## **DANIELA RODGERS**

Hear's the Thing  
Library of Alexandria  
Eleven Doctors, eleven  
months, eleven stories:  
a year-long celebration  
of Doctor Who! The  
most exciting names in  
children's fiction each  
create their own  
unique adventure  
about the time-  
travelling Time Lord.  
Thousands of years  
ago, Time Lords built a

Prison for the Kin. They  
made it utterly  
impregnable and  
unreachable. As long  
as Time Lords existed,  
the Kin would be  
trapped forever and  
the universe would be  
safe. They had planned  
for everything . . .  
everything, that is,  
other than the Time  
War and the fall of  
Gallifrey. Now the Kin  
are free again and  
there's only one Time  
Lord left in the  
universe who can stop  
them! Author Neil

Gaiman puts his own unique spin on the Doctor's amazing adventures through time and space in the eleventh and final story in the bestselling 50th anniversary series!

Verses from Montreal

Harper Collins

Written over his first year in Montréal, B.R. Houtman captures in his debut poetry book, *Verses from Montréal*, a small glimpse of not just the city's seasons, scenery, and social singularities, but of its immeasurable and unparalleled soul. It proves a pertinent read for anyone as captivated by the city as he is.

**Knocked Up** Samuel French, Inc.

The play examines gender and power relationships through the lens of 17th-

century witchcraft trials in England.

It's Great to Create

Picador

Wuthering Heights is the name of Mr. Heathcliff's dwelling. Wuthering being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set

in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the

family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row,

on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies;

and other dogs haunted other recesses.

If you thought you'd seen all the mayhem Harley was capable of unleashing with the help of an all-powerful genie and infinite wishes...well, we wish you'd known better!

**Scuttlers** DC Comics  
In this tale of grit and glamour, setbacks and comebacks, business and pop culture icon Tommy Hilfiger shares his extraordinary life story for the first time. Few designers have stayed on top of changing trends the way Tommy Hilfiger has. Fewer still have left such an indelible mark on global culture. Since designing his first collection of "classics with a twist" three decades ago,

Tommy Hilfiger has been synonymous with all-American style—but his destiny wasn't always so clear.

Growing up one of nine children in a working-class family in Elmira, New York, Tommy suffered from dyslexia, flunked sophomore year of high school, and found himself constantly at odds with his father.

Nevertheless, this self-described dreamer had a vision and the relentless will to make it a reality. At eighteen he opened his own clothing store, parlaying his uncanny instinct for style into a budding career as a fashion designer.

Through decades of triumph and turmoil, Tommy remained doggedly optimistic. To this day, his approach to commerce is rooted

in his positive view of the world. American Dreamer brims with anecdotes that cover Tommy's years as a club kid and scrappy entrepreneur in 1970s New York as well as unique insights into the exclusive A-list personalities with whom he's collaborated and interacted, from Mick Jagger and David Bowie to Ralph Lauren and Calvin Klein. But this is more than just a fashion icon's memoir—it's a road map for building a brand, both professionally and personally. Tommy takes us behind the scenes of every decision—and every mistake—he's ever made, offering advice on leadership, business, team-building, and creativity.

This is the story of a true American original, told for the first time in his own words, with honesty, humor, and the insatiable appetite for life and style that proves that sometimes you have to dream big to make it big. Praise for American Dreamer “A unique look into the fashion world . . . an honest, straightforward, mostly entertaining autobiography of the man who created a classic yet hip line of clothing.”—Kirkus Reviews “Fashionistas and business gurus alike will glean important lessons from Hilfiger’s rags-to-riches rag-trade story.”—Booklist “Tommy burst onto the fashion scene at the height of hip-hop and was instantly taken up by rappers and rockers

alike. Since then, year after year he has been ahead of the curve with his elegant and stylish looks. His creative energy has always been an inspiration to me. He’s really himself in American Dreamer.”—Mick Jagger “In American Dreamer Tommy shows how he has taken the (rock) stars and the (preppy) stripes and come up with a look—and a label—that are recognized globally as being quintessentially American, as well as a brand that constantly keeps time with pop music.”—Anna Wintour “Tommy is an inspiration to many people. American Dreamer shows how he has managed to be successful in business and done so with

