New Jersey Devils, The Carole Marsh Books

Rumors, witchcraft, and murder in this true crime account of one of New Jersey's most notorious cold cases—from two Weird N.J. magazine contributors. As Springfield residents decorated for Halloween in September 1972, the crime rate in the affluent New Jersey township was at its lowest in years. That mood was shattered when the body of sixteen-year-old Jeannette DePalma was discovered in the woods, allegedly surrounded by strange objects. Some feared witchcraft was to blame, while others believed a serial killer was on the loose. Rumors of a police coverup ran rampant, and the case went unsolved—along with the murders of several other young women. Including extensive interviews with DePalma's friends and family, new evidence, and theories about who could have committed this horrible crime, *Death on the Devil's Teeth* provides the definitive account of this shocking cold case more that remains a mystery more than four decades later.

New Jersey Hot Air Balloon Mystery Motorbookss

Wearing the "C" insignia on the uniform—a badge of honor reserved for team captains—is professional hockey's highest honor, and this study discusses how many of the NHL's all-time greatest players were captains. This exciting new book—an entertaining and enlightening blend of hockey stories and leadership lessons—reveals the secrets of hockey's greatest captains by asking questions such as "What does it take to lead a team to championship? What are the keys to overcoming unexpected adversity? "and" How does a captain manage strong egos from diverse backgrounds into a unified, focused team?" To get the inside story, author Ross Bernstein interviewed more than 100 of the all-time greatest captains, assistant captains, and head coaches, including Wayne Gretzky, Scotty Bowman, Phil Esposito, and Joe Sakic. An ideal book for any hockey fan, this work recounts some of the greatest moments in NHL history.

New Jersey Timeline Rowman & Littlefield

"For the better part of two centuries, at least, the story of the Jersey Devil has been part of the culture of Southern New Jersey. A fire-breathing monster with the head of a horse, bat wings and the body of a kangaroo, the creature is said to be the thirteenth child of Mother Leeds, born in 1735, when the unfortunate woman put a curse on her future offspring. Informed at a tender age by his BeBop (his grandmother) that he is distantly related to the beast, Bill Sprouse goes looking for the story behind the story of his family's connection to the famous monster. The result is part memoir, part travelogue and part a raucous tour of three-hundred years of New Jersey history. The domestic life of the Jersey Devil traces the origins of the Jersey Devil legend to an obscure pamphlet war that sent the Leeds family to Leeds Point at the end of the seventeenth century, with the family patriarch, Daniel Leeds, branded Satan's Harbinger in the process. It follows the story through its connection with the residents of the Pine Barrens (the famous Pineys), who were said to live in fear of the beast, and, finally, it examines the legend in its modern iterations: X-files episodes are made about the monster, a pro hockey team is named after it, and residents of Galloway Township attempt to adopt the creature as the official town mascot. The domestic life of the Jersey Devil is a book about suburban identity, and about one suburbanite's attempt to come to terms with his family history in the most unlikely of places."--

New Jersey Bloomsbury Publishing USA

A product of innuendo and rumor, as well as scandal and media hype, the Jersey Devil enjoys a rich history involving land grabs, astrological predictions, mermaids and dinosaur bones, sideshows, Napoleon Bonaparte's brother, a cross-dressing royal governor, and Founding Father Benjamin Franklin.

New Jersey, the Garden State America the Beautiful

Susan joins her cousin Andy in New Jersey to celebrate Christmas and writes home to tell her

Aligns to Common Core State Standards requirements for Reading Informational Text.

New Jersey Meadowlands Sterling Publishing Company, Inc.

Lesser known facts on the history, legends, and lore of New Jersey.

Hard to Believe But True! Book of New Jersey History, Trivia, Mystery, Legend, Lore & More Carole Marsh Books

In the course of its extraordinary history, the Jersey Devil has been exorcised, shot, electrocuted, declared officially dead, and scoffed as foolishness--none of which has had any effect on it or the people who persist in seeing it!This mysterious creature is said to prowl the lonely sand trails and mist-shrouded marshes of the Pine Barrens, and emerge periodically to rampage through the towns and cities of New Jersey and eastern Pennsylvania, leaving many communities in near-hysteria.The authors show that while a few appearances have been out-right fraud and others have likely been the result of mass hysteria, this creature has been seen by enough sane, sober, and responsible citizens to keep the possibility of its existence alive and tantalizing.Over 50,000 in print

The New Jersey Devils Johns Hopkins University Press

Presents a history of the New Jersey Devils hockey team, highlighting the games and players that have contributed to the team's success through the years.

Tales from the New Jersey Devils Locker Room Carole Marsh Books

From the moment Dr. John McMullen brought professional hockey to New Jersey to the moment Scott Stevens lifted the Stanley Cup over his head for the third time, the Garden State has been in live with its New Jersey Devils. In Chico Resch's *Tales from the Devils Ice*, former New Jersey gothic Chico Resch and co-author Mike Kerwick bring readers along for a wild ride from the lean early seasons to the three Stanley Cup championships. The book has it all, including details about John MacLean's game winner against Chicago, the goal that propelled the Devils into the playoffs for the first time; Ken Daneyko's emotional curtain call in Game 7 of the 2003 Stanley Cup Finals; and Martin Brodeur's yearly playoff dominance, Resch and Kerwick spent the 2003-04 season talking to players past and present, searching for the stories behind the stories. They provide answers to questions like: Why did teammates shove a shaving-cream pie in defenseman Colin White's face during a practice in Columbus? Why did Garry Howatt serve as an official linesman while he was still on the Devils roster? And why did Kirk Muller receive a phony subpoena when he was a little late paying for auto body work on his car? Fans will not have to wonder about questions like those any longer. Chico Resch's *Tales from the Devils Ice* is an easy skate through Devils history, revealing insights behind the stories fans have heard and many others they have not heard until now.

