Millennials' Guide to Relationships

Ballantine Books

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

*Lay Me Down* True Love Dates

This book is packed with everything

amateur chefs need to know about delivering a pop-up restaurant. Including tips from the country's leading pop-up restaurateurs, the authors reveal everything from creating a menu, publicizing the event, dressing your venue, to running an organized kitchen. Discover how to: Theme your evening, and pick a fool-proof menu Organize front of house, and keep your customers happy Price your event and get free publicity Avoid licensing and health-and-safety pitfalls Guarantee your first pop-up is a roaring success Peppered with case studies from novices and professionals, you'll learn from other chefs' successes (and near-successes!) so your own evening runs without a hitch.

**Ask a Manager** New Harbinger Publications

Howard Boward, a 13-year-old boy-genius with a chip on his shoulder is too smart for his own good. He has troubles making friends—possibly because he complains so much. Until one day a science experiment goes haywire, and Howard creates a best friend for himself—Franklin—who also happens to be a monster. Creating Franklin was an accident, not like Howard was playing God or anything—or so Howard tells himself. Franklin and Howard are having so much fun, Howard decides to create more “friends,” using DNA from kids at school. Only, these friends aren't quite as friendly. Soon there's a major mess and Howard has to sort it all out before the monsters destroy their human counterparts. But terminating the monsters proves harder than he imagined. They didn't choose to be monsters; they can't go against their innate nature. Howard finds himself facing consequences for playing God. Getting rid of the monsters means

learning to tame his own inner beast, and Howard begins to understand the meaning of free will and true friendship  
*How to Make Friends and Monsters* New World Library

Helps families to transform the struggle with homework and make it a discovery of the unique gifts of each child

**Cues** Rowman & Littlefield

A imaginative picture book about how the power to change our world lies within ourselves. Caspian lives in a lighthouse surrounded by a cold gray-blue sea. Every day, he watches, wishing for a friend. But no one comes. So, Caspian decides that wishing is not enough. What follows is a friendship story that is tender, warm, and perfect for gift-giving. Stunningly illustrated and lyrical, this picture book feels fresh yet enduring, and is a reminder of how reaching out to others can change everything.

*Tell A Friend -- Word of Mouth Marketing: How Small Businesses Can Achieve Big Results* Conari Press

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convinced that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and

well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

*Loving Bravely* Penguin

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not)

and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

[Sweet Or Spicy?](#) Tamar Books  
Wall Street Journal bestseller! For anyone who wants to be heard at work, earn that overdue promotion, or win more clients, deals, and projects, the bestselling author of *Captivate*, Vanessa Van Edwards, shares her advanced guide to improving professional relationships through the power of cues. What makes someone charismatic? Why do some captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? If you have ever been interrupted in meetings, overlooked for career opportunities or had your ideas ignored, your cues may be the problem – and the solution. Cues

– the tiny signals we send to others 24/7 through our body language, facial expressions, word choice, and vocal inflection – have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likeability, and charisma in every interaction. You’ll learn:

- Which body language cues assert, “I’m a leader, and here’s why you should join me.”
- Which vocal cues make you sound more confident
- Which verbal cues to use in your résumé, branding, and emails to increase trust (and generate excitement about interacting with you.)
- Which visual cues you are sending in your profile pictures, clothing, and professional brand. Whether you’re pitching an investment, negotiating a job offer, or having a tough conversation with a colleague, cues can help you improve your relationships, express empathy, and create meaningful connections with lasting impact. This is an indispensable guide for entrepreneurs, team leaders, young professionals, and anyone who wants to be more influential.

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump’s then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs.

Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

*The Eleventh Trade* Robinson

Olivia shares a secret with her best friend who then lets it slip to someone else, and soon everyone knows about Olivia's secret.

Eclipse Springer

She's the invisible girl next door. The one nobody notices. Until Price Hudson moves in. Popular, friendly, and extremely hot, Kylee expects him to ignore her also. But he doesn't. Price sees beauty where she doesn't. He sees

someone amazing and valuable. Price lifts her from the dull, grayness of her life and shows her color. But Kylee's life is a dangerous one, and the closer Price gets to her, the more she realizes she might be endangering him. And even though he opens her eyes to love, it might be too late. Dive into the first book in this supernatural, friends to lovers young adult teen high school romance series!

When You're Ready, This Is How You Heal Gallery Books

"The definitive Friends history" that explores all aspects of the classic hit television show (Entertainment Weekly). Today, Friends is remembered as an icon of '90s comedy and the Must See TV years. But when the series debuted in 1994, no one anticipated the sensation it would become. From the first wave of Friends mania to the backlash and renaissance that followed, the show maintained an uncanny connection to its audience, who saw it both as a reflection of their own lives and an aspirational escape from reality. In the years since, Friends has evolved from prime-time megahit to nostalgic novelty, and finally, to certified classic. Ross, Rachel, Monica, Chandler, Joey, and Phoebe have entered the pantheon of great television characters, and yet their stories remain relevant still. I'll Be There for You is a deep dive into Friends history and lore, exploring all aspects of the show, from its unlikely origins to the societal conditions that amplified its success. Journalist and pop culture expert Kelsey Miller relives the show's most powerful moments, sheds light on its sometimes dated and problematic elements, and examines the worldwide trends that Friends catalyzed, from contemporary coffee culture to the wildly popular '90s haircut The Rachel. Taking readers

