Weird Bristol! The History Press

Did you know that a hoard of gold is probably buried somewhere under Bristol?

Did you know that a statue in Bristol actually depicts the moment a king is about to die?

Based on the popular

Twitter feed from acclaimed author Charlie Reville-Smith, *Weird Bristol* is an adventure through the dark, mysterious and secret history of an ancient city. From plagues, wars, ghosts and pirates to inventors, fraudsters, suffragettes and radicals. Only one thing is certain, you'll never look at Bristol in quite the same way again...

*Rick Steves London 2020* Moon Travel  
Rick spends four months each year exploring Europe, and his candid, humorous advice will steer you to the very best sights and museums that London has to offer. You'll beat the lines at the major monuments. You'll find hotels and restaurants that make the most of your vacation budget. You'll navigate the city

like a local, using Rick's walking tours as your guide.

### **Women's London**

Macmillan

Rick Steves' Walks eBooks are straightforward, self-guided walking tours through some of Europe's most popular destinations, designed for easy reference on your mobile device or eReader. In Rick Steves' Walk: Heart of Rome, Rick shares his candid advice on how to get the most out of a walk through Rome's center—including where to start, how much

time you need, and what's worth stopping for—all for less than the cost of a cappuccino. With Rick's knowledgeable, humorous writing in hand, you'll also learn some interesting historical facts about the things you encounter along the way. Packed with indispensable tips and recommendations from America's expert on Europe, Rick Steves' Walk: Heart of Rome is a tour guide in your pocket—and on your smartphone. Rick Steves' Walks and Tours are available for must-see locations throughout

London, Paris, Rome, Florence, Venice, Amsterdam, Vienna, Budapest, Athens, and Istanbul.

\_\_\_ The huge word-of-mouth bestseller - completely updated for 2019 THE LONDON THAT TOURISTS DON'T SEE Look beyond Big Ben and past the skyscrapers of the Square Mile, and you

will find another London. This is the land of long-forgotten tube stations, burnt-out mansions and gently decaying factories. Welcome to DERELICT LONDON: a realm whose secrets are all around us, visible to anyone who cares to look . . . Paul Talling – our best-loved investigator of London’s underbelly – has spent over fifteen years uncovering the stories of this hidden world. Now, he brings together 100 of his favourite abandoned places from across the capital: many of them

more magnificent, more beautiful and more evocative than you can imagine. Covering everything from the overgrown stands of Leyton Stadium to the windswept alleys of the Aylesbury Estate, DERELICT LONDON reveals a side of the city you never knew existed. It will change the way you see London.

---

\_\_\_ PRAISE FOR THE DERELICT LONDON PROJECT ‘Fascinating images showing some of London’s eeriest derelict

sites show another side to the busy, built-up capital.’ Daily Mail ‘Talling has managed to show another side to the capital, one of abandoned buildings that somehow retain a sense of beauty.’ Metro ‘Excellent . . . As much as it is an inadvertent vision of how London might look after a catastrophe, DERELICT LONDON is valuable as a document of the one going on right in front of us.’ New Statesman ‘From the iconic empty shell of Battersea Power Station to the buried ‘ghost’

stations of the London Underground, the city is peppered with decaying buildings. Paul Talling knows these places better than anyone in the capital.' Daily Express '[London has an] unusual (and deplorable) number of abandoned buildings. Paul Talling's surprise bestseller, DERELICT LONDON, is their shabby Pevsner.' Daily Telegraph

*Rock 'n' Roll London*  
Emons Publishers  
A refreshing guide to discovering the hidden

details of London with 10 fully guided walking routes from London's leading tour guide Look Up London. Have you ever noticed London's tiniest public sculpture? Or wondered why there are strange cone-shaped structures on the fanciest historic homes? Did you know that the Tower of London used to be a zoo, or about the now defunct London railway that transported over 200,000 people to their final resting place? These are just some of the fascinating details that

Blue Badge Tourist guide Katie Wignall reveals in this absorbing guide to the secrets of London hidden in plain sight. Take a journey through London's rich past with these 10 fully guided walking routes and discover a whole world of incredible history hiding above your eye-line, just waiting to be spotted. From the saucy scandals of Covent Garden to stories of power and intrigue from the City, atmospheric pubs to hidden Roman remains, London is a city bursting

with captivating stories which are etched into its very architecture. So, Look Up and discover a London you have never seen before.

