Vision also includes an exclusive ten-page Warriors manga adventure!
The Eternal Kingdom
Harper Collins
77 timeless tales from up and down the length of Great Britain – Wales, Scotland, Kernow, England and the Isles – have been retold for the 21st century by curious storyteller Brother Bernard, with a tourist guide to the real location of each folktale included. This road atlas of myth and mischief allows us to visit famed heroes King Arthur, Merlin, Robin Hood, Lady Godiva, Macbeth, Dick Whittington and Jack, but also those who should be more celebrated, like Molly Whuppie, Bran the Blessed, Bladud, Taliesin and Tom

Thumb. Since Britain became an island eight millennia ago, generations of immigrants have made their home here in Albion, creating their own stories, which have become part of the richly stocked treasury of British folklore. Some are strange, some are sad, some are exciting, some are scary, many are silly, and at least two are totally daft. Brother Bernard retells these restored tales with devotion to the ancient legends, but with a fresh eye and added anarchic vim to be enjoyed anew.

An epic new adventure begins in Erin Hunter's #1 bestselling Warriors series! For the first time, all five warrior Clans have settled into

their true homes in the territory around the lake. But when a shockingly harsh leaf-bare season descends on the forest, a new darkness begins to spread--a shadow that threatens a beloved Clan leader, the cats' connection with their ancestors in StarClan, and the very warrior code they live by. Packed with action and intrigue, the beginning of this sixth Warriors series is the perfect introduction for readers new to the Warriors world. And dedicated fans will be thrilled to discover the new adventures that unfold after the events of *A Vision of Shadows*. [A Study of History](#) Simon and Schuster Discover untold stories about three legendary cats of ThunderClan. Find out why

Spottedleaf left her warrior training to become a medicine cat, explore Pinestar's past, and travel back to the Clan's earliest days with its first leader.

Warriors: The Broken Code #5: The Place of No Stars

Saint-Paul

They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an

important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

A thrilling new
adventure begins in
Erin Hunter's #1
bestselling Warriors
series! They have
always lived by the
code—but only change
can keep the peace. A
new age is dawning on
the warrior Clans. Now
a new generation of
warriors rises—one
wrestling with the
legacy of his great
ancestor Firestar, one

seeking to protect her troubled Clan, and one yearning to prove herself as a medicine cat—as leaders from all five Clans agree that the Warrior Code must be reformed. But when tragedy strikes RiverClan, old fears will threaten the new peace... unless these three young cats can calm the coming storm. This seventh epic Warriors series is full of action, intrigue, and adventure. This first book is the perfect introduction for new readers, while long-time fans will discover what unfolds after the events of *The Broken Code*.

World of Warcraft:

Thrall: Twilight of the Aspects Saint-Paul

Though the young Warchief Thrall ended the demon curse that had plagued his people

for generations, the orcs still wrestle with the sins of their bloody past. As the rampaging Horde, they waged a number of devastating wars against their perennial enemy -- the Alliance. Yet the rage and bloodlust that drove the orcs to destroy everything in their path nearly consumed them as well. Long ago, on the idyllic world of Draenor, the noble orc clans lived in relative peace with their enigmatic neighbors, the draenei. But the nefarious agents of the Burning Legion had other plans for both of the unsuspecting races. The demon-lord Kil'jaeden set in motion a dark chain of events that would succeed not only in eradicating the draenei, but forging the orc clans into an

single, unstoppable juggernaut of hatred and destruction.

World of Warcraft: Rise of the Horde Simon and Schuster
