How to Learn a Foreign Language
iUniverse

Fast, Easy Way to Learn a Language is essential reading for anyone studying a language at school, for business, travel or just for pleasure. Well-known inspirational teacher Bill Handley speaks 15 languages at various degrees of fluency. He is passionate about learning languages and believes language learning should be an adventure. In this book he explains: how to have fun building your vocabulary in record time the easy way to get to grips with grammar why you should use more than one textbook how to use your 'lost time' to learn faster what to do when you feel like giving up how to write your own 'survival skills' course. Fast Easy Way to Learn a Language will have you speaking your new language in no time. The book explores all the important topics: active and passive learning, mastering a different alphabet, using recorded material, planning your own immersion program, making effective use of the internet and much more. It includes special advice for school and university students. This is the fun way to learn a language.

Daily Spanish Lessons Simon and Schuster

Explains how to learn foreign languages, offering practical advice for overcoming the obstacles.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better,

faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children. 1001 Easy Italian Phrases Diamond Pocket Books Pvt Ltd
Hola ¿QueTal? ¿Quieres aprender el idioma español ? Do you want to learn the Spanish Language fast without having to relocate to a Spanish-speaking country for months? Are you planning a trip to Spain or Latin American? Do you want to learn a new language but don't have enough time to learn? If you want to learn how to speak Spanish with complete confidence and easy way, then keep reading... Spanish is one of the three most spoken languages in the world. Even if you live in a place where everyone speaks English, you will need Spanish sometimes. If you plan to travel to a Spanish-speaking country, you will need to learn the basics to enjoy your trip to the fullest. Spanish is one of the most useful languages that one can study, learning Spanish does not have to be an extremely difficult task for a native English-speaker. If you approach learning Spanish with the logic that there is a formula to certain vocabulary words, you will have an enormous advantage that will help you master Spanish much quicker than your colleagues. Consider this book as my recommendations on how to master the Spanish language from an individual who grew up as a native bilingual Spanish and English speaker. One of the biggest problems when learning a new language

is the time it takes and sometimes, we do not have it since life is full of things to do. On the other hand, many beginners wonder where to start. Maybe you have several options to choose from, but when something is about investing time and money, you will consider it very well, right? This Bundle Book divided into 6 parts, you will find: Spanish for Beginners Vol 1 Spanish for Beginners Vol 2 Spanish Grammar and Conjugating Verbs Spanish Phrases, Conversations, and Vocabulary for Beginners 30 Spanish Short Stories for Beginners, Vol 1, Vol 2 Some of its characteristics are simplicity, easy to understand, useful, and reliable. This book contains a vocabulary section that will help you to learn new Spanish words and phrases every day, as well as a grammar explanation that will allow you to understand and learn the grammatical structure and enjoy speaking good Spanish from the beginning. Then with Short Stories you can discover and learn new words and expressions. When you read a new book or listen to a new audiobook in a new language, you will face new words and new expressions. These new words and expressions, after discovering or looking for their meaning, can be written down to help incorporate them into your vocabulary. Learning a language with stories means learning useful vocabulary. You can learn meaningful vocabulary and that you can easily use it. After having studied this guide, you will be able to communicate and make yourself understood in different fields of daily life. Also, you will be trained to deepen the learning. This book aims to introduce you to the beautiful world of this language and I am sure it will be your starting point to explore and learn the basic terms to communicate with Spanish-speaking people and avoid

common mistakes that some English-speaking people make when learning Spanish. Even if you have never had contact with Spanish before, this book is perfect for you because it is for people with very little or no knowledge of Spanish. Buy the Paperback version of this Book to turn wasted time into learning time. Scroll the top of the page and select the Buy Now button.