behind the scenes, Miller traces the cast's rise to fame and untangles the complex relationship between the actors and their characters. Weaving in revelatory interviews and personal stories, she investigates the role of celebrity media, world-changing events and the dawning of the digital age—all of which influenced both the series and its viewers. *I'll Be There for You* is the definitive retrospective of *Friends*, not only for fans of the series, but for anyone who's ever wondered what it is about this show—and television comedy—that resonates so powerfully. Praise for *I'll Be There for You* "Deeply reported and brimming with delicious insight . . . a nostalgic, thrilling and bittersweet journey behind the scenes of a TV show that captured the fleeting moment in our lives when friends became family." —Erin Carlson, author of *I'll Have What She's Having: How Nora Ephron's Three Iconic Films Saved the Romantic Comedy* "Miller not only gives all the fascinating backstory on how such a seminal and popular show made it to air, but answers the question that's been following me for years: how is this show still so popular? *I'll Be There for You* isn't just about *Friends*—it's about the specific void that *Friends* has filled in so many people's everyday lives." —Anne Helen Petersen, culture writer at BuzzFeed and author of *Too Fat, Too Slutty, Too Loud*

#### **The Love Hypothesis** Scholastic Paperbacks

*The Straight Scoop on the Questions That Make You Blush* Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn't the sex I'd hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringey experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the

most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

### **Chasing Love - Special Edition**

Zonderkidz

What do we wish most for our children? Next to being healthy, we want them to be happy, of course! Fortunately, a wide array of scientific studies show that happiness is a learned behavior, a muscle we can help our children build and maintain. Drawing on what psychology, sociology, and neuroscience have proven about confidence, gratefulness, and optimism, and using her own chaotic and often hilarious real-world adventures as a mom to demonstrate do's and don'ts in action, Christine Carter, Ph.D, executive director of UC Berkeley's Greater Good Science Center, boils the process down to 10 simple happiness-inducing steps. With great wit, wisdom, and compassion, Carter covers the day-to-day pressure points of parenting—how best to discipline, get kids to school and activities on time, and get dinner on the table—as well as the more elusive issues of helping children build healthy friendships and develop emotional intelligence. In these 10 key steps, she helps you interact confidently and consistently with your kids to foster the skills, habits, and mindsets that will set the stage for positive emotions now and into their adolescence and beyond. Inside you will discover • the best way avoid raising a brat—changing bad habits into good ones • tips on how to change your kids' attitude into gratitude • the trap of trying to be perfect—and how to stay clear of its pitfalls • the right way to praise kids—and why too much of the wrong kind can be just as bad as not enough • the spirit of kindness—how to

raise kind, compassionate, and loving children • strategies for inspiring kids to do boring (but necessary) tasks—and become more self-motivated in the process Complete with a series of “try this” tips, secrets, and strategies, Raising Happiness is a one-of-a-kind resource that will help you instill joy in your kids—and, in the process, become more joyful yourself.

*How To Win Friends and Influence People*  
Race Point Publishing

As the love triangle heats up in the third book, Bella must choose between her friendship with Jacob and her romance with Edward -- and her decision could change the fate of vampires and werewolves forever. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob -- knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation quickly approaching, Bella has one more decision to make: life or death. But which is which? It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Little, Brown Books for Young Readers  
A forbidden love story about fate, heartache, and second chances. He was my best friend's older brother. My first love, who left without so much as a

goodbye. Eight years later, I've said yes to marrying another man—the ever-so-perfect Julian Baker. I'm finally ready to let go of my past for a new future. But like all gut-wrenching love triangles, my past and future collide in a cruel twist of fate. Inside a busy restaurant, he's sitting at the table next to me wearing a jealous stare. And I'm forced to face the man who destroyed my heart in high school. Lex Edwards, now billionaire tycoon, won't back down easily. He's ruthless, cunning, and no longer the sweet and loving college graduate studying to become a doctor. Just like me, our tumultuous affair broke him. But now, he is hell-bent on winning me back. And Lex Edwards will stop at nothing to prove just how powerful our love is, even if it means we need to relive the past...

**Burn After Writing (Gray)** Flatiron Books

your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

**Friends Forever** Ballantine Books

It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, [Truelovedates.com](http://Truelovedates.com), and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

**I'll Be There For You** Harlequin  
Good friends and healthy friendships are crucial to women's well-being at every stage of life. But what happens when a

friendship turns toxic? When a friend becomes hurtful or mistreats another? When a friend abandons another in a time of need? Here, Suzanne Degges-White and Judy Pochel Van Tieghem explore such toxic friendships and how women navigate the ups and downs, as well as how broken friendships can be mended and bad friendships ended. Explaining and illustrating the “rules of friendship” at various stages of life, the authors reveal what it takes to be a good friend, how to identify bad friends, and how to move forward when friendships

turn sour. Vignettes of toxic friendship behaviors are shared, as well as tips on how best to respond to these rule-breaking friends in order to rebuild damaged relationships and repair a friendship’s foundation (when appropriate) and how to decide when it’s time to let go of a relationship that is bringing you down versus keeping you afloat. Information for parents is also provided, to aid them as they help their daughters navigate their friendships. We all need friends, but knowing when and how to let go can help us all be better friends—to ourselves, and also to others.
