Building Strong Friendships . . . We Need Them! "Sin always tends to make us blind to our own faults," writes James Houston, quoted in the book Connecting. "We need a friend to stop us from deceiving ourselves that what we are doing is not so bad after all. We need a friend to help us overcome our low-image, insulated self-importance, selfishness, pride, our deceitful nature, our dangerous fantasies. . . ." True, but there are so many other reasons we need close friends! And they are happy reasons, having nothing to do with sin and dysfunction. After all, what good is a

smashing success without a close friend to share in our joy? What would a scrumptious dinner be like without a pal across the table to savor it with? And how can we ever truly know the good in ourselves unless our friend reminds us to take a second look and —especially in the times when we're so down on ourselves, blinded to the wonderful gifts God has given us. The Scripture agrees when it says: Two are better than one, because they have a good return for their work. If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up! - Ecclesiastes 4:9-10 Yes, we need close friends because we often stumble and need help getting up. In short, we need encouragement, affirmation, warmth, and smiling eyes looking back into ours. We'll never grow beyond our need for close friends, so let's learn how to create those friendships and keep them going strong.

Three is most definitely not a crowd... Claire McKinley has just experienced every bride's nightmare: the groom is a no-show, and now she must face five hundred guests alone. Furious and humiliated, she seeks help from the most unlikely candidate-her almost-brother-in-law, who promptly whisks her away to his apartment in San Diego, where she can recover her pride in peace and quiet. Dylan Wade is no fan of Claire's, but he can't ignore the jilted bride in her time of need. Bringing her home seems like a good idea-until he remembers his new roommate. Dylan's relationship with Aidan Rhodes is...complicated. And with Claire thrown into the mix, life becomes even more...complicated. Claire is blindsided by her attraction not only to Dylan, but also to Aidan, a man she's just met. Soon they're caught up in an all-consuming sexual storm they can't fight even if they wanted to. But when their hearts get involved, Claire wonders if it can last, or if she's just setting herself up for more heartache. Warning: This book is very dirty. Ménage a trois and man-on-man dirty. Graphic language and explicit sex dirty. Basically? Dirty. You've been warned.

Naughty Boss Austin Macauley

He definitely wasn't supposed to get that email... Subject: My Boss. Have I already told you that I hate my boss today? Sexy as hell or not, this pompous, arrogant, ASSHOLE asked me to pick up his dry cleaning the second I walked through the door. Then he told me that I needed to take his Jaguar to a car wash that was ten miles outside of the city, but only after I needed to stand in a never-ending line to buy some type of limited, hundred-dollar watch. I honestly can't wait to see the look on his face two months from now when I tell him that I'm quitting his company and that he can kiss my ass. KISS. MY. ASS. All those former fantasies about him kissing me with his "mouth of perfection" or bending me over my desk and filling me with his cock are long over. OVER. Your bestie, Mya PS--Please tell me your day is going better than mine... Subject: Re: My Boss. No, you haven't already told me that you hate your boss today, but seeing as though you've sent me this email directly, I know now... Yes, I did ask you to pick up my dry cleaning the second you arrived to work to day. (Where is it?) And I did tell you to take my Jaguar to the car wash and pick up my thousand-dollar watch. (Thank you for taking five hours to do something that could be accomplished in two.) You don't have to wait two months from now to see the look on my face when you tell me you're quitting. I'm standing outside your office at this very moment. (Open the door.) No comment on your "fantasies," although I highly doubt they're "long over." Your boss, Michael PS--Yes. My day is definitely going far better than yours...

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was

I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados.The Spanish Love Deception is an enemies-to-lovers, fake-dating.

DIRTY, RICH ONE NIGHT STAND. That's all it was supposed to be. Her. Him. Pleasure. And then a fast goodbye. He's a stranger. And yet, he's not. She knows him even though he doesn't know her. He's the powerful attorney, now world-renowned after coming off the trial of a century which was publicized across the country. And I'm one of the reporters that sat in his courtroom. I watched him, studied him, got to know him from afar which isn't hard since I know his exact brand of confidence, arrogance, and wealth. I know his type. I've dated his type. Which is why when I happen to come face to face with him, when sparks fly and heat simmers between us, I know what happens if I say "yes" to Reese Summer. I know he'll taste like sin and sex, even before he kisses me. I know he'll feel like pleasure and passion, even before he touches me. I know he'll demand more than I wants to give, and yet, because I dare to give myself to him, the result will be deliciously hot. I know that I will not leave his bed without being utterly, completely sated. And I know that I will leave the next morning anyway. And so, I do. And so, he follows. And as the chase begins my question becomes: Is Reese Summer THE one or is he really just a dirty, arrogant lie that should have stayed a one night stand?

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and “beautifully.” In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from “How can I adapt my career in a time of constant change?” to “How can I step back from the daily rush and figure out what really makes me happy?” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “Why,” “What if,” and “How” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.