Language Is Music Moody Publishers
Language is Music focuses on making learning foreign languages fun, easy and affordable for anyone with a desire to communicate effectively with people around the world. By applying over 100 simple tips to things you already do, such as listening to music or surfing the Web, you can experience the joy of "fluency" in any language without having to study abroad or spend money on private tutors. In *Language is Music*, Susanna Zaraysky masterfully shares her listening methods so that anyone can have fun learning any language. With over 100 tips and 100 free or low-cost Internet resources, you will learn how to use daily activities, such as watching T.V. or listening to music; conversation partners; and attendance at cultural events to become a masterful speaker of any tongue. "Learning foreign languages is like learning to sing a song or play music," says self-made linguist Susanna Zaraysky and author of *Language is Music*. Zaraysky has what you might call "an ear" for languages, having used music to successfully learn English, Russian, French, Spanish, Italian, Portuguese, and Serbo-Croatian—all with excellent accents. Advance Praise for *Language is Music* "I love it! I think it will help people who want to learn, and those who are curious about additional language learning. Many people want to learn a language but are frightened, or disappointed by the courses they have taken. Reading

Language is Music will encourage them to try again, on their own and with friendly supporters." -Dr. Elba Maldonado-Colon, Professor Department of Elementary Education Bilingual Program, San Jose State University LET IT JUST ROLL OFF YOUR TONGUE. With lyrical insight and solid experience, Susanna Zaraysky, author of Language is Music, provides easy steps for learning a language. Gone are the boring, disconnected strategies that most of us remember from school. You've never learned a language this quickly and easily. Zaraysky's methods embody fun, connection, rhythm, and above all...music. -Suzanne Lettrick, M.Ed Educator and Founder of The Global Education and Action Network "Forget dictionaries and phrase books . . . Susanna Zaraysky's easy-to-use guide to language learning is indispensable for any serious language learner wanting to become fluent--not just conversationally proficient--in another language. Language is Music will teach you how to make language acquisition a part of your daily life, and to recreate the kind of total-immersion environment necessary for fluency. Highly recommended reading for aspiring polyglots. Pick up this book and you too will be all ears!" - Justin Liang, Japanese, Mandarin, Cantonese, Marshallese, intermediate Spanish Back in France, I spent many years learning "academic" English in school. But I progressed much faster when I forced myself to listen to the BBC or not look at the subtitles when watching an American movie. I wish I had Susanna's book with me then. It's full of creative ideas and practical tips that are indispensable complements to the traditional methods of learning foreign languages -- and it's coming from someone you can trust, she speaks so

many of them! -Philippe Levy, French native speaker This book is great. It showed me another aspect and a new approach of learning a language. I will put the book to good use. As a foreign English speaker, I spent many years at school learning English and did not make much progress. A lot of the tips that I read in this book, I learned them with time. However if I had read this book earlier, it would have made my life much easier and I would have saved so much time. I am going to apply the tips in Language is Music into learning a third language: Spanish. This time, I am sure I will make huge progress much faster. Not only is Language is Music useful in acquiring a foreign language, but the resources and websites in the book are valuable for someone who wants to travel abroad. -Fabien Hsu, French native speaker

Fluent Forever Mfg Application Consulting Engr

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting,

loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Simplified Swahili Hachette UK

This is a fun and user-friendly way to learn English. English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help readers learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress effortlessly from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 1 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit

has a list of all the words and phrases to be learned in that unit, together with a pronunciation guide. At the end of each unit, an entertaining story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Fluent in 3 Months W. W. Norton & Company

Do you need to learn a language? This is the place to do it, no questions asked. This book uses a combination of orthodox immersion methods in order to make you go in one end a complete newbie to a language and come out the other a fluent speaker. It won't be any shortage of work on your part, but this book is going to set you up with all the tools that it possibly can so that you can be a fantastic speaker of a second language in as short of a time as a few months. Through encouragement, motivation, rational observation, and careful breaking down of key concepts into malleable bite-sized chunks, this book makes learning language easier than it's ever been before. What makes this book better than other language books which tell you how to do something similar? The fact that this is the same exact method I've used to study several languages. I know that anecdotal evidence doesn't mean much, but there's genuine merit to the methods contained in this book, and if you give it a chance, then you'll see for yourself that there's no method to language learning out there that is as effective as this one proves itself to be. So what are you waiting for? If you're tired of sitting around deliberating on exactly when you're going to start learning a language, I implore you to jump in right now with a copy of this

book and see if you aren't speaking the language spectacularly in a few months' time. There are a lot of books on this topic, but there are none like this one.