integrity.”—David Beckham “Tommy is one of the most genuine people I know! In *American Dreamer* you can feel his passion pour through everything he does: fashion, fatherhood, family, and friendship!”—Alicia Keys “Tommy Hilfiger is an American icon who was able to transcend fashion and blend it with pop culture and take it to a worldwide audience. *American Dreamer* documents how, unlike any other designer, Tommy was able to tap into music, its subculture, and its influence on society.”—Tommy Mottola

### **The Magicians**

**Trilogy** Hachette Books

*Men to Avoid in Art and Life* pairs classical fine

art with modern captions that epitomize the spirit of mansplaining. This hilarious book perfectly captures those relatable moments when a man explains to a woman a subject about which he knows considerably less than she does. Situations include men sharing keen insight on the female anatomy, an eloquent defense of catcalling, or offering sage advice about horseback riding to the woman who owns the horse. • These less qualified men of antiquity dish out mediocrity as if it's pure genius • For the women who have endured overbearing men over the centuries • Written with hilariously painful accuracy "Now, when you're riding a horse,

you need to make sure to keep a good grip on the reins." "These are my horses." Through cringe-induced empathy, this timeless gift book of shared experiences unites women across history in one of the most powerful forms of resistance: laughter. • Started as a Twitter thread and quickly gained widespread popularity. • Makes a perfect book for women and feminists with a wry sense of humor, millennials, anyone who loves memes and Internet humor, as well as history and art buffs. • You'll love this book if you love books like *Men Explain Things to Me* by Rebecca Solnit, *Milk and Vine: Inspirational Quotes from Classic Vines* by Emily Beck, and

*Awards For Good Boys: Tales Of Dating, Double Standards, And Doom* by Shelby Lorman.

**Our Man in New York** Simon and Schuster

'One of the most beautiful books you will ever read' Kate Mosse  
In this powerful memoir, Joanna Cannon tells her story as a junior doctor in visceral, heart-rending snapshots. We walk with her through the wards, facing extraordinary and daunting moments: from attending her first post-mortem, sitting with a patient through their final moments, to learning the power of a well- or badly chosen word. These moments, and the small sustaining acts of kindness and connection that

punctuate hospital life, teach her that emotional care and mental health can be just as critical as restoring a heartbeat. In a profession where weakness remains a taboo, this moving, beautifully written book brings to life the vivid, human stories of doctors and patients - and shows us why we need to take better care of those who care for us.

*African Catwalk*

Penguin

**FEATURING BRAND NEW MATERIAL** The official companion to the hit TV show, *Peaky Blinders*, fully illustrated in colour. Packed full of behind-the-scenes stories and interviews with the cast and creators of the show, this is the first official book. 'A must-read for fans of

the ruthless Shelby clan' *Daily Express*' A hoard of information lurks inside the first official companion to the hit drama' *Sunday Express*' A heavyweight hardback in every sense of the word... essential reading for fans of the series' *Birmingham Mail* Walk through The Garrison Tavern's saloon bar doors and onto the streets of Birmingham, past the fire-belching factories and away to the horse fairs on the edge of town. Welcome to the world of the *Peaky Blinders*. Since it first hit our screens in 2013, *Peaky Blinders* has evolved from cult hit to a global phenomenon. *By Order of the Peaky Blinders* is the first official book of the TV series, featuring exclusive interviews with creator and writer

Uncle Vanya Chronicle Books

Crossword fans who love easy puzzles love Tuesdays! They're fast and fun to complete but offer a hint of a challenge. Now for the first time, we offer 200 of them in a beautiful omnibus. Featuring: - 200 easy Tuesday crosswords - Big omnibus volume is a great value for solvers The New York Times-the #1 brand name in crosswords - Edited by Will Shortz: the celebrity of U.S. crossword puzzling Forgotten Books