New Jersey Devils ABDO

Explores haunted places, local legends, crazy characters, and unusual roadside attractions found in New Jersey.

The Secret History of the Jersey Devil SAGE Publications

Martin Brodeur is a giant in the world of hockey. He is the number-one goalie in the game today, and one of the greatest goaltenders of the modern age. He has been netminder for the New Jersey Devils for 13 years, leading them to three Stanley Cup victories and winning numerous individual awards in the process, including two Vezina trophies. A three-time Olympian for Canada, Brodeur was part of

the gold-medal winning team at the 2002 Winter Olympics in Salt Lake City. He was in goal when Team Canada captured the 2004 World Cup and has been a part of every major Canadian team since he broke into the NHL in 1992. He is rated as the fourth most popular and recognizable hockey player of all time (after Wayne Gretzky, Bobby Orr, and Mario Lemieux). In *Brodeur: Beyond the Crease*, the game's best netminder takes a candid, personal look at his career, his sport, the business of hockey, the evolution of the sport, and his journey to the apex of the modern game. It is one man's detailed, unique view of the kaleidoscope of intrigue and competitive chaos that defines today's NHL, a rare opportunity to understand the sport through the eyes of one of the game's most insightful athletes at the height of his abilities. *Brodeur: Beyond the Crease* traces Brodeur's career, revealing how he became the best, from minor hockey through junior to the NHL and Team Canada. It examines his rich national and personal hockey heritage, and the pivotal role his father and others played in his career, as well as his thoughts and insights on: being part of the effort that turned the New Jersey Devils around from being what Wayne Gretzky called "a Mickey Mouse organization" into one of the game's most powerful and successful franchises; being in the crease in 2002 when Canada ended a 50-year gold medal drought at the Olympics; being a Canadian and a Quebecer playing and living in the US; life as a husband and father of four, his love of motorcycles, and the lifestyle of the modern athlete; pursuing greatness and sporting records; the best goalies he's ever seen and the best NHL shooters; how he prepares for game day; what it's like to be the wealthiest man ever to play his position, and what it was like to watch \$8 million in salary fly out the window during the NHL lockout of 2004-2005. In association with award-winning sports journalist Damien Cox, the top goalie in the game takes us inside the game and beyond, to reveal the man behind the mask.

NEW JERSEY ROLLER COASTERS: The Ups & Downs of Our State's Most Popular Amusement Ride Carole Marsh Books

Battle on the Hudson Triumph Books

From the moment Dr. John McMullen brought professional hockey to New Jersey to the moment Scott Stevens lifted the Stanley Cup over his head for the third time, the Garden State has been in love with its New Jersey Devils. In *Tales from the New Jersey Devils Locker Room*, former New Jersey goalie Chico Resch and co-author Mike Kerwick bring readers along for a wild ride from the lean early seasons to the three Stanley Cup championships and beyond. The book has it all, including details about John MacLean's game winner against Chicago, the goal that propelled the Devils into the playoffs for the first time in 1988; Ken Daneyko's emotional curtain call in Game 7 of the 2003 Stanley Cup Finals; Martin Brodeur's yearly playoff dominance and today's Eastern Conference contenders. *Tales From the New Jersey Devils Locker Room* is an easy skate through Devils history, revealing insights behind the stories fans have heard and many others they have not heard until now. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football,

pro and college basketball, hockey, or soccer, we have a book about your sport or your team.

Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

New Jersey History Carole Marsh Books

For public and school libraries, this resource reflects recent changes in Library of Congress subject headings and authority files, and provides bilingual information essential to reference librarians and catalogers serving Spanish speakers. Libraries must provide better access to their collections for all users, including Spanish-language materials. The American Library Association has recognized this increasing need. *Subject Headings for School and Public Libraries: Bilingual Fourth Edition* is the only resource available that provides both authorized and reference entries in English and Spanish. A first-check source for the most frequently used headings needed in school and public libraries, this book incorporates thousands of new and revised entries to assist in applying LCSH and CSH headings. Of the approximately 30,000 headings listed, most include cross-references, and all of the cross-reference terms are translated. MARC21 tags are included for all authorized entries to simplify entering them into computerized catalogs, while indexes to all headings and free-floating subdivisions are provided in translation from Spanish to English. This book gives librarians access to accurate translations of the subject terms printed in books published and cataloged in English-speaking countries—invaluable information in settings with Spanish-speaking patrons.

Subject Headings for School and Public Libraries 25, the History of the Devils in New JerseyNew Jersey Devils

The earliest forms of ice hockey developed over the centuries in numerous cold weather countries.

In the 17th century, a game similar to hockey was played in Holland known as kolven. But the modern sport of ice hockey arose from the efforts of college students and British soldiers in eastern Canada in the mid-19th century. Since then, ice hockey has moved from neighborhood lakes and ponds to international competitions, such as the Summit Series and the Winter Olympics. *Historical Dictionary of Ice Hockey* traces the history and evolution of hockey in general, as well as individual topics, from their beginnings to the present, through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary has more than 600 cross-referenced entries on the players, general managers, managers, coaches, and referees, as well as entries for teams, leagues, rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about ice hockey.
