Business Model Generation WETFEET, INC.

Pay brand-new employees \$2,000 to quit Make customer service the responsibility of the entire company-not just a department Focus on company culture as the #1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually. After debuting as the highest-ranking newcomer in Fortune magazine's annual "Best Companies to Work For" list in 2009, Zappos was acquired by Amazon in a deal valued at over \$1.2 billion on the day of closing. In *Delivering Happiness*, Zappos CEO Tony Hsieh shares the different lessons he has learned in business and life, from starting a worm farm to running a pizza business, through LinkExchange, Zappos, and more. Fast-paced and down-to-earth, *Delivering Happiness* shows how a very different kind of corporate culture is a powerful model for achieving success-and how by concentrating on the happiness of those around you, you can dramatically increase your own. #1 New York Times and Wall Street Journal bestseller

The E-Business Handbook McGraw-Hill/Irwin

Sales and distribution are the lifeblood of any business. But how can a values-driven, socially responsible business compete with those for whom the bottom line is the only measure of success? The answer: get creative! In this practical and inspiring guide, Nadine Thompson and Angela Soper draw on real-world examples--from Tom's of Maine, Seventh Generation, Honest Tea, and many other innovative companies--to detail concrete steps for designing sales and distribution strategies that fit the needs, interests, and habits of your target customers. They show how to turn your stakeholders into enthusiastic partners by ensuring that all of your relationships--with your salespeople as well as other employees, your customers, and your suppliers--are beneficial and fulfilling on more than just an economic level.

The power of online auctions is attracting hundreds of thousands--if not millions--of users who want to turn their eBay hobbies into profitable businesses. While turning an eBay hobby into an eBay business might look easy, making that business profitable is much more difficult. Not enough sellers treat their eBay sales as a business, and subsequently are disappointed in the results. To launch a successful and profitable eBay business, the detailed instructions in this book will show you how to get started. It will help you determine what kind of business you want to run, write an action-oriented business plan, establish an effective accounting system, set up a home office, obtain starting inventory, arrange initial funding, establish an eBay presence, and arrange for automated post-auction management. This book is a step-by-step guide for anyone serious about making money from their eBay sales. Unlike other computer-oriented titles, this is a straight-ahead business book that shows how to set up and run different types of eBay businesses, and how to maximize sales and profits while doing so. This book includes a section titled "Choosing Your eBay Business" that details six different types of eBay businesses you can start. Included in this section is a chapter on eBay Trading Assistants (AKA drop-off stores or consignment stores), which is the newest form of an eBay business.

REMEMBER WHEN eBay USED TO BE A GREAT PLACE FOR SMALL SELLERS TO BECOME BIG SELLERS? Unfortunately, recent changes at eBay have made online auctions less reliable and profitable. So where can you sell when you can't sell on eBay? Online auctions are the past; fixed-price selling is the future. It's time to move beyond eBay and first-generation online selling and start Selling Online 2.0. Second generation online selling means migrating from eBay to other online marketplaces, including craigslist, Amazon, and your own e-commerce website. You'll need to make some new plans, learn some new skills, and change some of the things you do--but you'll find that there's more money to be made on your own than relying on traditional eBay

online auction sales. Put together a plan to maintain your sales level and profitability--to counteract eBay's changes Discover how to shift from auction sales to fixed-priced listings on the eBay marketplace Find out if running an eBay Store or selling on Half.com makes sense for your business Learn out how to sell locally on craigslist and other online classifieds sites Discover how to sell fixed-price merchandise on the Amazon marketplace Find out how to launch your own e-commerce website--and promote your online store Learn how to sell products across multiple channels--and manage multichannel conflicts **Making a Living from Your eBay Business** Pearson Education InfoWorld is targeted to Senior IT professionals.