From #1 New York Times bestselling author Lev Grossman comes a magical-realist romance that turns the Groundhog Day premise inside-out and upside-down—coming soon to Amazon as a major motion picture. Mark is 17-years-old and trapped in a time loop, and that's just fine with him. It's summertime and he's spending this one infinitely repeating day reading his way through the town library. Then he discovers someone else in the loop with him: the brilliant, haunted Margaret. Together Mark and Margaret set out to find every wonderful, amazing, perfect thing that happens in that one day—a journey that will take them to the dark secret that

waits at the very heart of their endless day. Thrilling, funny, and deeply romantic, this novella is perfect for fans of John Green, Nicola Yoon, and Jandy Nelson.

### **You Can't Be Serious**

Ballantine Books

In *Long Drawn Out Trip: My Life*, Gerald Scarfe tells his life story for the first time. With captivating, often thrilling stories, he takes us from his childhood and early days at *Punch* and *Private Eye*, through his long and occasionally tumultuous career as the *Sunday Times* cartoonist, to his filmmaking at the BBC and much-loved designs for Pink Floyd's *The Wall* and Disney's *Hercules*. Along the way he has drawn Churchill from life, gone on tour with

The Beatles and thoroughly upset Mrs Mary Whitehouse. It is a very personal, wickedly funny and caustically insightful account of an artist's life at the forefront of contemporary culture and society.

Greece, which refers to a terrible road accident

at Glan Morfa, Jeff begins to feel that he is being watched, a feeling that is reinforced when he is handed a threatening letter via the hotel waiter.

*Sister Parish Design*

Kehrer Verlag  
Comfort is the essential element of a successful interior and the hallmark of the Parish-Hadley style. In *Sister Parish Design*, Libby Cameron, Sister's last protégé, and Susan B. Crater, Sister's granddaughter, explore this aspect and much more in a series of conversations with the leading decorators of today. Sister Parish is the iconic American decorator of her generation. Her use of flowered chintzes and overstuffed armchairs combined with unexpected items, like

patchwork quilts and painted furniture, is credited with popularizing what is known as American Country-style during the 1960s. Her passion for bold color and mixed patterns invoked charm, imagination, and a lived-in look to her rooms. Her philosophy was to be unafraid and to put things together because you liked them--not because they matched. Filled with beautifully-rendered watercolor illustrations, *Sister Parish Design* is more than just a stunning book—it is an inspirational resource that all decorating aficionados will want to add to their bookshelf. **Long Drawn Out Trip**  
Bloomsbury Publishing  
How Black culture reinvented and

subverted the Ivy Look. From the most avant-garde jazz musicians, visual artists and poets to architects, philosophers and writers, *Black Ivy: The Birth of Cool* charts a period in American history when Black men across the country adopted the clothing of a privileged elite and made it their own. It shows how a generation of men took the classic Ivy Look and made it cool, edgy and unpredictable in ways that continue to influence today's modern menswear. Here you will see some famous, infamous and not so famous figures in Black culture such as Amiri Baraka, Charles White, Malcolm X, Martin Luther King Jr., James Baldwin, Miles Davis, John Coltrane and Sidney Poitier, and

how they reinvented Ivy and Prep fashion--the dominant looks of the time. The real stars of the book--the Oxford cloth button-down shirt, the hand-stitched loafer, the soft shoulder three-button jacket and the perennial repp tie--are all here. What *Black Ivy* explores is how these clothes are reframed and redefined by a stylish group of men from outside the mainstream, challenging the status quo, struggling for racial equality and civil rights. Boasting the work of some of America's finest photographers and image-makers, this must-have tome is a celebration of how, regardless of the odds, great style always wins.

**Hedwig and the Angry Inch** Second to

None: Chicago Storie The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story filled with intimate

bombshells—told by the bombshell herself.

On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in

boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance

encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra

doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon.
