fork the most important link between Northern and Southern Arizona by both rail and highway. By the mid-20th century, however, rail routes changed and Interstate 40 opened a half-mile south of town, stopping overnight the flow of traffic through Ash

Fork. While many residents were forced to leave, those who remained stubbornly refused to concede defeat. As the new century dawned, the citizens of Ash Fork had developed a new community spirit and hopes for a brighter future.

Travel Route 66 Quarto Publishing Group USA  
With prose supplementing modern and vintage photographs, the author tells how motorists can still travel over the remnants of Route 66,

enjoying beautiful scenery and interesting people. *Route 66* Boolarong Press  
New Mexico is "The Land of Enchantment," offering a fascinating blend of Native American, Spanish Colonial, and Western American cultures. The travelers from the East knew they had arrived in the great Southwest when they entered New Mexico—the towns along Route 66 were ablaze in neon, and the motels lured travelers with Western themes, Pueblo Revival architecture, and Native American trading posts.

An adventure still awaits the traveler today who takes the time to exit I-40 and leave the franchised blandness behind. The neon still flickers at the Blue Swallow Motel in Tucumcari, on Central Avenue in Albuquerque, and at the El Rancho Hotel in Gallup. The "Fat Man" still smiles at Joseph's Bar and Grill in Santa Rosa. The stories behind those landmarks are here, as well as the stories behind establishments that are lost forever or slowly crumbling to dust among

the tumbleweeds. Arizona's Haunted Route 66 Quarto Publishing Group USA  
Join Route 66 expert Jim Hinckley as he tours more than 60 ghost towns along the Mother Road, rich in stories and history! The quintessential boom-and-bust highway of the American West, Route 66 once hosted a thriving array of boomtowns built around oil mines, railroad stops, cattle ranches, resorts, stagecoach stops, and gold mines. Illustrated with gorgeous sepia-tone and color

photography by Kerrick James, this book tours dozens of ghost towns in: Illinois (Braidwood, Braceville, Gardner, Dwight, Bloomington, Funks Grove, Springfield) Missouri (Rolla, Dootlittle, Springfield, Halltown, Paris Springs Junction, Avilla, Carthage, Joplin) Kansas (Galena, Riverton, Baxter Springs) Oklahoma (Narcissa, Afton, Tulsa, Warwick, Bridgeport, Foss, Elk City, Erick, Texola) Texas (Shamrock, McLean, Alanreed, Jericho, Amarillo, Glenrio) New Mexico (San Jon,

Tucumari, Montoya, Newkirk, Cuervo, Dilia, Tecolote, Santa Fe, Thoreau, Gallup) Arizona (Lupton, Chambers, Two Guns, Flagstaff, Truxton, Hackberry, Kingman, Goldroad, Oatman) California (Needles, Goffs, Essex, Cadiz, Chambless, Amboy, Ludlow, Newberry Springs, Daggett, Barstow) This edition also includes directions and travel tips for your ghost-town explorations along Route 66, as well as a fold-out map of the Mother Road. Explore the beauty and nostalgia of

these abandoned communities along America's favorite highway!

Voyageur Press

In 1949, when attorney Mary M. Dunlap moved

her law practice and her young children from urban Denver, Colorado to their new home in Albuquerque, New Mexico she had no idea what was waiting for her, starting literally at the first stoplight in town. Her career would span more than forty years, bringing her into daily contact with crafty politicians, pueblo Indians, justices of the peace, and an improbable cast of clients—from nuclear scientists and Ziegfeld Follies stars to arsonists, hoboes, and petty criminals. And, to

make life more interesting, she and her husband and their children ran a small farm at the same time. The days started early, the work was hard, and then it was time to go to the office, where the day was

long, the work was hard, and then it was time to go home. She recalled that she was challenged by men who said that she couldn't be a real lawyer because she was a woman, or had calluses on her hands or because she drove a pickup. They

all changed their minds once they got into court.
