PRAISE FOR THE MILLIONAIRE DEBT-
FREE "The Debt-Free Millionaire is a
clarion call for a generation that was
brought up on spending tomorrow's

money today. As someone who spent time in the financial services industry, I can unequivocally state that Anthony's pragmatic and refreshingly contrarian approach to the real secrets of cash-flow management—and leveraging the credit system—are a breath of fresh air in a smog-choked world of misinformation and confusing financial advice. I can think of a million reasons to read it." —MICHAEL DIFRISCO President, BrandXcellence "Read this book. Do what it says. Start living the dream. If you're ready to take charge of your financial future, this is the place to start." —KEITH J. CUNNINGHAM Keys to the Vault & Business School for Entrepreneurs "The Debt-Free Millionaire offers unique insights, little known strategies and easy-to-understand

practical tools to first manage then eliminate debt. It is a must read for both consumers and financial professionals to better explain the often complex world of debt management. More like getting sensible advice from a good friend than a technical financial advisor." —ROY BALFOUR President of Ro???Mart Inc. "Tony has produced a clear and straightforward guide to debt, and how to eliminate it, that is as timely as it is needed. Anyone who follows the program in this book will be glad they did." —JEFFREY K. MEEK Former Vice President-Recovery Operations, WaMu Card Services "Great for readers of all ages and in all financial stages. This isn't one of those get-rich-quick schemes. This book provides a foundation for a paradigm shift in your thinking process

and allows for you to see how to achieve the seemingly unachievable. I was hooked from the beginning!" —JENNA KEEHNEN Executive Director, www.USOBA.org

Winning the Credit Score Game John Wiley & Sons

Credit is one of the most important aspects of our financial lives, but the fact is few people have a true understanding of the subject or how to impact their credit report and score. Some financial "gurus" advocate that you should not

use credit cards and that you should live off of your cash, which will leave you without a credit history. This means cash is your only buying power. Winning the Credit Score Game takes a different approach. It teaches you how to exercise the disciplined credit philosophy that will allow you to live within your cash and earn a stellar credit history, earning you a top tier credit rating that will entitle you to the lowest interest rates. In other words, you will learn how to build buying power beyond your cash without going into debt that exceeds your budget. Increasing your credit score will save you thousands of dollars a year on interest and insurance rates.
