How to Open & Operate a Financially Successful Car Detailing Business

Createspace Independent Publishing Platform
Automotive Detailing in Detail takes the combined experience and expertise of three leading detailing commentators to provide a thorough and expansive overview of automotive detailing techniques. From the pre-wash, wash and preparation stages, through machine polishing to paint protection and maintenance, every detailing stage is covered: surface types, contaminants and products are analysed, before the actual processes are laid bare. In the age of the internet

and social media, a plethora of detailing knowledge is available online, yet it is strangely difficult to discover completely, or harness usefully. This book redresses the balance. Aimed at motoring enthusiasts, car mechanics, restorers, valets and those thinking of setting up a valeting/car detailing business and illustrated throughout with 268 colour photographs and 36 line artworks. *Entrepreneur Magazine's how to Start an Automobile Detailing Business* ARX Brand International LLC

Home-Based Businesses That You Can Start Today

Mark Allen

Are you looking to open a business that offers an endless stream of repeat customers, has a flexible work schedule, and allows you to make as much money as you are willing to put into it? If the answer is yes, then perhaps the car detailing business is for you. The average price for a complete car detail is \$150 to \$300. Even if you only service two cars per day, this can add up to a lot of money fast. Starting a detailing business may seem as easy as buying a sponge and a hose, but if you do not carefully plan every detail, you may find yourself in over your head before you ever make a profit. With this book, you will learn the most efficient ways to start and run a full-time business with a minimal amount of money, all in a minimal amount of time. This complete kit will address the question of whether you will have your own shop or whether you will be a traveling service, going straight to the customers' locations, as well as the business information that you will need to know to handle each situation. If

you plan on opening a full-scale detailing operation, this book can help you with information on how computer systems can assist you with saving time and money, how to hire and keep a qualified professional staff, how to meet IRS requirements, how to manage and train employees, how to generate high-profile publicity, and how to implement low-cost internal marketing ideas. You will learn how to build your business by using low- and no-cost ways to satisfy customers, as well as ways to increase sales and referrals. This book outlines thousands of great tips and useful guidelines so you will be well on your way to working at the car wash and owning one.