[Rick Steves Paris](#) Random House

In 1888 the dreaded figure of Jack the Ripper stalked London's East End murdering prostitutes. His crimes set in motion a huge police operation and have held a dark fascination over the public's imagination for over a century, yet his identity has never been proved. Now, for the first

time, two leading Ripper experts have joined forces to treat the case like a police investigation. Drawing on their unparalleled knowledge of the Jack the Ripper murders and their professional experience as police officers, they uncover clues that have remained undetected for over a hundred years. There are five 'canonical' Ripper victims, yet Scotland Yard's 'Whitechapel Murders' files include another six suspected victims. Drawing the reader into

the world of police investigation in Victorian London, Evans and Rumbelow reveal the conflict between the City and Metropolitan forces and the ridicule heaped on the police by the press. Investigating each murder, they conclude that only four of the eleven victims were actually killed by the Ripper. Perhaps most tellingly, they question the motives behind the destruction of evidence - particularly the message 'The Juwes are the men that will not be blamed for

nothing', which was chalked on the wall near one murder site and rubbed out on order of the Chief Commissioner – and ask whether the enigmatic Dr Robert Anderson, officer in charge of the investigation, knew the Ripper's true identity. Jack the Ripper: Scotland Yard Investigates strips away much of the nonsense that has accumulated since 1888 and reopens files on a case that will perhaps never be fully solved but will always fascinate.

A collection of guided tours throughout London Black History Walks invites the reader to see their surroundings with new eyes.

City Walks Yale University Press

London is one of the world's great cities for the visual arts. This book has been put together for everyone curious about London and about the place of modern and contemporary art in it. It takes you on a walking

tour of public works of art created by famous and by less well-known artists. It introduces you to places connected to art – museums and galleries housing great collections, public squares and parks, churches, secular buildings, and sometimes more hidden locations. And it walks you by some of the places where the artists lived, worked, studied, and socialised.

### **Haunted London**

Random House

London is a walker's paradise. In 30 original walks, distinguished

historian Andrew Duncan reveals the true heart of one of the world's greatest capital cities.

Line and discover the secrets on their own doorstep, London Stories offers a fascinating glimpse into the capital's rich history. With photos, maps and illustrations to bring the stories to life, London Stories is for those who love London, written by those who know it best.

### **Christmas at Highclere**

Jacaranda

London's rock 'n' roll history is in many ways the world's rock 'n' roll history. It has given birth to some of the most influential rock bands ever

-- The Beatles, The Who, The Rolling Stones, Pink Floyd, Elton John, The Sex Pistols -- and many popular movements -- psychedelia, mod, punk, ska, and Brit-pop. This meticulously researched and entertaining guide explores London's long and occasionally sordid rock history from the 1950s to the present day, providing the casual traveler with a neighborhood-by-neighborhood look at the venues, clubs, pubs, people, studios, stores, and events that rocked

the world. Where was David Bowie brought up? Where did the Beatles play their last gig? Where did Keith Moon spend his last night? Each chapter/neighborhood is accompanied by locator maps and detailed street directions, and is filled to the brim with stunning photographs, ephemera, and rock trivia.

Walks of Art Rick Steves Discover this selection of the best of Dickens' Christmas stories and writings in one beautiful gift edition. The ultimate Christmas present. It is

said that Charles Dickens invented Christmas, and within these pages you'll certainly find all the elements of a quintessential traditional Christmas brought to vivid life: snowy rooftops, gleaming shop windows, steaming bowls of punch, plum puddings like speckled cannon balls, sage and onion stuffing, miracles, magic, charity and goodwill. This beautifully produced Vintage Classics edition gathers together not only Dickens' Christmas Books ('A Christmas Carol', 'The

Chimes', 'The Battle of Life', 'The Cricket on the Hearth' and 'The Haunted Man') but also stories that Dickens wrote for the special seasonal editions of his periodicals All the Year Round and Household Words, and a festive tale from The Pickwick Papers. A must-have for Christmas, this edition should be as necessary to your festivities as holly, mistletoe and silver bells. [Moon Washington DC](#) Random House Featuring hundreds of interesting and unusual

places, 33 Walks in London is the ultimate insider's guide to exploring Britain's capital on foot.

*Rick Steves' London*

Random House

Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas.

Christmas at Highclere is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and

Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations.

This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a

quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas

to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.
