The Revelation Study Set provides the home study component of Revelation: The Kingdom Yet to Come. Its ten lessons draw participants into the Revelation to John verse

by verse, drawing on pertinent passages from the Old Testament and Catechism of the Catholic Church to help people understand what they read and apply it to their lives. Group discussion of the questions reinforces the lesson, while the suggested responses provide additional insights and explanations. Each lesson should be

concluded with the corresponding presentation from the DVD or CD series, which contains expert commentary presented by Jeff Cavins. [Walking with God](#) Emmaus Road Publishing Popular author and scholar Dr. Scott Hahn has released a collection of essays on the study and interpretation of

Scripture from a Catholic perspective. Aptly titled *Scripture Matters: Essays on Reading the Bible from the Heart of the Church*, Dr. Hahn takes a penetrating look into the depths of Scripture, showing the reader how to uncover its many layers of meaning and inspiration. *Scripture Matters* serves both as an instructional guide to reading the Bible and as a delightful meditation on the grandeur of God's Word. Dr. Hahn effectively illustrates his discussion with the writings of Saint

Thomas Aquinas, Saint Josemaría Escrivá, Cardinal Ratzinger, and other exemplary scholars of Scripture who truly speak "from the heart of the Church." *Walking Toward Eternity Journal* Ascension Press Read the entire story of the Bible in one captivating and inspirational book. The Bible plays a vital role in the life of the Catholic Church. In fact, we are called to immerse ourselves daily in the Scriptures. But many of us get lost when we actually

dive into the Bible, and our time spent can be more frustrating than fruitful. We are reading a collection of writings drafted by an ancient people in an ancient culture. But Scripture is nothing less than the living Word of God, and it is meant just as much for us as for those who lived thousands of years ago. In *Walking with God*, Dr. Tim Gray and Jeff Cavins unpack the central story woven throughout Scripture and present it in an easy-to-read, concise manner. Gray and Cavins

take you on a journey through the "narrative" books of the Bible—the ones that tell the story—and present a panoramic view of God's glorious plan of salvation. Their expert commentary dives deep into the mysteries of Scripture, unlocking its riches and showing how these inspired words are meant for you today. Enter into the Scriptures with Walking with God. Witness the fascinating story of our faith unfold, and see how you, at this moment in your life, fit

into God's plan for all of humanity.

[Great Adventure Kids Pack](#) Ascension Press A compelling collection of stories of hope and healing. We all long to know the will of God in our lives, to obtain answers to our prayers, and to receive tangible evidence of the personal care of our heavenly Father. We

deeply desire to hear His voice. And here's the good news: God is not silent. He is constantly reaching out to each of us. Often His voice is quiet and can be heard only in prayer. He frequently breaks into our lives with timely remedies, miraculous encounters, and surprising circumstances that can be explained only by the reality of a loving and caring God. Popular Catholic author and radio host Teresa Tomeo has gathered an inspiring collection of such

"Godcidences" from her life, as well as personal stories from a variety of Catholics—including broadcasters Joan Lewis, Al Kresta, Steve Ray, and authors Greg and Julie Alexander—of the unmistakable ways God has spoken to them. In these pages, you'll read about ordinary and extraordinary "come-to-Jesus moments," such as:

- The mysterious man who appeared to an anxious couple at a deserted train station in Italy to give them assistance ... and then

just as quickly disappeared • How a six-word sentence from a husband to his embittered wife served to redirect their marriage from bitterness toward reconciliation and renewal • A business offer that arrived out of the blue, just as financial ruin threatened the future of a wife and husband recently jolted by an Alzheimer's diagnosis • The unexpected link between a young woman's moment of despair, as she curled up on the floor of her shower, and the day she

kissed the ring of Pope St. John Paul II • How a car accident led to a life-saving ultrasound for an abortion-minded mother • What the Holy Spirit inspired a woman to say in a casual airplane conversation that transformed it into a never-to-be-forgotten encounter These and many more profound and intimate stories will deepen your faith as they remind you of the active presence of God in your life. Each comes with lessons for you to apply to your life and reflections to

help you grow in your ability to hear and respond to the still, small, powerful voice of God. [Walking with God](#) The Activated Disciple The Bible holds many keys for living a joyful life, and praise and thanksgiving are two of the most powerful. Jeff Cavins explains what biblical praise is and how it can transform any difficulty and lead to a deeper trust in God. He shows how thanksgiving--the attitude of gratitude--is a natural expression of praising God, and he

provides practical tips for incorporating it into your life. The audio edition of this book can be downloaded via Audible.

In "I'm Not Being Fed!" *Discovering the Food that Satisfies the Soul*, Jeff Cavins explores the reasons why many Catholics do not seem to understand and appreciate the Holy

Eucharist—and why some have even left the Church, saying that they simply weren't being “fed” and that they longed for a more personal, “spiritually nourishing” relationship with Jesus. In these pages, you will learn: ● What Catholics who have left the Church mean when they say they weren't “being fed” ● How to respond to common objections to the Catholic faith ● Why Jesus invites us into a more personal, intimate relationship with him ● Why some Catholics don't feel

spiritually satisfied, even if they attend Mass ● How to help those who have left the Church embark on their journey home Focusing on the clear biblical evidence for the Real Presence of Jesus in the Eucharist, Cavins points out that it is impossible to read the sixth chapter of John's Gospel literally without recognizing that the Eucharist is more than just a “symbol” of God's love. Rather, it is the very heart of Christianity, the only food that truly satisfies our souls. "Here

Jeff Cavins succeeds in his quest to help readers understand how the Catholic Church truly feeds people with the Word of God and with the very body and blood, soul and divinity of Jesus in the Eucharist. Whether they firmly believe the Church's teaching on the Eucharist or have serious doubts, Cavins helps Catholics grow in their knowledge and love of the Eucharist and savor the feast Christ Himself sets before them at every Mass." Fr. Terence Henry, TOR President, Franciscan

University of Steubenville
"By weaving the personal with the historical, Cavins is at his best in describing the spiritual meaning of the Eucharist and in demonstrating the Truth that inheres in Catholicism." William A. Donohue, Ph.D. President, Catholic League for Religious and Civil Rights

it means to be a family, and it is this same love that gives a family their purpose. In bearing witness to the mystery of the love of Christ, the family becomes the "domestic sanctuary of the Church." Amazing Grace for Families contains 101 stories of faith, hope, inspiration, and humor. Some are sorrowful, others are humorous, but all will inspire you and your family to grow in love for each other as you fulfill your roles in the domestic church. In Amazing Grace

for Families, you will meet: A mother who sacrificed her own ability to walk to save the lives of her children. A little boy named Markie who brought his family closer together after learning that he had a near-terminal disease. A young man who, after being inspired by a PBS series, led his entire family from atheism to Christianity. A little boy who found an early vocation by mistaking the word "pre-school" for "priest-school." And many more
