This richly crafted portrayal of community and friendship is an ode to those most affected by changing cities. 11th Street: it wasn't pretty, but it was home. Naomi spends her afternoons scooting down the streets and drawing with chalk on the sidewalks with her best friend Ada, getting a slice of pizza and

visiting her neighbor Mister Ray at his auto shop, and dreaming of fantastic worlds within her own. But her beloved neighborhood is changing. Trees are chopped down, flashy new buildings spring up, and one by one Naomi's neighbors are forced to move away. Faced with the rapid transformation of her once-familiar city block, Naomi turns to painting murals to preserve her favorite 11th Street memories. When something we love goes away we paint it on the wall so it's always with us, Mister Ray tells her, and Naomi discovers that no matter how her world changes, as long as she has places and people to love, she will always have a home.

Love in the Library Penguin

Set in an incarceration camp where the United States cruelly detained Japanese Americans during WWII and based on true events, this moving love story finds hope in heartbreak. To fall in love is already a gift. But to fall in love in a place like Minidoka, a place built to make people feel like they weren't human—that was miraculous. After the bombing of Pearl Harbor, Tama is sent to live in a War Relocation Center in the desert. All Japanese Americans from the West Coast—elderly people, children, babies—now live in prison camps like Minidoka. To be who she is has become a crime, it seems, and Tama doesn't know when or if she will ever leave. Trying not to think of the life she once had, she works in the camp's tiny library, taking solace in pages bursting with color and light, love and fairness. And she isn't the only one. George waits each morning by the door, his arms piled with books checked out the day before. As their friendship grows, Tama wonders: Can anyone possibly read so much? Is she the reason George comes to the library every day? Maggie Tokuda-Hall's beautifully illustrated, elegant love story features a photo of the real Tama and George—the author's grandparents—along with an afterword and other back matter for readers to learn more about a time in our history that continues to resonate.
