For years, fans have been clamoring for an all-in-one collection of #1 bestselling author Sherrilyn Kenyon's novellas. At their enthusiastic behest, we have delivered this brand-new short story collection, *Dark Bites*, including stories previously exclusive to Sherrilyn's website, as well as an all-new, never-before seen Dark-Hunter story! Sherrilyn Kenyon takes readers from the Dark-Hunters to the demigods, from Dream-Hunters to demons, and everything in between. Dangerous and exciting, each story is one thrill ride after the next, proving time and again how Sherrilyn has captivated millions of readers worldwide. Now, readers are invited to go deep into Kenyon's rich and imaginative world and experience the heart-racing moments that never stop coming!

### **Treasures of the Aga Khan Museum** Bonnier Zaffre Ltd.

Volumes in *Writing Spaces: Readings on Writing* offer multiple perspectives on a wide range of topics about writing. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about the craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in first year writing or writing-intensive courses across the disciplines at any level. Volume 3 continues the tradition of previous volumes with topics such as voice and style in writing, rhetorical appeals, discourse communities, multimodal composing, visual rhetoric, credibility, exigency, working with personal experience in academic writing, globalized writing and rhetoric, constructing scholarly ethos, imitation and style, and rhetorical punctuation.

### **Gospel Doctrine** St. Martin's Press

Microblading is currently the fastest growing service in the cosmetic tattooing industry. The procedure is performed by manually depositing pigment into the dermis with the use of a disposable hand tool and high quality pigments. To become a microblade master, it is important to have a thorough understanding of skin physiology, color theory, eyebrow shaping, contraindications, blood borne pathogens, and safety and sanitation practices. This manual is intended to give you a deeper understanding of these theoretical subjects, along with step-by-step procedures to enhance your hands-on training.

### **Zuleika Dobson** Springer

If there's one constant element to our society, it's beauty. People will always want to feel confident, radiant, and beautiful, and you as a permanent makeup artist have an incredible gift in your hands to give that feeling to them. So often, though, skill gets lost in the shuffle. There are so many qualified and bright artists out there, that it can be difficult to make a name for yourself among your competitors. A lot of the time, artists end up making only mediocre salaries because they lack the skills to boost their own businesses. This is where I come in. I've invested millions of dollars and years of my life to developing strategies and tactics to market myself in ways that propelled me forward and surged not just my business, but microblading as an industry. And here's the best part: I'm going to spill all my secrets right here, on the pages of this book. Through my own experiences and tried-and-true methods, you can learn how to promote your business, elevate your advertising, and bring in millions from microblading. Stick with me. I'll explain everything right here in *The Art of Microblading*.

### **Dark Bites** Little Brown & Company

*Against Nature* by Joris-Karl Huysmans is a novel in which very little happens; its narrative concentrates almost entirely on its principal character, and is mostly a catalogue of the tastes and inner life of Jean Des Esseintes, an eccentric, reclusive aesthete and antihero, who loathes 19th century bourgeois society and tries to retreat into an ideal artistic world of his own creation. *Against Nature* contains many themes which became associated with the Symbolist aesthetic. In doing so, it broke from naturalism and became the ultimate example of decadent literature. Jean Des Esseintes is the last member of a powerful and once proud noble family. He has lived an extremely decadent life in Paris which has left him disgusted with human society. Without telling anyone, he absconds to a house in the countryside. He fills the house with his eclectic art collection and decides to spend the rest of his life in intellectual and aesthetic contemplation. Throughout his intellectual experiments, he recalls various debauched events and love affairs of his past in Paris.

Offers step-by-step directions on how to achieve a wide range of effects, for both everyday and special occasions, through the use of makeup.

### **Against Nature** Xlibris Corporation

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

The journal is an invaluable tool to help anyone involved in running a business to focus on accomplishing their goals.