The Spanish Love Deception Courier Corporation

Do you speak money? You should. It is the world's most important language. It's spoken everywhere. Speaking—or at least understanding—this language allows you to follow the real conversations in politics, business, and at work. Understanding money and speaking the language fluently is critical to preparing for a comfortable retirement, building a small business, planning for college and a career for your children. Everyone speaks it differently, with different dialects. Some are riskier than others. Some want to save their money; others want to see it grow. There is no one accent, but understanding the differences will make couples, business partners, and coworkers happier—and wealthier. Authors and CNN financial experts Ali Velshi and Christine Romans speak the global language of money and translate it every day for hundreds of thousands of viewers. And they are here to teach you, too. It's easier to learn than you might think. Speaking money affects every area of your life. It's more than simply your savings or the investments you may have. It involves the way you think about money, the way you teach your children about it, and the way you were taught about it yourself. It's about the way you spend it, save it, invest it, use it, need it and want it. The book will: Shed light on the male and female spending and investing disparity Discuss emerging international economies Weigh the financial hurdle of student debt culminating in a successful job Explain how to budget wisely and build wealth

Show how to plan appropriately for retirement How to Speak Money is an easy-to-read, practical book that helps readers become fluent in the world's most universal language.

How to Speak Money Simon and Schuster

Computers seem so complex but the basics are very easy to understand. This book shows how: e-pulses flow; lights glow and magnets stow. See inside the patterns of digital data that empower our lives.

Complete Dutch Beginner to Intermediate Course Teach Yourself

The perfect companion for tourists and business travelers in Italy and other places where Italian is spoken, this book offers fast, effective communication. More than 1,000 basic words, phrases, and sentences cover everything from asking directions and renting a car to ordering dinner and finding a bank. Designed as a quick reference tool and an easy study guide, this inexpensive and easy-to-use book offers completely up-to-date terms for modern telecommunications, idioms, and slang. The contents are arranged for speedy access to phrases related to greetings, transportation, shopping, services, medical and emergency situations, and other essential items. A handy phonetic pronunciation guide accompanies each phrase.

Learn Language John Wiley & Sons

Many high school and university students find foreign language classes difficult. Although learning a language is a natural process, students study languages inefficiently and they lack effective strategies for language learning. Foreign Language Made Easy is designed to make studying a foreign language an easy and enjoyable experience. The best techniques for

foreign language success are explained in a simple format that anyone can follow. Effective techniques for note taking specifically designed for the foreign language classroom are addressed, as are successful methods to learn grammatical structures and effectively increase vocabulary. The last sections of *Foreign Language Made Easy* are language-specific, and include the most common languages taught in the United States, such as Latin, Spanish, Italian, French, Portuguese, German, Japanese, and Chinese. Common errors are explained, and simple techniques are presented that will help students to succeed. Everyone can learn a foreign language. By following the suggestions presented in this text, even students that previously found learning a foreign language difficult will meet with success.

Learning French is Fun and Easy! - Language Learning 4th Grade | Children's Foreign Language Books

Tuttle Publishing

I have often been frustrated and amused by natives who want to be understood only by the collusive, other natives and thus resort to the use of esoteric expressions the meanings of which are only privy to their people or even group. The most enduring manner to memorialize the truth is to render the language understandable, even if it entails going back to its proper roots. Typical of me, I chose the hardest of them all: English, specifically because its rules have been intentionally overlooked or, in some cases, glossed over in favor of a wider comprehensibility, as happened in plastics, computer science or military jargon. Let me put it this way: if there already is a way to say

something well, there is no need to create a new way of saying it to the glaring degradation of the language. The purpose of a language is universal understand of what is said. In the case of the English language, make that what is said, how it is said, how it is written and even how it is pronounced. It is pointless for English-speaking people to wrongly interpret the intent of another of their kind or to answer in an equally obfuscating fashion. If I say something, I want to be universally understood in as clear a manner as possible!

Simon and Schuster

This book shows how accessible communication, and especially easy-to-understand languages, should be designed in order to become instruments of inclusion. It examines two well-established easy-to-understand varieties: Easy Language and Plain Language, and shows that they have complementary profiles with respect to four central qualities: comprehensibility, perceptibility, acceptability and stigmatisation potential. The book introduces Easy and Plain Language and provides an outline of their linguistic, sociological and legal profiles: What is the current legal framework of Easy and Plain Language? What do the texts look like? Who are the users? Which other groups are involved in the production and use of Easy and Plain Language offers? Which qualities are a hazard to acceptability and, thus, enhance their stigmatisation potential? The book also proposes another easy-to-understand variety: Easy Language Plus. This variety balances the four qualities and is modelled in the present book.