[Staging 'Euridice'](#) Independently Published

This volume contains a generous selection of articles on translation by Professor José Lambert (K.U. Leuven). It traces the intellectual itinerary of their author, who started out as a French and Comparative Literature scholar some four decades ago trying to get a better grip on the problem of inter-literary contacts, and who soon became a key figure in the emergent discipline of Translation Studies, where he is widely known as an indefatigable promoter of descriptively oriented research. This collection shows how José Lambert has never stopped asking new questions about the crucial but often hidden role of language and translation in the world of today. It includes some of the author's classic papers as well as a few lesser known ones that deserve wider circulation. The

editors' introduction and the bibliography complete this thought-provoking survey of the career of one of the most creative researchers in the field.

**Functional Approaches to Culture and Translation** Cambridge University Press

The Art of Microblading

*One-Dimensional Man* Simon and Schuster

As the Director of EyebrowExperts and Chief Brow & Brazilian Artist, Svetlana Burckhardt has seen it all. Working extensively in the beauty industry, she will literally raise eyebrows in this humorous, educational and inspiring collection of client stories across fourteen brilliant years in the beauty industry, *Confessions of a Brazilian Waxing Queen*. In a light manner, Burckhardt discusses beauty treatments from the face to "down there" and everything in between. Readers will discover the latest trends in Brazilian waxing, the arch art of eyebrows, and learn and laugh about the best and worst salon experiences along the way. Issues big and small will be covered and the author's contagious optimism and helpful nature will act as a resource for all women providing trade secrets, coveted celebrity trends and a beautiful collection of inspirational messages through her stories. A book that covers the broadest audience, *Confessions of a Brazilian Waxing Queen* shares the author's stories, beauty secrets and tips, delivering beauty tutorials to women all day long. Burckhardt would like to communicate this message nation-wide to share, inspire and teach.

Tammy Taylor's "Workbook" for her Guide to Manicuring & Advanced Nail Technology is very comprehensive, and allows for in-depth learning, whether in a Classroom or as an individual study or refresher course.- This Workbook follows the text in the Guide to Manicuring & Advanced Nail Technology, page-by-page. It requires that you read the workbook topic, and then read the Guide for the answer. - You should understand the Guide, and provide a response to the workbook item, as closely as possible to the information in the Guide textbook. - Many of your responses can also be given in your own words, as an interpretation of the Guide text material. - In a Classroom environment, your teacher will give you the assignment in the textbook, and then the corresponding assignment in the workbook.[www.TammyTaylorNails.com](http://www.TammyTaylorNails.com)

Xlibris Corporation

Presents a revision of the late Columbia University art historian's lectures given at Indiana University in 1961.

[Microblading](#) Parlor Press LLC

A brilliant story of adventure, wit and philosophy from the origins of the SPELLSLINGER series to enrapture devotees as well as newcomers alike. New to the ways of the Argosi, the tribe of wandering philosophers who seek to defeat evil by wit and guile, Ferius Parfax encounters a hideous plague - the Red Scream. Highly contagious, caught by the hearing of a deadly verse, it turns its victims into mindless monsters that destroy all human life they come into contact with. With the help of a deaf boy whom she has saved from two horrifying victims of the plague, she sets out to find the source of the Red Scream and overcome its terrifying power. Along the way she is joined by another Argosi, Rosie, who purports to be so much wiser and more adept than Ferius, but who turns out to have her own dark secrets. Peopled with extraordinary characters and gut-wrenching drama, Ferius's story teaches her hard lessons about the limits of the Argosi's ways. Readers will delight not

just in this amazing masterclass in plot pacing and narrative drive, but in the seemingly bottomless well of wit, thought and wisdom that the story brings up and that has changed lives down the ages. It takes the reader on a journey like no other.

*Social Justice Theory and Practice for Social Work* Franklin Classics Trade Press

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of *The Dark Tower*, *Firefly*, *Guardians of the Galaxy*, Terry Pratchett, Ben Aaronovitch and Jim Butcher.
